1958 Steve Carrier,2019-01-10 He's smart. He might be a genius, but in Resume Speed in 1958, they don't test for things like that. Besides, he doesn't know he's smart, and it wouldn't change him if he did. What he knows for sure is that if you let it, life would be pretty funny. He knows that the girlfriend he doesn't have, the matchless Cheryl Loeb, is twice the girlfriend his best friend doesn't have. Finally, he knows he has an enemy who is determined to destroy him, and to him there's sport in that. His name is Lawrence, which in itself is not bad, but his full name is Lawrence Lawrence, and that should be felony. In a mutinous act, he renamed himself Gunnar, and he's a rascal but not a scoundrel. Somewhere wedged between those two words, we find a surprising measure of both character and virtue. In the main, this is his story, but it is also the story of an aging English teacher, an underachieving underclassman, the villain, a girl, the Communists, a dead body, puberty, and what a smart kid does to stay sharp in an exceedingly dull place. Welcome to a year in the life of Gunnar Lawrence, who has both the good luck and the awful misfortune to grow up in the unremarkable little town of Resume Speed.

**Stealing Home** Roger Rule,2021-09-03 "STEALING HOME" tells the story of 13-year-old William Martin, a child born in a white middle class family in Kansas City in 1958 when segregation was prevalent. After William's tolerant father discovers that peer pressure has

given William a prejudice worldview, maliciously believing everything he has ever heard about black people, Mr. Martin brings home a black orphan, Alex, hoping that getting to know Alex will remedy it. The two teenagers strike up an unlikely friendship. William's life takes an unexpected turn when he and his mischievous friend, Robert, scheme to sneak Alex into a public segregated pool where Alex ends up saving a girl from drowning. William and Alex's friendship is challenged when William's prized possession, his baseball signed for him by the New York Yankees, turns up missing when Alex leaves his home. Alex is suspected of the theft and William finds his prejudiced feelings once again reinforced. He becomes a detective to find out the truth. Nowhere in the story is the "N" word used. The climax consists of a G-rated fight with Alex saving his white friends through his Judo training.

Foundations of Taxation Law 2022 Stephen Barkoczy,2022-01-25 Foundations of Taxation Law provides a clear and comprehensive introduction to the policy, principles and practice underpinning the Australian taxation system. Designed as an introductory guide for law and business students as well as tax practitioners, the text focuses on general principles, blending policy issues, taxation theory, technical 'black letter law' and commercial practice into a succinct, principled text. Topics have been developed in a logical, structured order and are cross-referenced to specific provisions in the legislation and relevant cases so that readers can easily find the source of the law. The text includes approximately 400 examples and dozens of diagrams and tables that condense the law and clarify difficult concepts. This fourteenth edition has been substantially revised and restructured to take account of many important legislative reforms, case law developments, administrative changes and policy announcements. It is designed to be used in conjunction with the Core Tax Legislation and Study Guide 2022.
