How to Pass OSCP Series: Windows Privilege Escalation Step-By-Step Guide Alan Wang, 2020-11-13

This book is the first of a series of How To Pass OSCP books and focus on techniques used in Windows Privilege Escalation. This is a step-by-step guide that walks you through the whole process of how to escalate privilege in Windows environment using many common techniques. We start by gathering as much information about the target as possible either manually or using automated scripts. Next, we search for misconfigured services or scheduled tasks, insufficient file permission on binaries or services, vulnerable kernel, vulnerable software running with high privileges, sensitive information stored on local files, credential saved in the memory, registry settings that always elevate privileges before executing a binary, hard-coded credential contained in the application configuration files, and many more.

Table of Contents

Introduction

Section One: Windows Configuration

Chapter 1: AlwaysInstallElevated

Section Two: Domain Controller

Chapter 2: Zerologon

Section Three: Windows Service

Chapter 3: Service - Insecure File Permission

Chapter 4: Service - Unquoted Path

Chapter 5: Service - Bin Path

Chapter 6: Service - Registry

Chapter 7: Service - DLL Hijacking

Section Four: Scheduled Tasks

Chapter 8: Scheduled Tasks

Section Five: Windows Registry

Chapter 9: Autorun

Chapter 10: Startup Applications

Section Six: Windows Kernel

Chapter 11: Kernel - EternalBlue

Chapter 12: Kernel - MS15-051

Chapter 13: Kernel - MS14-058

Section Seven: Potato Exploits

Chapter 14: Juicy

Potato Chapter 15: Rogue Potato Section Eight:
Password Mining Chapter 16: Password Mining -
Memory Chapter 17: Password Mining - Registry
Chapter 18: Password Mining - SiteList Chapter 19:
Password Mining - Unattended Chapter 20: Password
Mining - Web.config Section Nine: UAC Bypass

The U-boat hunters James B. Connolly,2022-11-21
The U-boat Hunters refers the readers to the times
of WWI. It was written by a reporter then on
assignment for Collier Magazine to cover US Naval
operations opposing the German U-boat threat. The
author managed to create a mixture of narrative
description and firsthand tales of life in the
merchant marine. It is an interesting and
informative insight into the lives of marine
soldiers.

Ecology, Planning and Design Irina Koleva
Koleva,2017

Health Expectations for Older Women Sarah B.
Laditka,2014-06-11 Explore international trends in
health and longevity--with a special focus on
older women! This essential book examines the
latest research on life expectancy and "active
life expectancy"--the number of years that women
can expect to live free from major disability--in
developed and developing countries around the
world. It also explores the policy implications of
the contributors' findings. Here you'll find a

global study using data from the World Health Organization, a European study using data from OECD countries, and studies of women in the United Kingdom, Fiji, The Netherlands, Japan, Canada, and the United States. With contributions from demographers, economists, epidemiologists, gerontologists, medical statisticians, policy analysts, physicians, public health directors, and sociologists, *International Perspectives on Health Expectancies for Older Women* compares mortality and morbidity trends in various populations. In addition to reviewing the current literature on active life expectancy, this informative book looks at: the distribution of total, unimpaired, and impaired life for several groups of older women defined by race, education, and marital history gender differences in health profiles in The Netherlands gender differences in life with and without six major diseases, including both morbid and mortal conditions in the United States how mortality and morbidity patterns differ for Canadian women and men 45 years of age and older, focusing on risk factors and chronic conditions such as low income, low education, abnormal body mass index, lack of physical activity, smoking, cancer, diabetes, and arthritis patterns of healthy life expectancy for older women around the globe a comparison of the development and progression of physical disability in Japanese men and women and more!

