We've Already Gone This Far Patrick Dacey, 2016-02-16 In Patrick Dacey's ... debut, we meet longtime neighbors and friends--citizens of working-class Wequaquet--right when the ground beneath their feet has shifted in ways they don't yet understand. Here, after more than a decade of boom and bust, love and pride are closely twinned and dangerously deployed: a lonely woman attacks a memorial to a neighbor's veteran son; a dissatisfied housewife goes overboard with cosmetic surgery on national television; a young father walks away from one of the few jobs left in town; a soldier writes home to a mother who is becoming increasingly unhinged--Amazon.com.

Destiny Susan C. Dacey, 2008-05-01 This book discusses the events surrounding a near death experience involving a fifteen year-old boy and his struggle to survive after being struck by a hit-and-run driver. He makes us aware of the overwhelming fear and loneliness that surrounded him as he lay on the side of the road waiting to die. Fate stepped in and brought a stranger to his rescue who summoned the medical help he so desperately needed. From one hospital to another, he was confronted with doubts and depression. If not for the determination and faith of his mother, he might not have survived. He spent the next four years in a hospital dealing with his emotions and recovering from his wounds. Although he survived the accident, he had to face his destiny. Even with all the surgeries, therapies and treatments, he would never walk again. A normal life was gone in a flash. He was surrounded by compassionate staff and understanding patients. He would come to understand their importance as he worked to free himself from the imprisonment called a hospital. His story sheds an insight into being a long-term patient and the frustrations

that accompanied his journey. His last challenge would be returning to the outside world and facing each day with a renewed enthusiasm for life; unique as it would be. I can only hope that after reading this story you will look differently on those that don't seem to fit the normal mode and be grateful for all your blessings.

The Sins of Lady Dacey M. C. Beaton, 2011-02-11 New York Times—Bestselling Author: Lady Dacey has a way of leading others into temptation, scandal—and love . . . The unhappily married Pamela Perryworth and the pious innocent Honoria Goodham are currently guests of Lady Dacey for the London season—and their hostess is famed among her set for her outrageous behavior. But the two aren't quite as scandalized as the gossips might expect. After all, being in Lady Dacey's company does provide an adventurous escape from their not-very-fulfilling lives. It doesn't take long for a notorious lord to start pining for Mrs. Perryworth—and for a disreputable duke to become smitten with the pure-hearted Honoria. The question remains whether these proper ladies will find themselves ruined—or have their lives turned around by love . . . “The best of the Regency writers.” —Kirkus Reviews Previously published under the name Marion Chesney

The Revelation of Dacey Sinnett Dez Schwartz, 2016-12-27 Dacey Sinnett is a young cabaret musician living in 19th century France. During the day, he entertains as a sidewalk magician in Montmartre, using his natural telepathic ability to enhance his illusions. Raised in poverty, he dreams of a vibrant life full of riches and fame. Although he's used his powers, talents, and good looks to his advantage, he has barely managed to carve a small niche for himself. His best friend, cabaret dancer, Kalet Belrose also dreams of finer things. However, as they begin to grow closer, she suggests that it's far more practical to accept their lower status in society and find happiness in simplicity. Dacey fears she may be right until he meets Marcus von Rottal, a handsome aristocrat, that promises him a chance at having all of his wildest dreams come true. Dacey is quickly swept up into a world of thievery, murder, debauchery, and vampirism. He eventually learns that you really should be careful what you wish for and seeks to find a greater purpose. But has he ventured past the point of redemption?

The Boy Under the Bed Philip Dacey, 1981 This second collection by award-winning poet Philip Dacey runs the gamut from existential mysteries to domestic dramas. Dacey writes in both traditional and free verse forms, and organizes these selections into four sections whose focus gradually shifts from the inexplicable phenomena of apple-doors to the cultural otherworldliness of a foreign country, in Spanish artifacts. The third section, nipples rise to spirit, traces a child's growth to middle age, with particular reference to sex and family, while the presence of Presence redefines the religious experience.

Secular Conscience Austin Dacey, 2009-09-18 This work is needed at a time when both the religious

right and the religious left claim that there can be no public or private morality without religion. With wit and a philosopher's insight, Dacey explains exactly why secular morality . . . is sorely needed--Susan Jacoby, author, *Freethinkers*.

The Future of Blasphemy Austin Dacey, 2012-01-26 In the days of Moses, blasphemy was the mortal offence of failing to respect the divine. In an age of human rights, blasphemy is understood as a failure to respect persons, as insult, defamation, or advocacy of religious hatred. The criminalisation of this personal blasphemy has been advanced at the United Nations and upheld by the European Court of Human Rights, which has asserted a universal right to respect for religious feelings. *The Future of Blasphemy* turns respect on its head. Respect demands that we grant each other equal standing in the moral community, not that we never offend. Politically, respect for citizens requires a public discourse that is open to all viewpoints. Going beyond the question of free speech versus religion, *The Future of Blasphemy* defends an ethical model of blasphemy. Controversies surrounding sacrilege are contests over what counts as sacred, disagreements about what has central, inviolable, and incommensurable value. In such public contestation of the sacred, each of us-secular and religious alike-has equal right to speak on its behalf.
