**Gaspare Vincenzo Omodeo**

Consiglieri Richard Hytner, 2014-06-05 The key to success lies in getting to the top, right? Wrong. Not everyone can be in charge but, more importantly, not everyone should want to be. Richard Hytner, Deputy Chairman of Saatchi & Saatchi, thinks it's time to celebrate the second-in-commands, the consiglieri: from Merlin, to Al Gore, Rasputin to Machiavelli. These are the deputies, the Vice Presidents, the C-suite, the department heads - lieutenants, advisers, and counselors - whose influence determines the fate of boardrooms, corporations, and nations. While supremacy comes with drawbacks and influence, authority and power can be found in much more interesting places than the CEO's chair. Consiglieri: Leading from The Shadows brings together historical examples from Harry Hopkins to William Seward, conversations with contemporary second-in-commands like Tony Blair and Sir Alex Ferguson, and unique insights into Stalin, JFK, and Winnie the Pooh. A mirror for contemporary 'No. 2's' and a theoretical map for future consiglieri, the book traverses an array of powerful advisers from the White House to the Vatican, across international business, sports, and entertainment, as well as citing provocative research from psychology and academia.

The Consigliere, a Novel Donna Masotto, 2020-07-27 In a most personal and riveting work, Novelist, Donna Masotto presents, The Consigliere. A middle-aged mafia lawyer, Declan Quinn, realizes his life is meaningless after the tragic drowning of his eight-year-old daughter. At a crossroad between misery and the longing for peace, he shuns his duties as the Consigliere and embarks on a search to find the sister he abandoned when he joined the mob thirty years ago. But first, he must confront his mafia Don and face the truth of his past. Setting off to reclaim his destiny, Declan never expects his grandfather and son to assist him on this journey, but they become key figures when scheming against the mafia Don. At different stops, Declan reunites with friends he knew before joining the mob, beginning at the Lower East Side and

Brooklyn. He treks through uncharted lands to unveil a mystery hidden for twenty years. Declan uses the tools of love, forgiveness, and courage, as he tries to overcome life's inevitable challenges and the past that haunts him—or hunts him down. This work is inspired by the 1969 novel by Mario Puzo, *The Godfather* and provides the complete backstory of *The Consigliere*. This work is so much more than just another book about the mafia, it's a story of boyhood decisions and the effect they have on the man for his entire life. Ms. Masotto's themes show that change is possible even when life's battles pull you down.

*The Mafia's Consigliere* Juan Manuel Sánchez, 2023-01-29 The luxurious lifestyle of a Los Angeles lawyer and his family is about to be turned upside down by one of the most powerful mafia families in New York City. Warrent, a corrupt, philandering New York senator, is playing dirty games with Hollywood lawyer, Breska. At stake is millions of dollars for a movie licensing deal. During negotiations, the lawyer is paid an unexpected visit from the mob. Breska is intimidated into swearing an oath of omertà — the mafia code of silence — and he unwillingly becomes the New York family's consigliere. Fearing for his life, Warrent escapes to a Spanish island where a volcano is about to explode. The FBI and DEA are fast on the track of the criminal conspiracy and have well-founded suspicions about the connections with Mexican and Colombian narcos, which causes the mob to lose trust in their new consigliere. Returning from a trip to one of the tax havens where the mafia hides its money, Breska decides to go against the tide and breach the code of silence, trapped between the two government agencies, who hope to gather enough evidence to gain a conviction against the mob by a popular jury. It is the first time in Mafia culture that their consigliere wishes to breach the omertà.

*Her Consigliere* Carsen Taite, 2021-06-15 Attorney Siobhan Collins's life has been shrouded in mystery from the moment she was born, but she is certain of one thing—she owes her life and

everything she has achieved to the Mancuso family, and she has pledged to protect their interests at any cost. Her loyalty will be put to the test when she learns the woman who has stolen her heart is determined to destroy the only world she has ever known. FBI agent Royal Scott is ready to ditch working undercover and figure out how to live in the real world, but her boss convinces her to take one more assignment pretending to be someone she's not. Her one goal—infiltrate the Mancuso family's illegal empire and find a way to bring them down. But when she becomes captivated by Siobhan Collins, the elusive counselor to Don Mancuso, she may be the one taking the fall. Advance praise from Publishers Weekly: With this sexy lesbian romance take on the mobster genre, Taite brings savvy, confidence, and glamour to the forefront without leaning into violence...Taite's protagonists ooze competence and boldness, with strong female secondary characters...This is sure to please.—Publishers Weekly, 4/29/2021

