

T 1865

Downey Matthew, Matthew T. Downey

The American Civil War Joseph T. Glatthaar, 2002-12-31 Union military forces suffered momentary defeat followed by sustained success in the Western Theater during the second half of the American Civil War. Following the Union's defeat at Chickamauga, Ulysses S. Grant took command at Chattanooga and orchestrated a striking victory which paved the way for a Union advance against Atlanta, a confederate city second in importance only to Richmond. This book traces the events that surrounded the capture of Atlanta, followed by Sherman's famous campaign of destruction through the southern interior which culminated in April 1865 with the surrender of the last major Confederate field army at Durham Station, North Carolina.

Remembering Dixie Susan T. Falck, 2019-08-23 Nearly seventy years after the Civil War, Natchez, Mississippi, sold itself to Depression-era tourists as a place "Where the Old South Still Lives." Tourists flocked to view the town's decaying antebellum mansions, hoopskirted hostesses, and a pageant saturated in sentimental Lost Cause imagery. In *Remembering Dixie: The Battle to Control Historical Memory in Natchez, Mississippi, 1865–1941*, Susan T. Falck analyzes how the highly biased, white historical memories of what had been a wealthy southern hub originated from the experiences and hardships of the Civil War. These collective narratives eventually culminated in a heritage tourism enterprise still in business today. Additionally, the book includes new research on the African American community's robust efforts to build historical tradition, most notably, the ways in which African Americans in Natchez worked to create a distinctive postemancipation identity that challenged the dominant white structure. Using a wide range of late nineteenth- and

early twentieth-century sources—many of which have never been fully mined before—Falck reveals the ways in which black and white Natchezians of all classes, male and female, embraced, reinterpreted, and contested Lost Cause ideology. These memory-making struggles resulted in emotional, internecine conflicts that shaped the cultural character of the community and impacted the national understanding of the Old South and the Confederacy as popular culture. Natchez remains relevant today as a microcosm for our nation's modern-day struggles with Lost Cause ideology, Confederate monuments, racism, and white supremacy. Falck reveals how this remarkable story played out in one important southern community over several generations in vivid detail and richly illustrated analysis.

Sherman's Civil War Brooks D. Simpson, Jean V. Berlin, 2014-07-02

The first major modern edition of the wartime correspondence of General William T. Sherman, this volume features more than 400 letters written between the election of Abraham Lincoln in 1860 and the day Sherman bade farewell to his troops in 1865. Together, they trace Sherman's rise from obscurity to become one of the Union's most famous and effective warriors. Arranged chronologically and grouped into chapters that correspond to significant phases in Sherman's life, the letters--many of which have never before been published--reveal Sherman's thoughts on politics, military operations, slavery and emancipation, the South, and daily life in the Union army, as well as his reactions to such important figures as General Ulysses S. Grant and President Lincoln. Lively, frank, opinionated, discerning, and occasionally extremely wrong-headed, these letters mirror the colorful personality and complex mentality of the man who wrote them. They offer the reader an invaluable glimpse of the Civil War as Sherman saw it.

When the War Was Over Dan T. Carter, 1985-04-01 In the months after Appomattox, the South was plunged into a chaos that surpassed even the disorder of the last hard months of the war itself. Peace brought, if anything, an increased level of violence to the region as local authorities of the former Confederacy were stripped of their power and the returning foot soldiers of the defeated army, hungry and without hope, raided the already impoverished countryside for food and clothing. In the wake of the devastation that followed surrender, even some of the most virulent Yankee-haters found themselves relieved as the Union army began to bring a small level of order to the lawless southern terrain. Dan T. Carter's *When the War Was Over* is a social and political history of the two years following the surrender of the Confederacy -- the co-called period of Presidential Reconstruction when the South, under the watchful gaze of Congress and the Union army, attempted to rebuild its shattered society and economic structure. Working primarily from rich manuscript sources, Carter draws a vivid portrait of the political leaders who emerged after the war, a diverse group of men -- former loyalists as well as a few mildly repentant fire-eaters -- who in some cases genuinely sought to find a place in southern society for the newly emancipated slaves, but who in many other cases merely sought to redesign the boundaries of black servitude. Carter finds that as a group the politicians who emerged in the postwar South failed critically in the test of their leadership. Not only were they unable to construct a realistic program for the region's recovery -- a failure rooted in their stubborn refusal to accept the full consequences of emancipation -- but their actions also served to exacerbate rather than allay the fears and apprehensions of the victorious North. Even so, Carter reveals, these leaders were not the monsters that many scholars

have suggested they were, and it is misleading to dismiss them as racists and political incompetents. In important ways, they represented the most constructive, creative, and imaginative response that the white South, overwhelmed with defeat and social chaos, had to offer in 1865 and 1866. Out of their efforts would come the New South movement and, with it, the final downfall of the plantation system and the beginnings of social justice for the freed slaves.

