**D.C. Jones and Adventure Command International 2** Jim Beard,2021-10-10 ACTION FIGURES ON THE LOOSE! It's 1974, and Adventure Command International is still on the job in hotspots-and cold!-at the four corners of the wide world! After a harrowing year, Adventure Command's members have taken their knocks and licked their wounds, and now stand ready to plunge into a new set of three amazing adventures designed to thrill boys and girls of all ages! Rev up the Mobile Command Vehicle and set up the Flying Recon! Give them both the gas for tales of action and suspense with the team in the frozen Arctic, along Florida's space coast, and up the sides of one of Japan's most active volcanos! D.C. JONES AND ADVENTURE COMMAND 2 features all the characters, equipment, danger, and mystery you loved as a kid-and still crave as an adult!

**Being with Becky** Lisa Binkowski,2014-02-10 No one said a word as we struggled to walk in the blustery cold to the spot where we would gather one more time to be with her. We all stared ahead to the area resting under the large cruci-fix, where we would say goodbye to her for the last time. I

looked at the small, square hole in the frozen ground and started trembling. This would be her final resting place. Choking back tears and gasping to catch my breath, I wondered how a young woman so full of life and goodness could be ripped away from us in such a cruel and horrific manner. How could this have happened? How would we survive? No answers came to me. The only truth was that Becky was dead, and our lives would be forever changed. **BEING WITH BECKY** is based on the true life-sharing experiences of two sisters from Northwest Ohio. The author weaves tales of their times together from early family gatherings to ski trips with friends, revealing the close bond they treasured deeply. When Becky is tragically killed, the author must wrestle with the emotional chaos that sets in and cripples her spirit. In a world that no longer makes any sense, she desperately tries to pick up the pieces of her life and vows to honor the sister who once called her, my hero.

**The Bombay Prince** Sujata Massey, 2021-06-01 Bombay's first female lawyer, Perveen Mistry, is compelled to bring justice to the family of a murdered female Parsi student just as Bombay's streets erupt in riots to protest British colonial rule. Sujata Massey is back with this third installment to the

Agatha and Mary Higgins Clark Award-winning series set in 1920s Bombay. November 1921. Edward VIII, Prince of Wales and future ruler of India, is arriving in Bombay to begin a fourmonth tour. The Indian subcontinent is chafing under British rule, and Bombay solicitor Perveen Mistry isn't surprised when local unrest over the royal arrival spirals into riots. But she's horrified by the death of Freny Cuttingmaster, an eighteen-year-old female Parsi student, who falls from a second-floor gallery just as the prince's grand procession is passing by her college. Freny had come for a legal consultation just days before her death, and what she confided makes Perveen suspicious that her death was not an accident. Feeling guilty for failing to have helped Freny in life, Perveen steps forward to assist Freny's family in the fraught dealings of the coroner's inquest. When Freny's death appears suspicious, Perveen knows she can't rest until she sees justice done. But Bombay is erupting: as armed British secret service march the streets, rioters attack anyone with perceived British connections, and desperate shopkeepers destroy their own wares so they will not be targets of racial violence. Can Perveen help a suffering family when her own is in danger?

Finding Becky Martha Rogers, 2010 Rob Frankston has waited four years for Becky Haynes to come home, but she arrives back in Barton Creek newly graduated from college with an independent spirit that puzzles him. What's more, she is accompanied by Geoff Kensington, a recent acquaintance who is showing more than a passing interest in her. Becky is flattered and taken in by Geoff's attentions, but when strange accidents start happening around the town, Rob becomes suspicious. Believing the old Becky is hidden beneath her facade of newfound independence, he is determined to find and bring her back. Is it just jealousy? Or will he find answers and convince Becky to return to the faith of her childhood before it's too late?--Cover, p. 4.

*Becky* Lenore Hart, 2008-01-08 Becky Thatcher wants to set the record straight. She was never the weeping ninny Mark Twain made her out to be in his famous novel. She knew Samuel Clemens before he was Mark Twain, when he was a wide-eyed dreamer who never could get his facts straight. Yes, she was Tom's childhood sweetheart, but the true story of their love, and the dark secret that tore it apart, never made it into Twain's novel. Now married to Tom's cousin Sid Hopkins, Becky has

children of her own to protect while the men of Missouri are off fighting their un-Civil War. But when tragedy strikes at home, Becky embarks on a phenomenal quest to find her husband and save her family---a life journey that takes her from the Mississippi River's steamboats to Ozark rebel camps, from Nevada's silver mines to the gilded streets of San Francisco. Time and again, stubborn but levelheaded Becky must reconcile her independent spirit and thirst for adventure with the era's narrow notions of marriage and motherhood. As she seeks to find a compromise between fulfillment and security, she also grapples with ghosts of her past. Can she forgive herself, or be forgiven, for the lies she's told to the men she's loved? Will she ever forget the maddening, sweet-talking, irresponsible Tom Sawyer, the boy who stole her heart as a little girl? And when she is old, and Huck and Tom and Twain only memories, whose shadow will still lie beside her?

