Tim Hwang

Subprime Attention Crisis Tim Hwang, 2020-10-13 From FSGO x Logic: a revealing examination of digital advertising and the internet's precarious foundation In Subprime Attention Crisis, Tim Hwang investigates the way big tech financializes attention. In the process, he shows us how digital advertising—the beating heart of the internet—is at risk of collapsing, and that its potential demise bears an uncanny resemblance to the housing crisis of 2008. From the unreliability of advertising numbers and the unregulated automation of advertising bidding wars, to the simple fact that online ads mostly fail to work, Hwang demonstrates that while consumers' attention has never been more prized, the true value of that attention itself—much like subprime mortgages—is wildly misrepresented. And if online advertising goes belly-up, the internet—and its free services—will suddenly be accessible only to those who can afford it. Deeply researched, convincing, and alarming, Subprime Attention Crisis will change the way you look at the internet, and its precarious future. FSG Originals x Logic dissects the way technology functions in everyday lives. The titans of Silicon Valley, for all their utopian imaginings, never really had our best interests at heart: recent threats to democracy, truth, privacy, and safety, as a result of tech's reckless pursuit of progress, have shown as much. We present an alternate story, one that delights in capturing technology in all its contradictions and innovation, across borders and socioeconomic divisions, from history through the future, beyond platitudes and PR hype, and past doom and gloom. Our collaboration features four brief but provocative forays into the tech industry's many worlds, and aspires to incite fresh conversations about technology focused on nuanced and accessible explorations of the emerging tools that reorganize and redefine life today.

Binocular Vision and Ocular Motility Gunter K. Von Noorden, 1990

Sheets: Collector's Edition Brenna Thummler, 2021-09-28 The brand-new deluxe hardcover collector's edition of *Sheets* features never-before-seen content from the beloved graphic novel from Brenna Thummler. For Marjorie Glatt, being thirteen years old isn't quite the same as it is for everyone else. Responsible for running her family's laundromat while trying to survive middle school, Marjorie's daily struggles include persnickety customers, snippy classmates, agonizing swim lessons, and laundry... always, always laundry. Wendell is a bit different, too. Wendell is a ghost. His daily struggles include Dead Youth support groups and unavoidable stains. But when he escapes from the Land of Ghosts and bumbles into Marjorie's laundromat--the perfect ghost playground--his attempts at fun and friendship begin to harm the family business. *Sheets* is a powerful story about a young girl's perseverance, even when all the odds are stacked against her. It shows that forgiveness and second chances can result in unlikely friendships. Above all, it is an invitation into an unusual, haunted laundromat that brings family, friends, and--yes--sheets to life.

History of Japanese Art Penelope E. Mason, Donald Dinwiddie, 2005 Japanese art, like so many expressions of Japanese culture, is fascinatingly rich in its contrasts and paradoxes. Since the country opened its doors to the outside world in the mid-nineteenth century, Japanese art and culture have enjoyed an immense popularity in the West. When in 1993 renowned scholar Penelope Mason wrote the first edition of *History of Japanese Art*, it was the first such volume in thirty years to chart a detailed overview of the subject. It remains the only comprehensive survey of its kind in English. This second edition ties together more closely the development of all the media within a well-articulated historical and social context. New to the Second Edition Extended coverage of Japanese art beyond 1945 New discoveries both in archeology and scholarship New material on calligraphy, ceramics, lacquerware, metalware, and textiles An extended glossary A comprehensively updated bibliography

94 new illustrations

Making Movies Sidney Lumet, 2010-09-01 Why does a director choose a particular script? What must they do in order to keep actors fresh and truthful through take after take of a single scene? How do you stage a shootout—involving more than one hundred extras and three colliding taxis—in the heart of New York’s diamond district? What does it take to keep the studio honchos happy? From the first rehearsal to the final screening, *Making Movies* is a master’s take, delivered with clarity, candor, and a wealth of anecdote. For in this book, Sidney Lumet, one of our most consistently acclaimed directors, gives us both a professional memoir and a definitive guide to the art, craft, and business of the motion picture. Drawing on forty years of experience on movies that range from *Long Day’s Journey into Night* to *Network* and *The Verdict*—and with such stars as Katharine Hepburn, Paul Newman, Marlon Brando, and Al Pacino—Lumet explains how painstaking labor and inspired split-second decisions can result in two hours of screen magic.