Historic Days in Cumberland County, New Jersey, 1855-1865 Isaac T. Nichols, 1907

Calamity in Carolina Daniel T. Davis, 2015-03-19 Robert E. Lee gave Joseph E. Johnston an impossible task. Federal armies under Maj. Gen. William Tecumseh Sherman had rampaged through Georgia on their "March to the Sea" and now were cutting a swath of destruction as they marched north from Savannah through the Carolinas. Locked in a desperate defense of Richmond and Petersburg, there was little Lee could do to stem Sherman's tide—so he turned to Johnston. The one-time hero of Manassas had squabbled for years with Confederate President Jefferson Davis, eventually leading to his removal during the Atlanta Campaign. The disgraced Johnston had fallen far. Yet Lee saw his old friend and professional rival as the only man who could stop Sherman—the only man who could achieve the impossible. "J.E. Johnston is the only officer whom I know who has the confidence of the army," Lee told Davis. Back in command, Johnston would have to assemble a makeshift force—including the shattered remnants of the once-vaunted Army of Tennessee—then somehow stop the Federal juggernaut. He would thus set out to achieve something that had ever eluded Lee: deal a devastating blow to an isolated Union force. Success could potentially prolong the most tragic chapter in American history, adding thousands more to a list of

casualties that was already unbearable to read. Historians Daniel T. Davis and Phillip S. Greenwalt, co-authors of *Bloody Autumn: The Shenandoah Valley Campaign of 1864* and *Hurricane from the Heavens: The Battle of Cold Harbor*, now turn their considered gaze toward the long-forgotten battles of Aversboro and Bentonville. Written in the accessible style that has become the hallmark of the Emerging Civil War Series, *Calamity in Carolina: The Battles of Aversboro and Bentonville* includes more than a hundred illustrations, new maps, and thought-provoking analysis to tell the story of the last great battles of the war in the West.

Horrors of History: Ocean of Fire T. Neill Anderson, 2014-02-11
Based on the actual fire that swept through Columbia, South Carolina, after the city surrendered to General Sherman's Union troops, *Ocean of Fire* details life in the South at the end of the American Civil War. Supported by thorough research, narrative accounts of actual historical persons as well as fictionalized characters comprise the novel. Follow 17-year-old Emma, her family, and potential Confederate spy, Charles Davis, as a chaotic community tries to survive a blazing firestorm. The second book in the *Horrors of History* series, *Ocean of Fire* makes history accessible, questioning who could have started this controversial fire and exploring how the closing weeks of the war affected citizens and slaves alike.

Historic Days in Cumberland County Isaac T. Nichols, 2014-11-23
Hardcover reprint of the original 1907 edition - beautifully bound in brown cloth covers featuring titles stamped in gold, 8vo - 6x9. No adjustments have been made to the original text, giving readers the full antiquarian experience. For quality purposes, all text and images are printed as black and white. This item is printed on demand. Book Information: Nichols, Isaac T. *Historic Days In Cumberland County*,

New Jersey, 1855-1865: Political And War Time Reminiscences. Indiana: Repressed Publishing LLC, 2012. Original Publishing: Nichols, Isaac T. Historic Days In Cumberland County, New Jersey, 1855-1865: Political And War Time Reminiscences, . Bridgeton? N.J., 1907.

Reluctant Partners Walter T. Durham, 2008 In 1862, Nashville became the first Southern state capital to be captured by the Union Army; that occupation would not end until after the Civil War's conclusion in 1865. In two incisive books, first published more than twenty years ago and available once more for a new generation of readers, Walter T. Durham traces occupied Nashville's reluctant transition from Rebel stronghold to partner of the Union. Together, *Nashville and Reluctant Partners* highlight the importance of local history within Civil War scholarship and assess the impact of the war on people other than combat soldiers and places other than battlefields. *Nashville* examines the first seventeen months of the Union occupation, showing how the local population coped with the sudden presence of an enemy force. It also explores the role of military governor Andrew Johnson and how he asserted his authority over the city. *Reluctant Partners* depicts a city coming to grips with the rapidly fading prospect of a Confederate victory and how, faced with this reality, its citizens began to cooperate with Johnson and the Union. Their reward was a booming economy and scant battle damage. With new prefaces discussing the two decades of scholarship that have emerged since these books' original appearance, these volumes offer an absorbing view of Union occupation at the most local of levels. Durham's volumes remain at the forefront of reconsidering the Civil War in the Upper South. Students and scholars of the Civil War-particularly in its social dimensions-as well as devotees of

Tennessee history will find these new editions invaluable. Walter T. Durham is the author of seventeen books, including *Balie Peyton of Tennessee: Nineteenth-Century Politics and Thoroughbreds* and *Volunteer Forty-niners: Tennesseans and the California Gold Rush*. He has been the Tennessee state historian since 2002.

