Aunty's House Romicha Cooper, 2021-06-14 Aunty's House is a playful tale of a young girl visiting her aunty's house, playing and roughhousing with her cousins who she enjoys so much. This book is perfect for any school aged child who shares a love for family and especially AUNTY! Reading this book rather young or old will put a grin on your face as you also imagine your own experiences growing up being playful, innocent, and feeling loved.

Trust No Aunty Maria Qamar, 2017-08 Based on her popular Instagram @Hatecopy and her experience in a South Asian immigrant family, artist Maria Qamar has created a humorous, illustrated "survival guide" to deal with overbearing "Aunties," whether they're family members, annoying neighbors, or just some random ladies throwing black magic your way. We've all experienced interference from our Aunties—they are at family parties and friendly get-togethers, finding ways to make your life difficult, trying to get you to marry their sons, and telling you to lose weight while simultaneously feeding you a second dinner—and it has stunted our social growth and embarrassed us in front of our friends and cool cousins for years. This tongue-in-cheek guide is full of advice designed to help you manage Aunty meddling and encourages you to pursue your passions—from someone who has been through it all. Qamar confesses to throwing sweatshirts over crop-tops to get out of the house without being questioned, hiding her boyfriend in a closet, and enduring overbearing parents endlessly pressuring her to become a doctor, lawyer, or engineer. Holding onto your cultural identity is tough. Always interfering Aunties make it even harder. But ultimately, Aunties keep our lives interesting. As an Aunty-survivor and a woman who has lived the cross-cultural experience, Qamar defied the advice of her aunties almost every step of the way, and she is here to remind you: Trust No Aunty.

Aunty Mully at Ninety-Six Marcia A Thomas, 2016-12-13 Obedient and humble, Aunty Mully walked off her family farm with no possessions and narrow academic knowledge. A slow and bumpy bus ride took her into busy Kingston, Jamaica, where only limited job opportunities were on offer. Like a warrior seeking a more progressive way to live, she flew across the Atlantic Ocean to Britain. There, she undertook blue-collar duties in the National Health Service (NHS) in order to create her descendants' new beginning. Their obedient duty includes active army service. Facts based events and colourful, post-card style pictures that captured the character of this community.

of Beach Read One of NPR's Best Books of 2021! One of PopSugar's 42 Books Everyone Will Be Talking About in 2021! What happens when you mix 1 (accidental) murder with 2 thousand wedding guests, and then toss in a possible curse on 3 generations of an immigrant Chinese-Indonesian family? You get 4 meddling Asian aunties coming to the rescue! When Meddelin Chan ends up accidentally killing her blind date, her meddlesome mother calls for her even more meddlesome aunties to help get rid of the body. Unfortunately, a dead body proves to be a lot more challenging to dispose of than one might anticipate, especially when it is inadvertently shipped in a cake cooler to the over-the-top billionaire wedding Meddy, her Ma, and aunties are working at an island resort on the California coastline. It's the biggest job yet for the family wedding business—Don't leave your big day to chance, leave it to the Chans!—and nothing, not even an unsavory corpse, will get in the way of her auntie's perfect buttercream flowers. But things go from inconvenient to downright torturous when Meddy's great college love—and biggest heartbreak—makes a surprise appearance amid the wedding chaos. Is it possible to escape murder charges, charm her ex back into her life, and pull off a stunning wedding all in one weekend?

Aunty John M. Francis, 2015-06-26 Excerpt from Aunty Scene: The parlor of a handsomely furnished apartment in a big city. There are two entrances: The L., leading off into apartment; the R., leading into hallway and to front door. Two chairs by table at R. C. on which are lamp with large shade and a vase. Sofa at L. Large pier glass at back C. The room can be more elaborately furnished, of course, according to the stage room. See Scene Plot for stage setting. As curtain goes up Shaw is discovered asleep on sofa. His suit case is in front of the sofa. Enter Harry, L. His head is done up in a towel and he shows the effects of the night before. He goes to chair, R. of table. As he talks he puts his hand to his head. Harry. The morning after. Oh, that morning after. (Groans and sits.) What a fool I was. Ethel's all right but she is strong on the simple life. The rut got tiresome and last night I escaped, lied about work at the office. (Starts to laugh but suddenly puts his hand to his head and groans.) Oh, such a head. Went to the show, met Johnny Burke and we went from place to place. (Laughs and groans.) I can't remember where we went after we left Jake Ryan's. The next thing I knew I found myself in my den on the lounge, all dressed. Guess I must have slept and - oh, this thirst. Thank goodness, there's some water. It's for the flowers I know, but that's nothing. (Picks up vase and drinks.) Ah, (sings to the tune of The Old Oaken Bucket) The Old Silver Vase, The Old Silver Vase, The Old Silver Vase, that stands on the - Ah, (drinks) Um! On Aunty Jonathan Holmes, 2020-03-31 Australia's public broadcaster, 'Aunty', is about to turn 90, yet your ABC has seldom been in this much trouble: budget cuts, ferocious political pressure, sagging staff morale, leadership chaos and hostile commercial rivals. Can it reach a younger audience on new platforms while still satisfying its loyal fans?

Aunty's Place Jackie Pias Carlin, 2014-10-29 Aunty's Place at the end of the road was not just shelter, but also a treasury of memories and secrets. Aunty Lani Anela begins her story with her unique voice that brings the reader back to the 60s, to the quiet coast town of Kihei, Maui-when tall buildings and multitudes of season visitors were practically nonexistent. We attend a graduation, a wedding and a funeral in the local style. We watch the kids grow up, and relate to the adults as they cope with their own maturity. We learn why Asa Kukini turns to his Primo Beer to satiate his passion for his culture, why Koloe runs to his brother for security, and why she leaves her only son with Aunty Lani. We witness the changes that the aunts, uncles and kids adapt to accordingly, either in personal storms or physical ones. This short novel is about place, community, and hearts related through bloodline and otherwise. And are there really such things as ghosts?