101 Life Skills Games for Children Bernie Badegruber, 2011-01-01 How do you teach tolerance, self-awareness, and responsibility? How can you help children deal with fear, mistrust, or

aggression? Play a game with them! Games are an ideal way to help children develop social and emotional skills; they are exciting, relaxing, and fun. 101 LIFE SKILLS GAMES FOR CHILDREN: LEARNING, GROWING, GETTING ALONG (Ages 6-12) is a resource that can help children understand and deal with problems that arise in daily interactions with other children and adults. These games help children develop social and emotional skills and enhance self-awareness. The games address the following issues: dependence, aggression, fear, resentment, disability, accusations, boasting, honesty, flexibility, patience, secrets, conscience, inhibitions, stereotypes, noise, lying, performance, closeness, weaknesses, self confidence, fun, reassurance, love, respect, integrating a new classmate, group conflict. Organized in three main chapters: (I-Games, You-Games and We-Games), the book is well structured and easily accessible. It specifies an objective for every game, gives step-by-step instructions, and offers questions for reflection. It provides possible variations for each game, examples, tips, and ideas for role plays. Each game contains references to appropriate follow-up games and is illustrated with charming drawings.

The Gothic History of Jordanes in English
Version Jordanes, 1915

Elephant Complex John Gimlette, 2016-02-16 No one sees the world quite like John Gimlette. As The New York Times once noted, "he writes with enormous wit, indignation, and a heightened sense of the absurd." Writing for both the adventurer and the armchair traveler, he has an eye for

unusually telling detail, a sense of wonder, and compelling curiosity for the inside story. This time, he travels to Sri Lanka, a country only now emerging from twenty-six years of civil war. Delving deep into the nation's story, Gimlette provides us with an astonishing, multifaceted portrait of the island today. His travels reveal the country as never before. Beginning in the exuberant capital, Colombo ("a hint of anarchy everywhere"), he ventures out in all directions: to the dry zones where the island's 5,800 wild elephants congregate around ancient reservoirs; through cinnamon country with its Portuguese forts; to the "Bible Belt" of Buddhism—the tsunami-ravaged southeast coast; then up into the great green highlands ("the garden in the sky") and Kandy, the country's eccentric, aristocratic Shangri-la. Along the way, a wild and often desperate history takes shape, a tale of great colonies (Arab, Portuguese, British, and Dutch) and of the cultural divisions that still divide this society. Before long, we're in Jaffna and the Vanni, crucibles of the recent conflict. These areas—the hottest, driest, and least hospitable—have been utterly devastated by war and are only now struggling to their feet. But this is also a story of friendship and remarkable encounters. In the course of his journey, Gimlette meets farmers, war heroes, ancient tribesmen, world-class cricketers, terrorists, a former president, old planters, survivors of great massacres—and perhaps some of their perpetrators. That's to say nothing of the island's beguiling fauna: elephants, crocodiles, snakes, storks, and

the greatest concentration of leopards on Earth. Here is a land of extravagant beauty and profound devastation, of ingenuity and catastrophe, possessed of both a volatile past and an uncertain future—a place capable of being at once heavenly and hellish—all brought to vibrant, fascinating life here on the page.

Duty and Desire Book Club Edition Anju

Gattani,2021-01-27 To uphold family honor and tradition, Sheetal Prasad is forced to forsake the man she loves and marry playboy millionaire Rakesh Dhanraj while the citizens of Raigun, India, watch in envy. On her wedding night, however, Sheetal quickly learns that the stranger she married is as cold as the marble floors of the Dhanraj mansion. Forced to smile at family members and cameras and pretend there's nothing wrong with her marriage, Sheetal begins to discover that the family she married into harbors secrets, lies and deceptions powerful enough to tear apart her world. With no one to rely on and no escape, Sheetal must ally with her husband in an attempt to protect her infant son from the tyranny of his family.sion.

What Freedom Means to Me ,2004 General Jones teaches Claire and Robbie that with freedom comes responsibility.

