Louisiana Notary Exam Outline to the 2022 Study Guide Michele Childress,2022-04-24 SUPERSEDED 2022 edition -- Look for the new 2023 version if you are studying with the current guide. The Louisiana Notary Public exam is based on a 705-page study guide, Fundamentals of Louisiana Notarial Law and Practice. But the official book is famously difficult and organized in a complex way. Readers often need help—including classes and Facebook groups—just to unwind it. This book is, at last, directly aimed at simplifying and outlining the study guide itself. Such a resource offers a better chance of passing the notoriously difficult notary exam. Law school classes and bar exam prep have long given law students the advantage of complete outlines, nutshells, and bar review materials authored by experts in their subjects. It's time for this concept to be used for notary prep as well. Applying the tried-and-true outlining format successfully employed for bar review, experienced lawyer/notary Michele Childress offers this resource for aspiring Louisiana notaries—whether they're prepping by self-study or as part of organized coursework. A new addition to the Self-Study Sherpa Series from Quid Pro Books, this book joins the Sidepiece and Sample Questions texts as affordable guidance in the journey to becoming a commissioned notary in our state.
