*Reports of United States Tax Court, V. 141, July 1, 2013, to December 31, 2013* Government Publications Office,2015-02-15 Volume of the United States Tax Court Reports containing case abstracts and opinions of the court regarding cases between July 1, 2013 December 31, 2013. Cases in each volume are listed in the prefatory table. The United States Tax Court is a federal trial court of record established by Congress under Article I of the U.S. Constitution, section 8 providing (in part) that Congress has the power to constitute Tribunals inferior to the Supreme Court. "The Tax Court specializes in adjudicating disputes over federal income tax, generally prior to the time at which formal tax assessments are made by the Internal Revenue Service. Though taxpayers may choose to litigate tax matters in a variety of legal settings, outside of bankruptcy, the Tax Court is the only forum in which taxpayers may do so without having first paid the disputed tax in full. Parties who contest the imposition of a tax may also bring an action in any United States District Court, or in the United States Court of Federal Claims; however these venues require that the tax be paid first, and that the party then file a lawsuit to recover the contested amount paid (the full payment rule)." **The Dark** Lemony Snicket,2013-04-02 Lazlo is afraid of the dark. It hides in closets and sometimes sits behind the shower curtain, but mostly it lives in the basement. One night, when Lazlo's nightlight burns out, the dark comes to visit him in his room. "Lazlo," the Dark says. "I want to show you something." And so Lazlo descends the basement stairs to face his fears and discover a few comforting facts about the mysterious presence with whom all children must learn to live. Beautifully rendered with sympathy and wit, this first collaboration between Snicket and Klassen offers a fresh take on a universal childhood experience.
