The Second Coming and I: a Reading for Leanne Long John Kordupel, 2018-07-06 How deep does the Second Creation go? The Second Coming and I: A Reading for Leanne Long seeks to answer this question. Book 1 seeks to prove reincarnation and in doing so, reveal the Second Creation. It translates alphabetical names into numerical names, permitting us to determine whether there is a nonrandom energy between different people. The greater the degree of nonrandomness, the greater the probability that one is a reincarnation of the other. It also demonstrates that our reincarnation history takes us back to the first medicine wheel, Sirius (Lemuria), home to Adam, who subsequently manifests as Jesus. Finally, author John Kordupel addresses the question of how one cures an illness that had its genesis in a previous lifetime, arising from negative energy built up over a lifetime and continuing through death. Kordupel sought out energy healer Leanne Long in an attempt to dissipate the negative energies influencing his own life, and now he shares his discoveries with the world. This study, the first volume in a series, explores a wide range of topics relating to spirituality and energies that shift among people and across lives.

When downloading T 3377, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms.