Hired by the Consigliere Nikki Rose, 2023-07-27 Continue with the Venturi Mafia family in Enzo's story! \*Can be read as a STANDALONE\* Enzo Running a billion-dollar company, acting as consigliere to the Venturi crime family, and running for office means I don't have time for relationships. I pride myself on self-discipline and control, but I'm still a man with needs. So I allow myself a weekly indulgence at the top escort agency in Northern Italy. They all know what I expect, except this new girl who seems to go against all the rules. She's chatty, a little awkward, and obviously not a pro but when I need a fake girlfriend to impress my political backer, I make her an offer too good to turn down. Aurora No money, no job, and eviction is right around the corner. I added the escort job to my list of prospects as a joke, but when every other job falls through, I don't have another choice. My very first client is supposed to be easy. His rigid routine means no surprises until he offers me the chance at more. The job is simple, pretend to be his long-term girlfriend for a week and make a ton of money in the process. But things are never that simple. One week turns

into two months. Long-term girlfriend becomes fiancée. And a dangerous enemy decides to use me as leverage to get Enzo to back out of the political race. But that enemy is banking on Enzo's affection for me. He doesn't know that our feelings are fake but then again, after the way things have been going, neither do I. **The Consigliere** MR Mario Gomez, 2011-07 The black hand of La Cosa Nostra meets the sinister underworld of an equally Machiavellian, Mexican drug cartel. Where Faustino, an up and coming Wall Street stockbroker, is living his dream of wealth, status and power. A man who long ago swore himself to a single end: to escape like a pursued criminal the poison barbed tentacles of the poverty from which he arose. His success, is perpetually shadowed by Paul Banelli, best known as don Banelli, who reigns as the capo di tutti capi-boss of all bosses-of the ever notorious La Cosa Nostra. His relationship with the Don turns precarious when Michelle Banelli-the precocious, pressing, and alluring only daughter of the mob boss-sets her sights on more than just fashion, high society, and, of course, being the apple of her father's eye. She decides that for long enough her and Faustino have toyed with the faux indifference and lie that nothing more than a platonic, sibling-like affection exists between them. Her carelessness leads Faustino into a quagmire of blackmail, kidnapping and murder, where to survive he must forfeit the life and position he has worked so hard to attain. He now flees, not only poverty, but a vendetta, that will stop at nothing to devour him. Faustino heads for the border, hoping to lose himself among his native roots: Mexico. In doing so he turns his back on everything, that up until now, has defined him; all to submerge and disguise himself in the very poverty he vowed never to return to. Where he soon finds himself tangled and quartered in between a friendship more akin to a brotherhood; an unspoken but ever-present debt of gratitude and fealty for don Banelli; a Mexican

drug lord, Enrico Mezon, who despite being a sociopath, possesses the keys to his aegis; and finally, the mesmerizing niece of Enrico, who will stop at nothing to possess his affection, control his mind, and own his heart-a heart that little does she know belongs to another. Calling to task years of the Don's tutelage, bringing to fruition a kind of iron-willed mental acuity of purpose and determination to overcome the jockeying oppositions threatening from every side. Learning first hand, that true greatness is never achieved outside of adversity. With one hand he dips into the truth of his past, discovering a secret that up until now the Don has guarded with unflinching resolve; with the other he seizes the tainted opportunity from the blackened hand of the Mezon cartel: taking it upon himself to bridge a chasm of distrust, greed, and mutual animosity between two crime families. An endeavor that will demand his acquired acumen and finesse in finance along side the wicked statesmanship of Machiavelli himself, so as to appease two masters with one life. Suddenly he's stuck in a tug-a-war between his own desires and a duty to a way of life not entirely his own. A way of life bound by Omerta, a code of silence and honor, where the only vindication from betrayal...is death.

They call him Consigliere. An attorney for the Chicago Mafia. It was short-term insanity to agree to switch places with his identical twin brother to escort the granddaughter of Mafioso Don Fiori. She can't wait to sink her fingernails into the man she thinks is Daniel. Forgiving the

Vanessa struggles with the truth and questions with whom she is in love. Entrusting Dominic is crucial, so he can defend her from spending the rest of her existence in prison for murder. **Il Consigliere** D. Dean Vitello,2016-08-12 Life has a funny way of throwing an occasional fastball high and tight when you least expect it. It's just the way it is, even in paradise. The high and tight fastball came at Doctor Van Brando, not the from a 99 mile and hour hard ball, but from a phone call to his red wiseguy phone.

