Amp It Up Frank Sloatman, 2022-01-13 Wall Street Journal, USA Today, and Publishers Weekly Bestseller The secret to leading growth is your mindset Snowflake CEO Frank Sloatman is one of the tech world's most accomplished executives in enterprise growth, having led Snowflake to the largest software IPO ever after leading ServiceNow and Data Domain to exponential growth and the public market before that. In *Amp It Up: Leading for Hypergrowth by Raising Expectations, Increasing Urgency, and Elevating Intensity*, he shares his leadership approach for the first time. *Amp It Up* delivers an authoritative look at what it takes to transform an organization for maximum growth and scale. Sloatman shows that most leaders have significant room to improve their organization's performance without making expensive changes to their talent, structure, or fundamental business model—and they don't need to bring in an army of consultants to do it. What they do need is to align people around what matters and execute with urgency and intensity every day. Leading for unprecedented growth means declaring war on mediocrity, breaking the status quo, and making conflicted choices daily, all with a relentless focus on the mission. *Amp It Up* provides the first principles to guide that change, and the tactical advice for organizing a company around them. Perfect for executives, entrepreneurs, founders, managers, and leaders of all kinds, *Amp It Up* is a must-read resource for anyone who seeks to unleash the growth potential of a company and scale it to heights they never thought possible.

Backcountry Revolutionary William T. Graves, 2012-12 Biography of Col. James Williams, 1740-1780, the highest ranking officer who died from wounds suffered at the Battle of Kings Mountain (October 7, 1780) during the American Revolutionary War.

The Making of Asian America Erika Lee, 2015-09 In the past fifty years, Asian Americans have helped change the face of America and are now the fastest growing group in the United States. But as ... historian Erika Lee reminds us, Asian Americans also have deep roots in the country. *The Making of Asian America* tells the little-known history of Asian Americans and their role in American life, from the arrival of the first Asians in the Americas to the present-day. An epic history of global journeys and new beginnings, this book shows how generations of Asian immigrants and their American-born descendants have made and remade Asian American life in the United States: sailors who came on the first trans-Pacific ships in the 1500s to the Japanese Americans incarcerated during World War II. Over the past fifty years, a new Asian America has emerged out of community activism and the arrival of new immigrants and refugees. No longer a despised minority, Asian Americans are now held up as America's model minorities in ways that reveal the complicated role that race still plays in the United States. Published to commemorate the fiftieth anniversary of the passage of the United States' Immigration and Nationality Act of 1965 that has remade our nation of immigrants, this is a new and definitive history of Asian Americans. But more than that, it is

a new way of understanding America itself, its complicated histories of race and immigration, and its place in the world today--Jacket.

Get Better Faster Paul Bambrick-Santoyo, 2016-07-25 Effective and practical coaching strategies for new educators plus valuable online coaching tools Many teachers are only observed one or two times per year on average—and, even among those who are observed, scarcely any are given feedback as to how they could improve. The bottom line is clear: teachers do not need to be evaluated so much as they need to be developed and coached. In *Get Better Faster: A 90-Day Plan for Coaching New Teachers*, Paul Bambrick-Santoyo shares instructive tools of how school leaders can effectively guide new teachers to success. Over the course of the book, he breaks down the most critical actions leaders and teachers must take to achieve exemplary results. Designed for coaches as well as beginning teachers, *Get Better Faster* is an integral coaching tool for any school leader eager to help their teachers succeed. *Get Better Faster* focuses on what's practical and actionable which makes the book's approach to coaching so effective. By practicing the concrete actions and micro-skills listed in *Get Better Faster*, teachers will markedly improve their ability to lead a class, producing a steady chain reaction of future teaching success. Though focused heavily on the first 90 days of teacher development, it's possible to implement this work at any time. Junior and experienced teachers alike can benefit from the guidance of *Get Better Faster* while at the same time closing existing instructional gaps. Featuring valuable and practical online training tools available at <http://www.wiley.com/go/getbetterfaster>, *Get Better Faster* provides agendas, presentation slides, a coach's guide, handouts, planning templates, and 35 video clips of real teachers at work to help other educators

apply the lessons learned in their own classrooms. *Get Better Faster* will teach you: The core principles of coaching: Go Granular; Plan, Practice, Follow Up, Repeat; Make Feedback More Frequent Top action steps to launch a teacher's development in an easy-to-read scope and sequence guide It also walks you through the four phases of skill building: Phase 1 (Pre-Teaching): Dress Rehearsal Phase 2: Instant Immersion Phase 3: Getting into Gear Phase 4: The Power of Discourse Perfect for new educators and those who supervise them, *Get Better Faster* will also earn a place in the libraries of veteran teachers and school administrators seeking a one-stop coaching resource.

