**United States Code** United States,2013 The United States Code is the official codification of the general and permanent laws of the United States of America. The Code was first published in 1926, and a new edition of the code has been published every six years since 1934. The 2012 edition of the Code incorporates laws enacted through the One Hundred Twelfth Congress, Second Session, the last of which was signed by the President on January 15, 2013. It does not include laws of the One Hundred Thirteenth Congress, First Session, enacted between January 2, 2013, the date it convened, and January 15, 2013. By statutory authority this edition may be cited U.S.C. 2012 ed. As adopted in 1926, the Code established prima facie the general and permanent laws of the United States. The underlying statutes reprinted in the Code remained in effect and controlled over the Code in case of any discrepancy. In 1947, Congress began enacting individual titles of the Code into positive law. When a title is enacted into positive law, the underlying statutes are repealed and the title then becomes legal evidence of the law. Currently, 26 of the 51 titles in the Code have been so enacted. These are identified in the table of titles near the beginning of each volume. The Law Revision Counsel of the House of Representatives continues to prepare legislation pursuant to 2 U.S.C. 285b to enact the remainder of the Code, on a title-by-title basis, into positive law. The 2012 edition of the Code was prepared and published under the supervision of Ralph V. Seep, Law Revision Counsel. Grateful acknowledgment is made of the contributions by all who helped in this work, particularly the staffs of the Office of the Law Revision Counsel and the Government Printing Office--Preface.

**Andersonville diary** J.L. Ransom,2014 One of the most starkly vivid and detailed accounts of survival in Georgia's notorious Andersonville prison during the American Civil War. John Ransom was only 20 years old at the time of his capture. He kept a nearly daily diary during his year of misery at the Confederate prison. He and his fellow Union prisoners endured lice, starvation, freezing cold, killing heat, theft from other inmates...and Captain Wirtz. Capt. Wirtz very domineering and abusive. Is afraid to come into camp any more. There are a thousand men in here who would willingly die if they could kill him first. Death was a daily occurrence. Yet Ransom knew if he gave up hope, he would die. He somehow kept his humor and kept on writing. Through two escapes, time in a Rebel hospital, and eventual freedom, you'll read a POW account like none you've ever read before.
