Revelation (Baker Exegetical Commentary on the New Testament) Thomas R. Schreiner,2023-10-17 In this addition to the award-winning BECNT series, leading evangelical biblical scholar Thomas Schreiner offers a substantive commentary on Revelation. Schreiner's BECNT volume on Romans has been highly successful, with nearly 40,000 copies sold. In this volume, Schreiner presents well-informed evangelical scholarship on the book of Revelation. With extensive research and thoughtful chapter-by-chapter exegesis, he leads readers through the text of Revelation to help them better understand the meaning and relevance of this biblical book. As with all BECNT volumes, this commentary features the author's detailed interaction with the Greek text and an acclaimed, user-friendly design. It admirably achieves the dual aims of the series--academic sophistication with pastoral sensitivity and accessibility--making it a useful tool for pastors, church leaders, students, and teachers.
