How to Wake a Sleeping Lady Bree Wolf,2022-03-03 In this fairy tale Regency romance by USA Today bestselling and HOLT Medallion winning author BREE WOLF, a star-crossed couple finds that sometimes Fate needs a helping hand. A forgotten love. A twist of fate. And a second chance at a happily-ever-after. The sad truth is: Martha cannot remember her life. Or her family. Or even her own name. After being fished out of the sea three years ago, Martha has been living at an abbey, unable to unearth more than little bits and pieces about herself. Her joy of gardening. Her love for the outdoors. Her unruly tongue...that utters too much instead of keeping it safely sealed inside. But Martha is content...or tries to be... ...at least until a dashing young gentleman comes to the abbey one day and upends her life yet again. Because, apparently, her name is not Martha. Of course! Her name is Agnes Bottombrock. Yugh! Or it used to be because, now, she is AGNES BARRETT, COUNTESS OF WENTFORD. Truly? And...she is his wife! Sigh! The moment GRANT BARRETT, EARL OF WENTFORD, met his Nessa for the very first time, he believed himself lost in a dream. He loved the unflinching way her eyes met his. He loved how she snapped at him to stay away from her. He loved the way her breath shuddered past her lips as he drew closer. He loved her. And then he lost her. Forced to bury his heart, Grant spent three endless years mourning his wife, missing his wife, yearning for his wife...until a rumor sends him up north to a remote abbey. As though nothing happened, Nessa suddenly stands before him once again, not a figment of his imagination, not a distant memory, but a woman of flesh and blood. A woman who does not remember him. Or their love. Yet Grant is far from discouraged. After the insurmountable chasm of death that stood between them before, conquering his wife's heart all over again should be an easy feat, should it not? How to Climb a Lady's Tower Bree Wolf,2022-03-03 In this fairy tale Regency romance by USA Today bestselling and HOLT Medallion winning author BREE WOLF, a daring miss and an American heir discover that adventure can be found anywhere...as long as you got the right person by your side. An untamed lady. A stranger in the night. And a match made in heaven. More than anything in the world, MISS REBECCA HAWKINS hates boredom. Boring gentlemen. Boring balls. Boring strolls in the park. Boring picnics. The list is endless. So, in secret, Rebecca has been working on a list of her own. One that is far from boring. One that will land her in trouble if her aunt and uncle ever found out. One that would ruin her chances of finding a suitable husband...which is all the more reason to check off each and every point on it (after all, who would want a suitable husband?). And then one night, as though Fate heard her silent plea, a stranger climbs in through her window...and Rebecca does not hesitate. As an American, ZACHARY CASWELL knows very little about English high society nor does he care to know more. However, when a family heirloom is stolen, he is forced to remain in England longer than he intended... ...and crosses paths with a woman, who is a far cry from the simpering misses he encountered thus far. Bewitched by Miss Hawkins' daring spirit, Zach accepts her help in locating his missing heirloom while offering his own assistance in return. Give & Go Bree Kraemer,2022-04-05 When Ruby Mullen took the job as the public relations director of the Valley Falls Strikers, her only concern was working with professional athletes. She despised them. Turns out, the guys on the team were amazing. Well, except one guy. Dallas Ramos. He irritated her. Drove her crazy. His partying ways and womanizing were exactly why she hated athletes. Never mind that it seemed like he'd made a change in his life. Tigers didn't change their stripes. As the star midfielder for the Strikers, Dallas was used to hard work. He had no problem knocking a guy out of the way, or sliding to take the ball away. His life off the field was different. He could walk into a bar and he'd have women flocking to his side. He didn't have to work for them. Or at least he used to have them flocking to his side. That was before. Before he decided he wanted more out of life than one-night stands and women who didn't understand him. Enter. Ruby Mullen. She was constantly on him about something, yelling and arguing with him whenever they were in the same room. Somehow, that turned him on. He wanted her and it was time to do something about it.

We Hope You Like This Song Bree Housley,2012-10-30 From fourth grade onward, shy, nervous Bree Housley and fearless, outgoing Shelly were an inseparable, albeit unlikely, pair. Their friendship survived everything from the awkward years of junior high to the transformative upheavals of early adulthood—until, at the young age of 25, Shelly lost her life to complications caused by Preeclampsia. We Hope You Like This Song is a tribute to the ineffable, incomparable bond that we call friendship, and a celebration of living life to the fullest. Housley recounts how she and her sister found a way to keep Shelly's memory alive—by spending a year doing crazy things that Shelly would have done, like giving Valentines to strangers, singing at a karaoke bar, and letting her boyfriend pick out her outfits for a week. In the process, she paints a vivid, often hilarious, portrait of her fun-loving, social butterfly best friend and the many adventures they had growing up together in '80s and '90s small-town America. Sweet, poignant, and yet somehow laugh-out-loud funny, We Hope You Like This Song is a touching story of love, loss, and the honoring of a friendship after it's gone.

TOBIAS HAWKE, brother to Viscount Barrington, no longer sees the little girl he once knew when he looks at his childhood friend Anne Thatcher. Neither one of them dares to risk the friendship that connected them since childhood...until Christmas arrives, and they find themselves pushed under a sprig of mistletoe. What if?

Bree Lost at Sea Farrea Smith,2016-10-27 I was inspired to write this book when Brianna, Na'Asia, and I were at Sea Side Heights. Brianna was about three years old and was standing on my right side, and her older sister, Na'Asia, was standing on my left side when a wave came and almost took Bree out to sea. In an instant, Na'Asia was yelling "Bree!" I had to reach down and grab her because she was tumbling with the wave as it was receding. So for the rest of the day, we joked about Brianna and the sea family.

Once Upon an Aggravatingly Heroic Kiss Bree Wolf,2023 Determined to perform a Christmas miracle by seeing her friend wed to the man she loves, Edith finds herself distracted from her task by a teasing gentleman with wicked eyes and a devilish smile... A captivating Christmas romance! A meddlesome lady. An honor-bound lord. And quite a few misunderstandings. England 1749: LADY EDITH WESTON, daughter to the EARL OF SWANSBOROUGH, is determined to see her friend wed to a man she loves. Unfortunately, Lady Adele, however, has been promised since birth and refuses to break her father's heart by going against his wishes. Edith, though, cannot accept that, and when she sees the first stirrings of love between her dearest friend and a visitor from the north that Christmas, she is determined to work a miracle. JASPER BEAUMONT, EARL OF WHICKERTON, made the monumental mistake of promising his father upon his deathbed that he would wed within the year. Unfortunately, eleven months and far too many days have passed without a suitable bride in sight. At least, until he visits Cumberton Castle for the holidays and his path crosses that of a most intriguing young lady. Never having been one to mind her own business, Edith does what she must to prove to her friend that one must never give up on love. A statement ringing all the more true when Edith finds her every move observed by a teasing gentleman with wicked eyes and a devilish smile...who, oddly enough, does not seem to disapprove of her meddlesome tendencies. Impressed by Lady Edith's quick wit, Jasper watches as she directs all those around her like a gifted puppeteer, determined to ensure her friend's happiness. Only before long, he comes to wonder if perhaps...he, too, has been caught in her web, doing precisely what she wants him to. The only question: could she possibly want him? This Christmas novella is a prequel to USA Today bestselling author Bree Wolf's WHICKERTONS IN LOVE series. The novella was previously published in the Holiday Anthology: Naughty or Nice. The novella can be read as a standalone book.
