**Section 1031 Exchanges For Real Estate Investors and Professionals** Bradley Borden,2021-08-16 Most owners of real property wish to preserve the value of their investments, and many accomplish that goal by exchanging properties under section 1031 of the Internal Revenue Code. Although many property owners and their advisors have heard of section 1031, they may not be aware of all the nuances of section 1031. This book details the benefits of section 1031 and illustrates its application to typical and complex transactions. Using practical examples, the book demonstrates how taxes paid on the disposition of real property can erode a property owner's net worth and how doing a section 1031 exchange can prevent that erosion. The book describes several types of exchanges, including multi-party exchanges, deferred exchanges, reverse exchanges, improvements exchanges, and drop-and-swaps, and leads readers through each of those exchange structures with real-world examples and diagrams. The book also discusses related-party exchanges, exchanges of mixed-use property (i.e., property held for both business and personal use), and factors that may affect an investor's decision to acquire a DST, TIC interest, or triple-net property as replacement property.

*The Tax-Free Exchange Loophole* Jack Cummings,2005-03-18 Discover the Greatest Investment Tool of All Time! The tax breaks and loopholes built into real estate make it one of the most profitable investments in the world. In fact, the real estate tax exchange loophole--known as the 1031 Exchange--is one of the greatest tax loopholes in existence. This loophole allows a real estate investor to sell a property without paying a penny in capital gains tax--as long as the investor reinvests his or her profits into another property. Not only is this a great way to invest without paying taxes, it's also a great way to grow real wealth over time. The rules can be confusing, but tax exchange works for every investor, big or small. This handy guide offers detailed, step-by-step advice on using the 1031 Exchange--and much more: \* How the capital gains tax works \* Other little-known real estate loopholes \* Creative real estate financing techniques \* Advanced elements of tax-free exchanges \* Terms and concepts you need to know \* Eight things that can hold up a closing \* Transferring debt to other properties \* How zoning laws affect your investments \* How tax-free exchanges affect your tax shelter \* Where to find potential exchanges \* Twelve creative techniques applied to exchanges \* Nine booby traps to watch out for in exchanges Don't wait--use the 1031