Make Projects: Small Form Factor PCs Matthew Weaver,Duane Wessels,2008 This book demonstrates how to build small form factor PCs from kits and from scratch. It includes step-by-step instructions for building eight different systems and projects for building digital audio jukeboxes, digital video recorders, wi-fi extenders, and more.

Emulation of hardware devices in a pre-boot environment,

Noisy Boats Priddy Books Staff, 2010 BOARD BOOK. Pages feature bright illustrations of favourite tractors and trains, with simple text to listen to or read. Each book has an integral sound button for little fingers to press, so that children can hear sounds like the tractor's engine or the train's whistle. Encourage speaking skills, help to develop hand-eye coordination and build early vocabulary.

Red Hat Fedora Core 6 Unleashed Andrew Hudson, Paul Hudson, 2007 Continuing with the tradition of offering the most comprehensive coverage of Red Hat Linux on the market, Fedora Core 6 Unleashed includes new and additional material based on the latest release of Red Hat's Fedora Core Linux distribution. Incorporating an advanced approach to presenting information about Fedora, the book aims to provide the best and latest information that intermediate to advanced Linux users need to know about installation, configuration, system administration, server operations, and security. Fedora Core 6 Unleashed thoroughly covers all of Fedora's software packages, including up-to-date material on new applications, Web development, peripherals, and programming languages. It also includes updated discussion of the architecture of the Linux kernel, USB, KDE, GNOME, Broadband access issues, routing, gateways, firewalls, disk tuning, GCC, Perl, Python, printing services (CUPS), wireless support, international support (Unicode 5.0 support), Java programs support (Eclipse), and

security.

The Rough Guide to Sri Lanka Gavin Thomas, 2012
The Rough Guide to Sri Lanka is the most comprehensive and user-friendly travellers' guide to this fascinating country. Each chapter of the Rough Guide includes thoroughly researched travel information, hotel and restaurant listings, sections on everything from food and language to media and sport, and thoughtful background on the environment, politics, culture, music and history. The new stunning full-colour design combines glorious images to whet your appetite with a practical layout and dozens of accessible and accurate maps to guide you from the urban centres to the jungle, beaches and mountains. This is the time to discover Sri Lanka - the Rough Guide is your perfect companion. Make the most of your time with The Rough Guide to Sri Lanka.

Know Your Enemy HoneyNet Project, 2004 A guide to computer security discusses how the blackhat community uses the Internet for destructive purposes and provides information on how to learn from a blackhat attack to protect computer networks.

Hardware overlay assignment ,

The Blonde Geisha Jina Bacarr, 2014-08-01 The early summer of 1892 brought a heavy rainy season that year in Japan. Plum Rain, the Japanese called it, because it comes when the fruit bulges with ripeness and promise. Like a young girl reaching womanhood. A girl like me. In the ancient Japanese tradition of beauty and grace, sex and erotic fantasies are hidden secrets that only a select few may learn, and which are forbidden to

foreigners. But when a threat to her father's life puts her own in jeopardy, young Kathlene Mallory is sent to live in safety at the Tea House of the Look-Back Tree, where she is allowed to glimpse inside the sensual world of the geisha. During the years of her training in the art of pleasuring men, Kathlene's desires are awakened by the promise of unending physical delights, and she eagerly prepares for the final ritual that will fulfill her dream of becoming a geisha – the selling of her virginity. The man willing to pay for such an honor, Baron Tonda, is not the man for whom Kathlene carries a secret longing, but he is the man who will bring ruin to the teahouse, and danger to Kathlene, if he is disappointed....

SCJP Sun Certified Programmer for Java 5 Study Guide (Exam 310-055) Kathy Sierra, Bert Bates, 2006-01-08 Get the book that shows you not only what to study, but how to study. The only classroom-based integrated study system for professional certification gives you complete coverage of all objectives for the Sun Certified Programmer for Java 5 exam, hundreds of practice exam questions, and hands-on exercises. The CD-ROM features full practice exam software plus an adaptive test engine.
