Jocelyne Cesari

Encyclopedia of Islam in the United States [2 Volumes] Jocelyne Cesari,2007-09-30 Some scholars believe that the influence of Islam in the United States can be traced back to Thomas Jefferson. Today, Islam and American Muslim populations are growing in importance in this country, and demand for information about them is high, especially in the aftermath of September 11, 2001. This A-to-Z encyclopedia will help students and other readers get a fast grip on pertinent holidays, terms, beliefs, practices, notables, and sects of the Islamic faith and Muslim practitioners in the United States. The accompanying primary documents volume provides 93 crucial articles, speeches, essays, poems, songs, and more to flesh out the encyclopedia entries. This encyclopedia and primary documents set, the first on the topic and for the general reader, is a must-have for every library. The primary focus is contemporary but the entries are historically contextualized, so the fuller picture of origins outside the country and practice now in the United States is clear. Further reading suggestions accompany each entry. The primary documents volume enhances the encyclopedic entries with annotated selections such as an article from an entry on a leading Muslim American magazine or an essay by a Muslim American scholar to illuminate an entry on her. This will be a boon for students doing reports on Islam and for non-Muslims looking to learn about Muslims in an objective, broad way. It is clearly and authoritatively written and compiled by a host of scholars, primarily from Harvard University's Center for Middle Eastern Studies. An introduction, chronology, selected bibliography, set index, and photos round out the set. Sample entries: African Americans; Bush, George W.; Calendar; Dietary Rules; Dress; Gulf War; Hate Crimes; Iranian Hostage Crisis; Media Coverage; The Message International Magazine; Mosques; Music; Muslim Students Association; Nation of Islam; Native Americans; New York City; Poetry; Prisons; Shi'a Communities; Sufism; World Trade Center; Young Professionals. Sample documents: Salah Al-Sawy, The Assembly of Muslim Jurists in America Fatwa Against the Danish Media and Government over the Cartoon Crisis, from The Assembly of Muslim Jurists in America; Michael Wolfe, Michael Wolfe, United States, 1990, from One Thousand Roads to Mecca: Ten Centuries of Travelers Writing about the Muslim Pilgrimage; Waris and Wajid Syed, Top 10 Muslim Hip-Hop Lyrics, from Warbux Records, beliefnet.com

Thank you very much for reading **News1359 Check Out Microsofts Store Download Some Your Favorite Apps.jpg**.