Facts and Speculations on the Origin and History of Playing Cards William Andrew Chatto, 1848

Ultramarathon Man Dean Karnazes, 2017-04-20 Ultrarunning legend Dean Karnazes has run 262 miles - the equivalent of ten marathons - without rest. He has run over mountains, across Death Valley, to the South Pole, and is probably the first person to eat an entire pizza while running. With an insight, candour and humour rarely seen in sports memoirs, *Ultramarathon Man* has inspired tens of thousands of people - nonrunners and runners alike - to push themselves beyond their comfort zones and simply get out there and run. *Ultramarathon Man* answers the questions Karnazes is continually asked: - Why do you do it? - How do you do it? - Are you insane? and the follow-up queries: - What, exactly, do you eat? - How do you train to stay in such good shape?

A Woman in Berlin , 2006-07-11 For eight weeks in 1945, as Berlin fell to the Russian army, a

young woman kept a daily record of life in her apartment building and among its residents. She tells of the shameful indignities to which women in a conquered city are always subject.

Unmasking the Face Paul Ekman, Wallace V. Friesen, 2003 Filled with breakthrough research, the book explains how to identify the facial expression of basic emotions and how to tell when people try to mask, simulate or neutralize their expression. Features practical exercises to help build skills.

Do the Work Gary John Bishop, 2019-10-22 Based on the New York Times bestseller *Unfu*k Yourself* comes an all new book of prompts, questions, and exercises, giving you the tools to intentionally commit to finally unfu*king your life. In *Unfu*k Yourself*, Gary John Bishop inspired people to put his words into action to transform their fu*king lives. Through seven paradigm shifting assertions such as: “I am wired to win,” “I embrace the uncertainty” and “I expect nothing and accept everything,” Bishop helped millions of readers to move past their self-imposed limitations. Still, Bishop knows it’s hard to go from reading the book, feeling inspired, and then actually doing the necessary work. That’s where *Do the Work* comes in: it’s the kick in the ass you need to get moving and create the life you want. The workbook drills down into three categories — self, people, and purpose — to help you identify and remedy the challenges that frustrate and often cripple us. Filled with entirely new material, including personalized prompts and exercises with ample lined space to journal and process, *Do the Work* expands the lessons in *Unfu*k Yourself*, giving you the tools to intentionally commit to taking on your life. “This is a personal workshop for your brain, a legit resource where you can work your life out, what matters to you, what’s going to make the biggest difference and empower you to act in ways that make some palpable change to the direction your life is currently taking.” The truth will set you free, right? So what are you waiting for?

Outer Order, Inner Calm Gretchen Rubin, 2019-03-05 NEW YORK TIMES BESTSELLER • In this

lovely, easy-to-use illustrated guide to decluttering, the beloved author of *The Happiness Project* shows us how to take control of our stuff—and, by extension, our lives. Gretchen Rubin knows firsthand that creating order can make our lives happier, healthier, more productive, and more creative. But for most of us, a rigid, one-size-fits-all solution doesn't work. When we tailor our approach to suit our own particular challenges and habits, we can find inner calm. With a sense of fun, and a clear idea of what's realistic for most people, Rubin suggests dozens of manageable tips and tricks for creating a more serene, orderly environment, including:

- Never label anything “miscellaneous.”
- Ask yourself, “Do I need more than one?”
- Don't aim for minimalism.
- Remember: If you can't retrieve it, you won't use it.
- Stay current with a child's interests.
- Beware the urge to “procrasticlear.”

By getting rid of things we don't use, don't need, or don't love, we free our minds (and our shelves) for what we truly value.

