Don't Stand Where The Comet Is Assumed To Strike Oil Scott Adams,2004-05 Why is Dilbert such a phenomenon? People see their own dreary, monotonous lives brought to comedic life in the ubiquitous strip. In the 23rd collection of Scott Adams's tremendously popular series, Don't Stand Where the Comet Is Assumed to Strike Oil, suppressed and repressed workers everywhere can follow the latest developments in the so-called careers of Dilbert, power-hungry Dogbert, Catbert, Ratbert, the pointy-haired boss, and other supporting—but don't you dare call them supportive—characters. Each is funny because it's true; scenario bears an uncanny, hysterical, sometimes uncomfortable similarity to cubicle-filled corporate America. But the United States clearly hasn't cornered the market when it comes to drone-filled offices: Dilbert appears in 65 countries in 25 languages and in 2,000 newspapers. The strip has 150 million fans worldwide.

Teamwork Means You Can't Pick the Side That's Right Scott Adams,2012-04-17 A collection that riffs on the fodder of everyday office life and features the irrepressible clueless Boss, the acerbic Dogbert, and the evil Human Resources director, Catbert.

Reciprocity in Human Societies Antti Kujala,Mirkka Danielsbacka,2018-08-03 Presenting new insights into reciprocity, this book combines Marcel Mauss's well-known gift theory with Barrington Moore's idea of mutual obligations linking rulers and the ruled. Teasing out the interrelatedness of these approaches, Reciprocity in Human Societies suggests that evolutionary psychology reveals a human tendency for reciprocity and collaboration, not only in a mutually cooperative way but also through increasing retributive moral emotions. The book discusses various historical societies and the different models of the current welfare state—Nordic (social democratic), conservative, and liberal— and the repercussions of the neoliberal policies of tax havens, tax cuts, and austerity with a cross-disciplinary approach that bridges evolutionary psychology, sociology, and social anthropology with history.
