Coombe's Comprehensive shorthand, with key to the exercises J E. Coombe,1885

The Head of the House of Coombe Frances Hodgson Burnett,2022-05-12 Don't you just hate it when your selfish, child-like mother, who've done nothing but ignore you your entire life, marries the most arrogant man in London, only to abandon you to the mercy of a cold-hearted nurse? By popular opinion Feather is one of the most beautiful women in London, and Lord Coombe is the most well-dressed man in town. On the surface it would appear the pair was destined to meet. The only one who isn't happy with the union is Feather's daughter, Robin, who's got her own reasons for hating the dapper gentleman her mother is marrying. The 'Head of the House of Coombe' is a riches to rags story in which we follow the wealthy nobleman Lord Coombe, busy socialite Feather and her daughter Robin as they navigate 20th century pre-war London. The novel also serves as a commentary on the political and social reasons behind World War I. The 'Head of the House of Coombe' was written by Frances Hodgson Burnett (1849-1924) and published in 1922, becoming the fourth-highest bestselling novel in the United States that same year. Robin, the sequel to The Head of The House of Coombe, was also published in 1922. Frances Hodgson Burnett was an English American playwright and author. Born in the UK in Manchester to a family of ironmongers, she later migrated to the United States where she would go on to write some of her most famous plays and novels. During the span of her career, Frances Hodgson Burnett wrote and published more than 53 novels, most of them for adults. However, she is perhaps best known for her work in children's literature, including famous titles such as 'The Little Princess' (1905), 'The Secret Garden' (1911), and 'Little Lord Fauntleroy' (1886). Frances Hodgson Burnett is also known for her historical fiction, including acclaimed titles such as 'The Head of the House of Coombe' (1922) and its sequel, 'Robin' (1922). Burnett's work has been adapted for film many times. The latest movie adaptation of 'The Secret Garden' was released in 2020, starring Colin Firth and Julie Walters.

Late Quaternary Environmental Change in North-west Europe: Excavations at Holywell Coombe, South-east England R. Preece,D.R.

Bridgland,2012-12-06 Holywell Coombe, an embayment in the chalk scarp overlooking Folkestone, Kent, was designated a geological Site of Special Scientific Interest in 1985 because it contains richly fossiliferous Late Quaternary sediments providing a unique archive of the last 13,000 years. The construction of the Channel Tunnel across the Holywell Coombe SSSI brought about a major rescue excavation, funded by Eurotunnel, that set an important precedent in Earth Science conservation. This multidisciplinary investigation has added enormously to our understanding of the environment and natural history of the Late-glacial and Holocene. The climatic complexity of the Late-glacial is recorded in the nature of the sediments, the fossils recovered from them and the soils developed within them. From the Neolithic, and especially during the Early Bronze Age, the slopes were destabilized as a result of forest clearance, leading to the accumulation of hillwash. Archaeological excavations in the hillwash have revealed evidence of prehistoric occupation and agricultural activity in the coombe. Eurotunnel also funded biological surveys of the local terrestrial and aquatic habitats. Combining these with the fossil evidence, it has been possible to document the pedigree of our present fauna and flora, providing one of the most detailed and comprehensive studies of its kind. With contributions from eminent Quaternary scientists from several

countries, this work will be an important resource for researchers, lecturers and postgraduate students in Quaternary sciences - geology, geography, biology, ecology and archaeology - as well as for government bodies concerned with nature conservation and environmental protection.

Hespeler's Hidden Secret: The Coombe Home 1905-1947 Paul Langan,2023-11-03 The Coombe was a home in Hespeler, Ontario. From 1905-1913, Smyly Homes in Dublin Ireland sent children to Canada for a better life. After a short period at the Coombe they were shipped out to the farms or homes to work and live. From 1913- 1947, the Children's Aid Society ran the home. It was also used as a temporary detention centre. This book captures not only the history of the Coombe but also stories of the children who lived there. The experiences of the kids range from being treated like members of the family to situations of abuse. This book will stay in your memory for years to come.

Feather has a daughter named Robin, of whom she takes little notice. Robin hates Coombe because he separates her from her only friend, a little boy named Donal. Lord Coombe, however, grows fond of Robin and secures her a bright future, but only one person knows the secret of Coombe's determination to watch over her. Robin is a sequel to The Head of the House of Coombe. It is the eve of the Great War and British soldiers are leaving to fight the Kaiser. Robin and Donal are destined to find each other again after being parted after their first meeting as children about 15 years earlier. Their love blossoms, but now they have to part again, as Donal is the prime cannon fodder and leaves off to war. The Head of the House of Coombe Illustrated Frances Hodgson Burnett,2021-01-18 Lord Coombe is considered to be the best-dressed man

in London. He is also a man whose public reputation, despite his formidable intellect and observant eye, is one of unmitigated wickedness. During one of his social forays, he meets a selfish young woman named 'Feather' with the face of an angel. Fascinated by her, he slowly drifts into her circle. When her husband dies unexpectedly, leaving her alone and desolate in London, he ends up taking her under his wing. Feather has a daughter named Robin, of whom she takes little notice. She treats Robin with shocking neglect and once Coombe takes over responsibility for the household's finances, Feather readily abandons poor Robin to the less-than-kindly ministrations of her nurse. In fact, Robin doesn't even know Feather is her mother for her first six years, calling her 'The Lady Downstairs'. Robin also hates Coombe, having heard a conversation that blamed him for the loss of her first friend. This was a little boy named Donal who was in fact Coombe's heir. Donal's mother disapproves both of Coombe and Feather and when she discovers that her son has been playing with Robin, she whisks him away, leaving Robin heartbroken. However, Coombe does not return this dislike and in fact makes a point of serving as her guardian, albeit without Robin's knowledge. As Robin grows, he builds her a set of rooms, engages a loving nurse for her, and eventually secures a reputable governess for her. While her mother continues to behave with the selfish freedom of a wanton child. As Robin grows, she becomes a lovely and intelligent though innocent, girl. Feather's circle includes some unsavory characters, one of whom, a German nobleman, tries to make Robin into his plaything. This caricature of Imperial German stereotypes uses Robin's desire to support herself to trap her in a house of ill repute. His plan fails mainly through the actions of Coombe, but the after-effects leave Robin crushed. One of Coombe's few true confidants is a dowager Duchess - a woman of both great intellect and great understanding who has recently lost her long-time lady companion. After Robin's experiences with the German, Coombe suggests Robin as a suitable replacement. The Duchess is the one person who knows the secret of Coombe's determination to watch over Robin and why he is willing to tolerate the activities of her mother. This secret is finally communicated to the reader as well during one of Coombe's talks with the Duchess. The Duchess does indeed take in Robin and befriends her. Robin is introduced to the Duchess' children and their friends and finally sponsors a small dance for Robin. At the dance, Robin meets Donal again as Coombe and the Duchess learn that an Austrian Archduke has just been assassinated in Serbia.