Pamela Colman Smith Commemorative Set Stuart Kaplan, Pamela Coleman Smith, 2009-05-15
This set includes two books, *The Artwork & Times of Pamela Coleman Smith*, *The Pictorial Guide to the Tarot* and the Smith-Waite Centennial Edition Tarot Deck

Intermediate Spoken Chinese Practice Essentials Cornelius C. Kubler, Yang Wang, 2016-04-05
Learning to speak Chinese requires many hours of practice—there's just no way around it! But by using this one-of-a-kind practice guide, together with whatever Chinese language-learning book or program you're using, you can dramatically improve your ability to speak and comprehend Mandarin Chinese. This book presents a wealth of tested and proven practice activities—including approximately 16 hours of downloadable audio recordings and over 200 pages of drills and exercises—to help you polish your spoken Chinese to a solid intermediate level. It can be used successfully with any intermediate-level Chinese language learning book, such as *Intermediate*

Spoken Chinese, and enables you to easily move from beginning to intermediate level proficiency in the language. Intermediate Spoken Chinese Practice Essentials includes hundreds of activities that have been carefully designed to perfect and reinforce each aspect of your Chinese speaking and comprehension ability: Pronunciation exercises. Vocabulary and grammar summaries. Substitution drills. Transformation and response drills. Role play and listening comprehension exercises. Dictation exercises. Translation exercises. The downloadable audio contains: 16 hours of audio by native Mandarin speakers. Printable practice pages. Printable exercises and activities. Together with or after this book, you can use Intermediate Written Chinese and Intermediate Written Chinese Practice Essentials if you want to learn Chinese reading and writing. It introduces the highest-frequency characters and words in a systematic way. About the Series Respected Chinese language expert Dr. Cornelius Kubler, who has taught diplomats, business people and students, presents a learning system that uses separate but integrated tracks to help you efficiently master the basics of spoken and written Chinese. The materials in the Basic Chinese series allow you to move from complete beginner level to intermediate fluency.

Traditional Korean Philosophy Youngsun Back, Philip J. Ivanhoe, 2016-11-08 With contributions by some of the best and most significant contemporary Korean philosophers, this important volume provides an overview of the different debates, problems, figures and periods that make up traditional Korean Buddhist and Confucian thought. The book highlights the richness and diversity of Korean philosophy as a vital and ongoing philosophical endeavour.

The Return Ford Lytle Gilmore, 2004 Based on the hit animated series from the 1980's, THUNDERCATS: THE RETURN is a hard-hitting, action-packed adventure of redemption and rebirth. Five years after disappearing into the magical Book of Omens, Lion-O has returned to Thundera to

find the ThunderCats enslaved and Mumm-Ra in control of his realm. With his people broken and defeated, it looks like all hope is lost. But refusing to succumb to the tyranny of his greatest nemesis, Lion-O, joined by his former compatriots, Panthro, Tygra, Cheetara, WilyKit, and WilyKat, mounts one final assault against the pure evil that is Mumm-Ra.

Playback Raymond Chandler, 2013-04-23 More than a year after the events of *The Long Goodbye*, hard-boiled private detective Philip Marlowe is hired by an unknown client to tail Eleanor King, a beautiful red-head. Tracking her to the resort town of Esmeralda, Marlowe must unravel the truth about Eleanor and his mysterious client before it is too late. *Playback* was Raymond Chandler's final novel and was published one year before his death. Since he first appeared in Chandler's *The Big Sleep* in 1939, Philip Marlowe has come to define our idea of the private investigator. Many of Chandler's short stories and novels featuring the Marlowe character were adapted for film and radio (including 1946 film *The Big Sleep*, starring Humphrey Bogart), and in 1983, the Marlowe character and many of Chandler's short stories were used as the inspiration for the television series *Philip Marlowe, Private Eye*. The Philip Marlowe character's popularity was such that Chandler even re-released many of his early short stories, changing the names of the various protagonists to Philip Marlowe. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

The Well of Loneliness Radclyffe Hall, 2015-04-23 This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was

born on 12th August 1880, in Bournemouth, England. Hall's first novel *The Unlit Lamp* (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy *The Forge* (1924), which made the best-seller list of John O'London's Weekly. Hall is a key figure in lesbian literature for her novel *The Well of Loneliness* (1928). This is her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen Gordon.

