**Gardening Under the Arch** Millarville Horticultural Club 2006 A passion for gardening First released in 1982, *Gardening Under the Arch* has long been hailed as the gardening bible for the challenging chinook region of southwestern Alberta. Now, for the first time since its original publication, this hugely successful book has been revised and updated into a full-colour edition by some of its original contributors and a new group of gardeners. This unique book is truly a work of the heart. Hardly slick, not at all highbrow, *Gardening Under the Arch* is full of practical, homespun know-how based on the collective wisdom gleaned over years by determined gardeners in the chinook zone. There is knowledge here that can't be found in other books, and there is loads of passion for the love of gardening and all the special moments it brings. *Gardening Under the Arch* provides insight and inspiration, from the first sunny day in spring when you dig your beds to that cold winter's day when you enjoy a freshly baked pie made with the fruit you have grown.
