7 Steps to Hiring Great Drivers Chris Harris,2016-10-17 Your problem is drivers! They are constantly late for deliveries and getting into trouble at the scales. Their tardiness causes your customer service issues. Your dispatchers are fed up dealing with the new deliveries times and all the problems that it causes with clients and shippers. Your drivers and their scale troubles are causing your safety scores to skyrocket.All of this causes you great frustration. It hurts that your dispatchers are unhappy. You suffer when some of your good drivers are threatening to leave.Disrespected, that is how you feel because of your poor driver's treatment.Fix it! Take pride in your company again. Here is how.7 Steps To Hiring Great Drivers is a guide to hiring the right driver for your company. It is a book and guide about how to get the necessary information to make an informed hiring decision.

The Unknown Art of Driving Lawrence Ribeiro,2013-03 Did you ever get the urge to push your limits? This book offers a new perspective on driving, which up to this point has never been known.

Your awareness and skills will improve with each chapter so that you can handle ANY situation or driving environment, with ease. - What's the difference between Stunt, Rally Driving and Precision driving? - What is the best way to deal with police or the courts? - How to improve your night driving? - What is the difference between Ethics and Law? - How to remedy your fear about going fast? - How to assess roads, terrains, tracks, etc. so as to increase your speed? - What is the Cannonball drill and how it can improve your driving skill? - How to choose or create the right vehicle for your needs? - What to watch out for in any city, locale or country? - Why the U.S. doesn't make the best drivers? - Why it's important to trust your senses and develop your perceptions? - How to get in communication with your vehicle? - Learn about the Champagne slalom: A drill created by a three-time Formula 1 champion that takes your driving skill to a whole new level! This is a practical guide to increase your awareness and your abilities as a driver. It doesn't matter if you are 18 or 80 you will benefit from this book. The son of a European rally driver, Lawrence Ribeiro has driven in blizzards, jungle, the desert, and other hostile environments, where evading pursuit was a very real and necessary skill. Lawrence

discovered that there are common denominators in each of these scenarios and environments. Whether your drive is a daily commute to work, you drive professionally, or you require the total concentration and skill of a racer, the information and practical exercises in this book will increase your ability as a driver to a whole new level. Are you ready to enter the unknown?
