United States Code United States,2013 The United States Code is the official codification of the general and permanent laws of the United States of America. The Code was first published in 1926, and a new edition of the code has been published every six years since 1934. The 2012 edition of the Code incorporates laws enacted through the One Hundred Twelfth Congress, Second Session, the last of which was signed by the President on January 15, 2013. It does not include laws of the One Hundred Thirteenth Congress, First Session, enacted between January 2, 2013, the date it convened, and January 15, 2013. By statutory authority this edition may be cited U.S.C. 2012 ed. As adopted in 1926, the Code established prima facie the general and permanent laws of the United States. The underlying statutes reprinted in the Code remained in effect and controlled over the Code in case of any discrepancy. In 1947, Congress began enacting individual titles of the Code into positive law. When a title is enacted into positive law, the underlying statutes are repealed and the title then becomes legal evidence of the law. Currently, 26 of the 51 titles in the Code have been so enacted. These are identified in the table of titles near the beginning of each volume. The Law Revision Counsel of the House of Representatives continues to prepare legislation pursuant to 2 U.S.C. 285b to enact the remainder of the Code, on a title-by-title basis, into positive law. The 2012 edition of the Code was prepared and published under the supervision of Ralph V. Seep, Law Revision Counsel.

Grateful acknowledgment is made of the contributions by all who helped in this work, particularly the staffs of the Office of the Law Revision Counsel and the Government Printing Office--Preface.

The House of Punishment Dee Lynne,2012-05 To my readers, this book is based on true time and events, * the beginning is a summary of the author, it enlighten the good and bad times, of being raised in a large family environment. It also speaks of many situations and circumstances in which could have been done differently. The main character is a guy name Royale who thought he had much control over his life, it all started out to be pleasure and fun. Royale was a very intelligent and caring being, however he got caught up in a situation that became totally powerless with no self- control. Royale is a scared and confused drug addict, who is now serving life in prison for a crime that, was committed, while under the influences of alcohol and drugs. This can become very dangerous, when not making the right choices it could have caused him his life. There are many other people who are involved in this story, such as the victims, the jury, judge, prosecutor, and the public defender, who all play a part in this detrimental, painful and touching story, which most readers will identify with the events of what has happen in these people's lives. Yes Royale is a victim of drug abuse, who is trying now to regain his life back, despite the wrong he have done, does he deserve another chance for a fair trial? Let's find out as we read The House of Punishment, the price of another life. You as the reader will enjoy this book; it is therapeutic, enjoyable, powerful messages, conflict, joy, forgiveness and much more inspiring words and poems. *Some names in this story have been changed.