**Unrequited Infatuations** Stevie Van Zandt, 2021-09-28

Uncover never-before-told stories in this epic tale of self-discovery by a Rock n Roll disciple and member of the E Street Band. What story begins in a bedroom in suburban New Jersey in the early '60s, unfolds on some of the country's largest stages, and then ranges across the globe, demonstrating over and over again how Rock and Roll has the power to change the world for the better? This story. The first true heartbeat of *Unrequited Infatuations* is the moment when Stevie Van Zandt trades in his devotion to the Baptist religion for an obsession with Rock and Roll. Groups like the Beatles and the Rolling Stones created new ideas of community, creative risk, and principled rebellion. They changed him forever. While still a teenager, he met Bruce Springsteen, a like-minded outcast/true believer who became one of his most important friends and bandmates. As Miami Steve, Van Zandt anchored the E Street Band as they conquered the Rock and Roll world. And then, in the early '80s, Van Zandt stepped away from E Street to embark on his own odyssey. He refashioned himself as Little Steven, a political songwriter and performer, fell in love with Maureen Santoro who greatly expanded his artistic palette, and visited the world's hot spots as an artist/journalist to not just better understand them, but to help change them. Most famously, he masterminded the recording of *Sun City*, an anti-apartheid anthem that sped the demise of South Africa's institutionalized racism and helped get Nelson Mandela out of prison. By the '90s, Van Zandt had lived at least two lives—one as a mainstream rocker, one as a hardcore activist. It was time for a third. David Chase invited Van Zandt to be a part of his new television show, *The Sopranos*—as Silvio Dante, he was the unconditionally loyal consigliere who sat at the right hand of Tony Soprano (a relationship that oddly mirrored his real-life relationship with Bruce Springsteen). Underlying all of Van Zandt's various incarnations was a devotion to preserving the centrality of the arts, especially

the endangered species of Rock. In the twenty-first century, Van Zandt founded a groundbreaking radio show (Little Steven's Underground Garage), created the first two 24/7 branded music channels on SiriusXM (Underground Garage and Outlaw Country), started a fiercely independent record label (Wicked Cool), and developed a curriculum to teach students of all ages through the medium of music history. He also rejoined the E Street Band for what has now been a twenty-year victory lap. Unrequited Infatuations chronicles the twists and turns of Stevie Van Zandt's always surprising life. It is more than just the testimony of a globe-trotting nomad, more than the story of a groundbreaking activist, more than the odyssey of a spiritual seeker, and more than a master class in rock and roll (not to mention a dozen other crafts). It's the best book of its kind because it's the only book of its kind. \*\*Instant International Bestseller, New York Times Bestseller, USA Today Bestseller, Wall Street Journal Bestseller, Los Angeles Times Bestseller, Publishers Weekly Bestseller\*\*

**The Godfather's Revenge** Mark Winegardner, 2007-11-06  
The third and final installment in Mario Puzo's epic chronicle of the Corleone crime family—one of the most enduring lineages in American literature and cinema—achieves a stunning crescendo with a story that imagines the role of the Mafia in the assassination of a young, charismatic president. In *The Godfather's Revenge*—authorized by the Puzo Estate—Mark Winegardner moves the Corleone family onto the biggest stage of all: the intersection of organized crime and national politics. A subordinate to Michael Corleone, New Orleans underboss Carlo Tramonti is publicly humiliated when the US Attorney General—President Danny Shea's brother—has him arrested and deported to Colombia. Tramonti eventually returns, hell-bent on settling

scores, and triggers a series of events destined to change the course of American history. Corleone, though haunted by the death of his brother Fredo, knows that this is no time for weakness—and so, with fearless consigliere Tom Hagen leading the way, a new path for the future is forged. As the dramatic twists of *The Godfather's Revenge* take the reader from Las Vegas to Miami to New Orleans, from the power alleys of Washington, DC, to the remote jungles of Colombia, the puppet master behind the curtain remains Michael Corleone, the tortured prodigal son who is determined to redefine his family's legacy and make his father—the original Godfather—proud.
