*Reading Readings* Joanna Gondris,1998 Reading Readings brings together essays by eighteen critics and textual scholars on texts that play a crucially informative role in the history of Shakespeare reception: the eighteenth-century editions. These texts tell, in extraordinary detail, the response of the age that granted Shakespeare his canonical status. They show, too, the development of a new range of critical and bibliographical practices, and display the workings of influential eighteenth-century cultural and market forces.

**Hello Again** Simon Elmes,2012-11-15 It's now ninety years since the BBC made its first broadcast and the British love affair with radio began. This book is a journey through that fascinating history and a celebration of the many wonderful voices that were part of it: Marion Cran, who pioneered the first gardening programme in the 1920s; The Goons and Kenneth Horne, comedy greats of the 1950s; John Peel, Alan Freeman, Kenny Everett and other heroes of the pirate stations; all the way up to Eddie Mair, Fi Glover and Danny Baker, the much-loved voices of today. A delightful blend of insight, history and nostalgia, Hello Again will appeal to any radio aficionado.
