**The Yellow Wallpaper (The Original 1892 New England Magazine Edition) - a feminist fiction classic** Charlotte Perkins Gilman,2013-08-20 This carefully crafted ebook: The Yellow Wallpaper (The Original 1892 New England Magazine Edition) - a feminist fiction classic is formatted for your eReader with a functional and detailed table of contents. The Yellow Wallpaper is a 6,000-word short story by the American writer Charlotte Perkins Gilman, first published in January 1892 in The New England Magazine. It is regarded as an important early work of American feminist literature, illustrating attitudes in the 19th century toward women's physical and mental health. Charlotte Perkins Gilman (July 3, 1860 – August 17, 1935) was a prominent American feminist, sociologist, novelist, writer of short stories, poetry, and nonfiction, and a lecturer for social reform. She was a utopian feminist during a time when her accomplishments were exceptional for women, and she served as a role model for future generations of feminists because of her unorthodox concepts and lifestyle. Her best remembered work today is her semi-autobiographical short story The Yellow Wallpaper which she wrote after a severe bout of postpartum psychosis.

**LETHAL JOURNEY** John T. Cullen, 2017-01-03 John T. Cullen's novel Lethal Journey - Victorian gaslight noir - is closely based on the 1892 true crime at the Hotel Del Coronado near San Diego. This fast, atmospheric thriller combines the best elements of legend and true history about the tragic young beauty who died mysteriously at the hotel in November 1892. The Beautiful Stranger left behind a famous ghost legend in addition to the true crime story that caused a nationwide sensation. For granular detail, read the author's painstaking, scholarly analysis in the nonfiction book Dead Move:

Kate Morgan and the Haunting Mystery of Coronado. His careful analysis ties all loose ends together, in the first-ever plausible explanation of this San Diego legend. He solves an old, brittle cold case, dispelling 1890s cover-up legends planted to protect John Spreckels - owner of the hotel, one of the nation's wealthiest men during the 1890s. The Beautiful Stranger - as the young mystery woman is officially remembered - was poised, striking, and doomed. She died violently and mysteriously at Spreckels' new Hotel del Coronado, a resort by the Pacific Ocean. The true crime mystery instantly became a national sensation, leading to a famous ghost who allegedly haunts the U.S. National Landmark hotel to this day. Cullen's three books are not based on ghosts or the supernatural - but only on true history, hidden in plain sight until now under a successful cover-up. The Yellow Press fanned flames and rumors of her alleged dalliances with men in high places - none of it true. She was part accomplice, part victim, in an ill-conceived blackmail attempt that went horribly wrong. The target was resort owner John Spreckels, a son of Sugar Baron Claus Spreckels of San Francisco. Iowa grifter Kate Morgan tried to use the young woman's out-of-wedlock pregnancy as a threat on Spreckel's public image at a critical moment. Spreckels had nothing to do with the pregnancy. He was in the White House, desperately conferring with family friend President Benjamin Harrison to save the Hawai'ian monarchy and Spreckels sugar plantations in Hawai'i. Under a false name ('Lottie A. Bernard'), the Beautiful Stranger checked into the Hotel del Coronado on

Thanksgiving Day 1892. She carried herself like a young stage star. Five days later, she lay dead on a stairwell from a gunshot to the head, a large revolver by her side. Despite Spreckels' and Harrison's efforts, the Hawai'ian monarchy was overthrown six weeks later (January 1893). The Spreckels dynasty lost their sugar plantations, but established a new sugar beet empire in the town of Spreckels, near Monterey, California. Poor Lizzie Wyllie, the dead beauty - swallowed up in falsehoods, forgotten - was tossed into an unmarked grave outside San Diego. Lethal Journey (novel) dramatizes her true, tragic path. She was the victim of a repressive Victorian society, in which women were not allowed to vote, travel alone, or own property. She was young, pregnant, alone, and desperate. She broke the rules to survive, but fell into the clutches of an unscrupulous, fatally false friend (Kate Morgan) who also stole her lover. Lizzie ended up used, broken, and hopeless. On a dark and stormy night (literally) in November 1892, she shot herself while weakened and depressed on drugs Kate gave her to induce a spectacular miscarriage in the lobby of Spreckels' hotel - unless the tycoon paid up. Lizzie, a beautiful young run-away shop girl from Detroit, had pretensions of becoming a great stage actress, but fell victim to her own frailties and cruel Victorian morays. In death, she was embalmed, dolled up like a princess, and morbidly displayed in a store window for thousands to admire. She embodied of that morbid, powerful Victorian fantasy, the Fallen Angel. The Beautiful Stranger remains today an object lesson for women's rights, and

the tragic story of a naive soul. More info at [www.coronadomystery.com](http://www.coronadomystery.com).