A Faithful Heart Emmala Reed, 2004 Emmala Reed's journals from 1865 and 1866 present a detailed account of life in western South Carolina as war turned to reconstruction. Reed's postwar writings are particularly important given their rarity - many Civil War diarists stopped writing at war's end. Also unlike many diarists of the period, Reed lived in a small town rather than on a plantation or in an urban center.

Remembering Dixie Susan T. Falck, 2019 Nearly seventy years after the Civil War, Natchez, Mississippi, sold itself to Depression-era tourists as a place 'Where the Old South Still Lives.' Tourists flocked to view the town's decaying antebellum mansions, hoop-skirted hostesses, and a pageant saturated in sentimental Lost Cause imagery. In *Remembering Dixie: The Battle to Control Historical Memory in Natchez, Mississippi, 1865-1941*, Susan T. The Papers of Jefferson Davis Jefferson Davis, 1971-11-01 Much of Jefferson Davis' life and career has been obscured in controversy and misinterpretation. This full, carefully annotated edition will make it possible for scholars to reassess the man who served as President of the Confederacy and who in the aftermath of war became the symbolic leader of the South. For almost a decade a dedicated team of scholars has been collecting and documenting Davis' papers and correspondence for this multi-volume work. The first volume includes not only Davis' private and public correspondence but also the important letters and documents addressed to and concerning him. Two autobiographical accounts, a detailed genealogy of the Davis

family, and a complete bibliography are also included. This volume covers Davis' early years in Mississippi and Kentucky, his career at West Point, his first military assignments, and his tragic marriage to Sarah Knox Taylor. Together, the letters and documents unfold a human story of the first thirty-two years of a long life that later became filled with turbulence and controversy.

Military Conquest of the Prairie Tore T. Petersen,2016-06-10 The Military Conquest of the Prairie is a study on the final wars on the prairie from the Native American perspective. When the reservation system took hold about one-third of tribes stayed permanently there, one-third during the harsh winter months, and the last third remained on what the government termed unceded territory, which Native Americans had the right to occupy by treaty. For the Federal government it was completely unacceptable that some Indians refused to submit to its authority. Both the Red River war (1874-75) in the south and the great Sioux war (1876-77) in the north were the direct result of Federal violation of treaties and agreements. At issue was the one-sided violence against free roaming tribes that were trying to maintain their old way of life, at the heart of which was avoidance on

intermingling with white men. Contrary to the expectations of the government, and indeed to most historical accounts, the Native Americans were winning on the battlefields with clear conceptions of strategy and tactics. They only laid down their arms when their reservation was secured on their homeland, thus providing their preferred living space and enabling them to continue their way of life in security. But white man perfidy and governmental double-cross were the order of the day. The Federal government found it intolerable that what it termed savages' should be able to determine their own future. Vicious attacks were initiated in order to stamp out tribalism, resulting in driving the US aboriginal population almost to extinction. Analysis of these events is discussed in light of the passing of the Dawes Act in 1887 that provided for breaking up the reservations to the Indian Reorganization Act of 1934 that gave a semblance of justice to Native Americans.

Lives and Times Blaine T. Browne, Robert C. Cottrell, 2009-11

Lives and Times is a biographical reader designed to acquaint students with major issues in American history through the lives of individuals, prominent and otherwise, whose activities and ideas were crucial in shaping the course of the nation's history. Employing a narrative style, each volume consists of thirteen chapters in which the lives of two individuals are examined in the broader context of major historical themes. Readers will find not only a diversity of individuals profiled, but also themes spanning political, economic, social, cultural, intellectual and military history. This combined biographical/thematic approach provides the reader with more extensive biographical information and a fuller examination of key issues than is commonly offered in core texts. Each chapter also offers study questions and a bibliography. Also Available: *Lives and Times: Individuals and Issues*

T 1865 Offers over		

T 1865, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to T 1865. Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some T 1865 books or magazines might include. Look for these in online stores or libraries. Remember that while T 1865, sharing copyrighted material without permission is not

legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow T 1865 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short

stories for free on their websites. While this might not be the T 1865 full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of T 1865 eBooks, including some popular titles.

FAQs About T 1865 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device

compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading

eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. T 1865 is one of the best book in our library for free trial. We provide copy of T 1865 in digital format, so the resources that you find are reliable.

There are also many Ebooks of related with T 1865. Where to download T 1865 online for free? Are you looking for T 1865 PDF? This is definitely going to save you time and cash in something you should think about.