Coaching for Equity Elena Aguilar, 2020-07-14 Your Guide to Creating Equitable Schools If we hope to interrupt educational inequities and create schools in which every child thrives, we must open our hearts to purposeful conversation and hone our skills to make those conversations effective. With characteristic honesty and wisdom, Elena Aguilar inspires us to commit to transforming our classrooms, lays bare the hidden obstacles to equity, and helps us see how to overcome these obstacles, one conversation at a time. *Coaching for Equity* is packed with the resources necessary to implement Transformational Coaching in any organization. In addition to an updated coaching framework and corresponding rubrics, a comprehensive set of coaching tools puts success in every coach's hands. Extensive personal narratives demonstrate what coaching for equity looks like and help us see how we can make every conversation count towards building a more just and equitable world. *Coaching for Equity* covers critical topics in the larger conversation about racial equity, and helps readers develop the knowledge, dispositions and skills to be able to: Talk productively about race, Build trust to support vulnerability, Unpack mental models and

change someone's mind, Observe classrooms and collect data to support equitable outcomes, Inspire others and deepen commitment, Evaluate and celebrate growth. Perfect for teachers, teacher leaders, coaches and administrators, Coaching for Equity offers extensive strategies for talking about race, power, and systems of oppression. In framing the rationale for transformational conversations, Coaching for Equity gives us the context we need to enter into this work. In laying out the strategies, tools and models for critical conversations, it gives us the way forward. Comprehensive, concrete, and deeply human, Coaching for Equity is the guide for those who choose to accept responsibility for interrupting inequities in schools. It is for all educators who know there is a better way.

If I Die in a Combat Zone Tim O'Brien, 2011-08-24 A classic from the New York Times bestselling author of *The Things They Carried* One of the best, most disturbing, and most powerful books about the shame that was / is Vietnam. —Minneapolis Star and Tribune Before writing his award-winning *Going After Cacciato*, Tim O'Brien gave us this intensely personal account of his year as a foot soldier in Vietnam. The author takes us with him to experience combat from behind an infantryman's rifle, to walk the minefields of My Lai, to crawl into the ghostly tunnels, and to explore the ambiguities of manhood and morality in a war gone terribly wrong. Beautifully written and searingly heartfelt, *If I Die in a Combat Zone* is a masterwork of its genre. Now with Extra Libris material, including a reader's guide and bonus content.

Engine of Inequality Karen Petrou, 2021-03-03 The first book to reveal how the Federal Reserve holds the key to making us more economically equal, written by an author with unparalleled expertise in the

real world of financial policy Following the 2008 financial crisis, the Federal Reserve's monetary policy placed much greater focus on stabilizing the market than on helping struggling Americans. As a result, the richest Americans got a lot richer while the middle class shrank and economic and wealth inequality skyrocketed. In *Engine of Inequality*, Karen Petrou offers pragmatic solutions for creating more inclusive monetary policy and equality-enhancing financial regulation as quickly and painlessly as possible. Karen Petrou is a leading financial-policy analyst and consultant with unrivaled knowledge of what drives the decisions of federal officials and how big banks respond to financial policy in the real world. Instead of proposing legislation that would never pass Congress, the author provides an insider's look at politically plausible, high-impact financial policy fixes that will radically shift the equality balance. Offering an innovative, powerful, and highly practical solution for immediately turning around the enormous nationwide problem of economic inequality, this groundbreaking book: Presents practical ways America can and should tackle economic inequality with fast-acting results Provides revealing examples of exactly how bad economic inequality in America has become no matter how hard we all work Demonstrates that increasing inequality is disastrous for long-term economic growth, political action, and even personal happiness Explains why your bank's interest rates are still only a fraction of what they were even though the rich are getting richer than ever, faster than ever Reveals the dangers of FinTech and BigTech companies taking over banking Shows how Facebook wants to control even the dollars in your wallet Discusses who shares the blame for our economic inequality, including the Fed, regulators, Congress, and even economists *Engine of Inequality: The Fed and the Future of Wealth in America* should be required

reading for leaders, policymakers, regulators, media professionals, and all Americans wanting to ensure that the nation's financial policy will be a force for promoting economic equality.
