Ellicott's Bible Commentary Ellicott, Charles J., Charles J. Ellicott Bible Commentary on the Whole for English Readers, Volume 1 of 3. Charles Ellicott wrote this exceptional Bible commentary to be used for Pastors and Students. It is written to be explained rather than to be technical so that as to reach all English readers. Charles Ellicott focuses on the English explanation rather than the Greek and addresses the expository side less than the technical since this does not contain Greek words or terminology. Dr. Charles Ellicott assembled and edited this commentary, utilizing 28 different authors, including Rev. Payne Smith, Rev. C. J. Elliott, and Rev. C. H. Waller. This is a must have for anyone desiring a greater understanding of the Bible as a whole. The scripture and commentary are on the same page making it easy to read and understand. This commentary is one that you will treasure in your library and you will not want to let this one pass you by.
