Krummel, 2010 Recognize market opportunities, master the design process, and develop business acumen with this 'how-to' guide to medical technology innovation. Rebel Youth Ian Milligan, 2014-07-30 During the long sixties, baby boomers raised on democratic postwar ideals demanded a more egalitarian society for all. While a few became vocal leaders at universities across Canada, nearly 90% of Canada's young people went straight to work after high school. There, they brought the anti-authoritarian spirit of the youth revolt to the labour movement. While university-based activists combined youth culture with a new brand of radicalism to form the New Left, young workers were defying their aging union leaders in a wave of renewed militancy. In *Rebel Youth*, Ian Milligan looks at these converging currents, demonstrating convincingly how they were part of the same youth phenomenon.