**No Buts, Becky!** Jose Patterson, 2013-02-14 **No Buts, Becky!** is a period novel set in the East End of London in 1908. It describes the tenement life of a Yiddish-speaking Russian Jewish family who, like many others, escaped to England from the widespread killing of innocent Jews, known as

pogroms. The heroine, eleven-year-old Becky, and her young brother Yossie, live with their widowed father, Jacob Feldman, and their elderly grandmother Bubbe. Becky is shocked to discover that, following the custom of the time, her father has hired a matchmaker to find him a new wife. Becky takes an instant dislike to Mrs Haffner – the prospective ‘new mother’ – and is determined at all costs to prevent the match from taking place. She concocts several reckless and often hilariously brilliant schemes in order to wreck her father’s marriage plans. At the end of each chapter, Becky confides the secrets of her heart in imaginary letters to her late mother. No Buts, Becky! is an amusing and heartwarming work of historical children’s fiction that will appeal to children aged 9-11. José explores a subject not often documented – the way of life and cultural traditions of hard-working poor Russian Jewish refugees who escaped to London 150 years ago – in a delightful way. Becky Feldman is a feisty, rebellious young heroine who many girls will be able to relate to.

The Truth of Right Now Kara Lee Corthron, 2017-01-03 A heart-wrenching debut novel about relationships in its many forms--families, friendships, romance--and how Lily and Dari, coming from

different backgrounds and different worlds, strive to find a connection through their differences as they fight against their own individual pasts--

Becky and Her Friends Rolando Hinojosa,1989-04-30 *Becky and Her Friends*, by Rolando Hinojosa, is the latest novel in Hinojosa's Klail City Death Trip series which follows generations of Anglos and Mexicans in the fictional Rio Grande Valley town of Klail City, Texas. In this novel, however, Hinojosa focuses on a character who has previously not taken the limelight: the strong-willed, upwardly mobile Becky Escobar. Following her story, Hinojosa explores the world of Latinas: women's culture, language and spirit in the world of the Valley. Delightfully playful in narrative perspective, this story gives the reader a glimpse through the eyes of the female side of Klail City.

*The Actual & Truthful Adventures of Becky Thatcher* Jessica Lawson,2015-06-02 In 1860, eleven-year-old Becky Thatcher, new to St. Petersburg, Missouri, joins the boys at school in a bet to steal from the Widow Douglas in hopes of meeting a promise to have adventures that she made her brother, Jon, before he died.

*Becky's Brainstorm* Elaine L. Schulte, 1992 To help her mom out financially and prevent the family from moving, Becky and her three best friends start The Twelve Candles Club, a business providing child care, housekeeping, car washing, and other services.

The Farmer's Daughter Cordelia Jackson, 2015-11-19 Seventeen-year-old Becky Campbell could never have guessed how her life would change when she saw that car billowing dust behind it that hot August summer 1977 afternoon. Toby Mountgomery, a medical student, burst into her life, and she and her family would be forever changed by the event of that first week. Follow Becky through the twist and turns of that fall and winter.

**Saturday Night Widows** Becky Aikman, 2013-12-31 In this transcendent and infectiously wise memoir, Becky Aikman—a widow, too young, too modern to accept the role—forms an unlikely group with five other young widows, each seeking a way forward in a strange and disquieting world. A warm, witty, and compassionate guide on this journey, Aikman explores surprising new discoveries about how people are transformed by adversity, learning the value of new experiences, humor, and friendship.

The Saturday Night Widows band together to bring these ideas to life, striking out on ever more far-flung adventures and navigating the universal perils of finding love and meaning. Theirs is a transporting true story of six marriages, six heartbreaks, and one shared beginning—an inspiring testament to what friends can achieve when they hold each other up. Saturday Night Widows is the rare book that will make you laugh, think, and remind yourself that despite the utter unpredictability and occasional tragedy of life, it is also precious, fragile, and often more joyous than we recognize. Now with Extra Libris material, including a reader's guide and bonus content

**I'd Rather Be Short** Becky Murphy, 2013-10-29 5'1 is the new 6'2, and Becky's book proves it.—Kristen Bell Leggy supermodels and pro basketball players be warned: being tall doesn't mean you're always a step up in life. Graphic designer Becky Murphy is five-foot-nothing and proud to be petite. Sure, sometimes being diminutive gets you the short end of the stick, but there are also plenty of unique advantages to being under 5'4"—and Murphy has compiled the 100 best reasons in the delightfully whimsical **I'd Rather Be Short**. Illustrated in a charming, quirky style, **I'd Rather Be Short**

highlights the benefits of being petite, from the sensible to the absurd, including: · You get the best of both worlds: kids' meals and cocktail parties · You're never expected to help your friends move · Concertgoers usually won't hassle you when you shimmy up to the front · You're less likely to get struck by lightning · Skirts can be dresses; dresses can be skirts · You're just the way you should be Witty and heartwarming, I'd Rather Be Short is a celebration of self-acceptance—and an instant ego boost to pint-sized ladies everywhere.

