Watts,2013-09-17 Jefferson County, Virginia (1797-1812): Construct censuses by reconstitution of those persons who were included in the community in which Matthew Frame conducted his mercantile business. Show that there were familiar interrelationships of ordinary residents with extraordinary residents of the Matthew Frame community. This constructed census includes all of those persons who had accounts with Matthew Frame and also those ordinary persons who did not have direct accounts with him.
