Irish National Inventory of Historic Scientific Instruments Charles Mollan,1995-11-15 Carried out over a period of ten years, this is a listing of scientific instruments dating before 1920,

preserved in many collections throughout the island of Ireland. It gives location, date, and description for each of the more than 5,000 entries, together, where appropriate, with relevant accompanying detail. It demonstrates clearly that Ireland has an important resource which hitherto had not been appreciated. It also preserves information about collections which have since been lost, sold, or otherwise dispersed.