**Bad Becky in Trouble** Gervase Phinn,2005-01-27 Bad Becky is cheeky (but charming), opinionated and always in some kind of trouble. But you can't help loving her! I mean wouldn't you rather hear a story about a princess who gets gobbled up by the dragon rather than another soppy one where the prince saves the princess? And if a magician at a party was rubbish wouldn't you point it out? And who wants their horrible Great Aunt Mildred visiting? So really, Becky is just doing everyone a favour... A wickedly funny new series for readers gaining confidence. Bad Becky's got attitude!

**Then Came You** Becky Wade,2017-03-04 A leather-bound journal. A single father. A woman in

pursuit of freedom. Garner Bradford, heir to the troubled Bradford Shipping empire, doesn't know much about babies. But he's going to have to learn fast because he's just become a single father to his newborn daughter. As he confesses through his journal entries, he's not entirely sure how to keep a newborn alive, whether or not he'll ever patch together his shattered heart, or how to forgive himself for his mistakes. Career girl Kathleen Burke is wholly uninterested in settling down. She has big dreams, and none of them include Garner and his small hometown in Washington State. Yet she can't seem to get her handsome boss out of her head or her heart. There's something extraordinarily tempting about his beautifully sad green eyes. . . . Told through journal entries, phone conversations, and letters, *Then Came You* is a unique, heart-stirring romance novella by acclaimed author Becky Wade.

**The Boys: Dear Becky #8** Garth Ennis, 2020-12-30 With the aid of some old familiar faces, Hughie's globetrotting efforts to discover the origin of Becky's diary finally bear fruit- but is he ready to face the shadowy figure behind the conspiracy that almost destroyed him? Old debts are paid and old

scores settled, as the last story of The Boys comes to its conclusion.

Bad Becky Gervase Phinn,2004-08-05 Bad Becky is cheeky, opinionated and always in some kind of trouble. But you can't help loving her! I mean wouldn't you rather hear a story about a princess who gets gobbled up by the dragon rather than another soppy one where the prince saves the Princess? And if a magician at a party was rubbish wouldn't you point it out? And who wants their horrible Great Aunt Mildred visiting? So really, Becky is just doing everyone a favour... The first book in a wickedly funny new series for readers gaining confidence. Bad Becky's got attitude!

*The Boys: Dear Becky #2* ,2020-07-01 As Hughie's discoveries take him down a highly dangerous rabbit hole, what he learns about the good old days reveals a strangely conflicted Butcher- at the worst possible time, as the Boys investigate a particularly insidious supe threat.

**Dreams for My Daughter** Becky Kelly,2011-09-01 Before you were conceived I wanted you Before you were born I loved you Before you were here an hour I would die for you This is the miracle of life -  
-Maureen Hawkins The relationship between a mother and daughter is like no other. A daughter

reminds her mother of herself as a girl, offers her a chance to relive that girlhood, then passes her mother's wisdom on to her own daughter someday. Mothers and daughters know what the other is thinking before she says it, and communicate with a touch or a glance as easily as with words. A mother's love is so strong, sometimes words alone are insufficient to express it. That's why Becky Kelly's gift book, *Dreams for My Daughter*, is so special. On every page her soft watercolor illustrations celebrate the warmth of a mother's love for her daughter. Paired with beautiful prose, each enchanting image evokes the heartfelt times that only mothers and daughters share. Whether as a birthday or graduation gift, or for no special occasion at all, *Dreams for My Daughter* is a beautiful keepsake of a mother's genuine love.

*Cancer, Faith, and Unexpected Joy* Becky Baudouin, 2017 I've taught you how to live; now I want to teach you how to die. You don't have to be afraid. When Becky Baudouin's mother spoke those words to her, they weren't said lightly. Her mother had an inoperable tumor--and after months of treatment, there was no hope for a longer life. There was, however, assurance of life everlasting.

Learned in the dark hours of pain and the bright moments of love, the honest insights on fear, loss, and grief that Becky shares in this book are applicable to everyone's story--including yours. If you're losing a loved one or facing death, you won't be alone on your journey: Becky walks with you every step of the way. There are even questions for reflection to guide you to comfort, whether you're reading on your own or with others sharing the struggle. In times when hope seems lost, Becky's story reveals that God is the only source for a spirit's true healing. For anyone living with the tension of wanting to hold on yet needing to let go, *Cancer, Faith, and Unexpected Joy* demonstrates a powerful and profound love. In *Cancer, Faith, and Unexpected Joy*, Becky's mother becomes my mother; her grief, my grief; her hope, my hope. With a combination of emotion, vulnerability, and dailiness, this book offers practical comfort and wisdom for anyone in a place of trial or suffering. --Jane Rubietta, international speaker and author
