Becca Kali Hart,2020-09-06 Becca I've had it bad for Soren since the first time he and his son came to the bakery. I'm pretty sure I'm even in love with the guy. Pathetic, I know. Everyone in town knows the hottest single dad around doesn't date. He's out of my league anyway. I least, I thought he was. But the night we get locked in the bakery storeroom together, everything changes. Soren's hidden feelings for me are set loose. I just wish I knew what tomorrow was going to bring. Soren I've had a thing for Becca Belmont since the first time I saw her. But I haven't let a woman get close to me in a long time. Ever since Luke's mother ditched us, I don't want my son to get hurt again. I can't risk him getting attached to another woman who leaves. But the night I end up locked in the bakery storeroom with Becca, I can't hold back what I've been secretly feeling for her for months. I can't be certain what daybreak will bring, but I do know one thing: Becca is meant to be mine. *Rescued by Love* is a sweet & steamy instalove series featuring five sisters who own a bakery finding their HEAs with rugged, protective men who secretly have hearts of gold.

Impressing Brett Becca Jameson,2023-11-07 Lacy My childhood was not ideal. My mom died when I was twelve. My father didn't want me. He forced me to grow up before I was ready. And then he tried to coerce me to marry against my will. I had two options; I chose to walk away and never look back. It's been ten years; my father's sudden death means little to me. I don't even care that he cut me out of his will. Except maybe he didn't. Brett I've known Lacy for a long time. I've always been attracted to her, but she's not Little. She's in trouble though. Someone tried to burn down her apartment building. She needs a place to stay. And...I was wrong about her. She might not know what it means yet, but she is Little. She needs protection too. Someone is following her. They'll never get their hands on her because she's mine.

Jasmine Becca Jameson,2024-01-16 She's not my assignment; she's a distraction. But when she goes missing, she becomes my obsession... Nora I've led a sheltered life, hidden from normal society, taught to obey my elders. I had no idea my father's intentions for me were so heinous and vile. I've been yanked away from the only life I've known, sold into slavery, and separated from the only man who ever made me feel like I mattered. My lot in life has been cast. But the man who purchased me has plans I never could have imagined. Plans that shake me to my core. Axel When I went undercover to infiltrate this community, I had a mission: stop the human trafficking, destroy the leaders, and disband the organization. And then I meet Nora. She's the definition of light and goodness. She's an angel living among the wicked. As it turns out, she's also the next victim. The wrath I feel when she disappears has a life of its own. I've accomplished the mission. The community has been destroyed, but the cost was too high. I can't walk away. I won't stop until I find her.

Becca's Place Larry Zimmerman,2022-01-24 Becca's Place is a novel of romance and tragedy involving Wat, a handsome grad student raised on a farm; Dr. Becca Bloom, a childhood friend who loves him dearly; and Priscilla, a beautiful New York City socialite. Wat, while a graduate student in agriculture, has his education interrupted by having to keep the farm running back home after a tragic accident involving his father and sister. In the meantime, he falls off the proverbial horse in his Christian walk and develops a relationship with Priscilla, the beautiful socialite from New York, who arranged a meeting with him only to toy with him. But to her surprise, she found him to be like no other man she has ever met before. Eventually they fall in love and their relationship comes to a head when they go to Michigan overnight together to find Wat an apartment because of his new job there. All the while back home, Becca, who has just started practicing veterinary medicine with her father, is devastated. She learns Wat, the boy, now a man, she has loved all her life and naively thought loved her, loves her only like a sister and is not coming home after earning his PhD. In desperation, she clumsily sets up dates with him when he does come home to help on the farm and tries to become more sexually appealing. But to no avail. The New York City beauty wins out, but with her checkered past beginning to raise its ugly head, there is a twist to the story that launches out for the next twenty years with more tragedy, romance, and victory.

Reviving Trish Becca Jameson,2018-06-26 After ten years, life is giving them a second chance... Tushar will do anything to rekindle his marriage. Keeping his wife safe is his number one priority. Hiding in the Mountains of Montana is their best chance at survival. Trish isn't on the same page. She wants more time with the son she hasn't seen for ten years. She wants her life back. What if it turns out no place is safe? The sparks that brought them together two decades ago are still burning. Neither is willing to take the risk. But second chances should never be squandered.

Shelter Becca Jameson,2022-05-24 There is no safe place in the world anymore, especially for women. For several decades, the birth rate of females has been declining. Militants, the government, and private citizens alike will do anything to find young women and force them into unthinkable arrangements. Against the darkness of this world stand The Wanderers—a secret society born to provide sanctuary for anyone who believes in free will and democratic notions. Their numbers are growing and their citizens live in safe, hidden compounds. Serve and obey your husband. The Republic has drilled this command into Haley for the fourteen years she's lived in a home for girls. Now that she's standing at the altar about to marry an aristocrat she's never met, Haley fears what those words could mean once she's at the mercy of her new husband. Braylon, Riggs, and Storm had always planned to escape The Republic someday. When Braylon meets the sweet, beautiful wife he's expected to rule, he knows he could never harm her, including claiming her innocence. He's not alone—Riggs and Storm are just as enamored with her. When Braylon's mother decides her daughter-in-law hasn't conceived fast enough for her taste, the three must find a way to get Haley to safety. The time to escape is now. Rush was living with The Wanderers for three years when he was kidnapped and taken by The Republic. His new home: a holding cell in the basement of some aristocrats. His new job: father a baby against his will. When Rush meets Braylon and the others, he offers them a way out. Can they trust him? The trip will be long and dangerous, but they will risk it all to protect Haley. The first taste of freedom is the sweetest. There will be challenges along the way. Militants are everywhere just waiting to attack men and capture women for their own. Haley may be surrounded by men who would move mountains to save her, but she's got news for them: if they want to earn her love, they're going to have to stop coddling her and let her fight alongside them.
