**Whisper to Me** Nick Lake,2016-05-05 'I love you. I'm sorry for what I did to you. I'm going to write it all down, explain everything that happened, why I broke your heart, and then I'm going to email it to you. I will be waiting for you at 5 p.m. Friday by the windmill hole at the crazy golf at the Pier where we played once. If you still want me then, when you're done reading this, come and get me. OK? Consider this the most screwed up love

letter ever.' So begins Nick Lake's brilliant tour de force romance which introduces readers to Cassie, a New Jersey Shore teen who, over the course of one summer, experiences the exhilarating highs of new love, the frightening free falls of personal demons and family tragedy, and the bumps along the way to forgiveness, acceptance, and self-discovery. Told entirely through flashbacks, readers will savour every moment of Cassie's relationship with a boardwalk boy and race to the last page to discover how it all ends.

**Accountability of Local Authorities in England and Wales, 1831-1935 Volume 1 (RLE Accounting)** Hugh Coombs, J. R. Edwards, 2014-04-16 These books make available material relating to the statutory regulations covering the degree of accountability required from local authorities during the period 1834-1936. The bulk of historical accounting research has focused on the development of financial accounting although in recent years the development of management accounting has attracted more interest. In both these areas, it has been the accounting practices of the private sector which have received more attention, central government in the Middle Ages some attention, and local government accounting very little. These volumes redress this imbalance in historical investigation, both to provide a comparative basis for work on the private sector and to provide an historical perspective for the system of local government accounting currently in use.