Vector Robin Cook, 2000-08-01 New York cab driver Yuri Davydov is a disgruntled Russian immigrant ready to lash out at his adoptive nation, which he believes has denied him the American Dream. As a former technician in the Soviet Union's biological weapons system, Yuri knows how to wreak havoc in his new home. But before he executes his masterpiece of vengeance, he experiments first on selected targets. Dr Jack Stapleton begins to witness some unusual cases in his capacity as forensic pathologist in the City medical examiner's office. A Greek immigrant apparently succumbs to sudden overwhelming pneumonia, while an obese Afro-American woman collapses with acute respiratory distress. When an unexpected coincidence suggest to Jack that these seemingly unrelated deaths are actually connected murders, his colleagues and superiors remain sceptical. Meanwhile he is taking himself deeper into deadly danger - but can he reach the heart of the puzzle before Davydov and his associates unleash into the streets of New York the ultimate terror: a modern bio-weapon?

Games of Rome Kenwood, 2017-03-17 SECOND PLACE WINNER in the 2016 Rainbow Awards, Gay Historical!! In this sequel to *Dominus*, Gaius Fabius Rufus, the victorious general of Rome's brutal Dacian Wars, finds his loyalties and his affections pulled in different directions. Should he return to Rome and secure his claim to the imperial throne, or remain at his seaside villa and protect his

pleasure slave, the fierce Dacian prince, Allerix? Retaliation for the murder of his beloved friend beckons him home, but his desire for justice could put both him and Allerix in mortal danger. As Gaius's deceptions multiply, another tragedy strikes. Will the Lion of the Lucky IV Legion be forced to sacrifice his besotted heart to achieve his aspirations for supreme power? Every moment since Allerix's violent capture has tested the young prince's fortitude and cunning. If he can kill the triumphant emperor who decimated his Dacian nation, revenge and immortality will be his glorious, everlasting rewards. But to realize his scheme for vengeance, he must deceive the Roman master whose body he lusts, the handsome, arrogant man whom he has grown to adore and admire. Can two former enemies—the conqueror and the conquered—find trust and true love, or are the consequences of war destined to tear them apart? Can Gaius and Allerix survive the perilous games of Rome? Dominus is a plot-packed erotic m/m fantasy set in ancient Rome during the reign of Emperor Trajan (AD 98-117). Games of Rome is the second book in this alternative history saga—a tumultuous journey of forbidden love, humor, sex, friendship, political intrigue, deception, and murder.

Birthday Meredith Russo, 2019-05-21 “Lovers who surmount the odds have always been intense emotional fodder, but rarely have we seen a story like Birthday...true and raw, haunting and undeniable.” —The New York Times Book Review Two best friends. A shared birthday. Six years... ERIC: There was the day we were born. There was the minute Morgan and I decided we were best friends for life. The years where we stuck by each other's side—as Morgan's mom died, as he moved across town, as I joined the football team, as my parents started fighting. But sometimes I worry that Morgan and I won't be best friends forever. That there'll be a day, a minute, a second, where it all falls apart and there's no turning back the clock. MORGAN: I know that every birthday should feel like a new beginning, but I'm trapped in this mixed-up body, in this wrong life, in Nowheresville,

Tennessee, on repeat. With a dad who cares about his football team more than me, a mom I miss more than anything, and a best friend who can never know my biggest secret. Maybe one day I'll be ready to become the person I am inside. To become her. To tell the world. To tell Eric. But when? Six years of birthdays reveal Eric and Morgan's destiny as they come together, drift apart, fall in love, and discover who they're meant to be—and if they're meant to be together. From the award-winning author of *If I Was Your Girl*, Meredith Russo, comes a heart-wrenching and universal story of identity, first love, and fate. "Beautifully written, *Birthday* is an altogether singular contribution to the gradually growing body of transgender literature and, indeed, to mainstream literature, as well."
