Daddy Issues Katherine Angel,2022-06-14 On the fraught bonds between daughters and their fathers, women and the patriarchywomen patriarchy In this beguiling, incisive book, critically acclaimed writer Katherine Angel examines the place of fathers in contemporary culture with her characteristic mix of boldness and nuance, asking how the mixture of love and hatred we feel toward our fathers—and patriarchal father figures—can be turned into a relationship that is generative rather than destructive. Moving deftly between psychoanalysis from Freud to Winnicott, cultural visions of fathering from King Lear to Ivanka Trump, and issues from incest to MeToo, Angel probes the fraught bond of daughters and fathers, women and the patriarchal regime. What, she asks, is this discomfiting space of love and hate—and how are we to reckon with both fealty and rebellion? As in her earlier book *Tomorrow Sex Will Be Good Again*, Angel proves herself to be one of the most perceptive feminist writers at work today.

Daddy Issues Polly Walshin,2021-12-18 This is a book dedicated to all people that felt they weren't enough based on a lie you told yourself. You are and always were plenty! You were always enough, my friend, whether your Dad didn't love you, left you, wasn't there for you, abused you, or neglected you. It had nothing to do with you.

Daddy Issues Kim Davis,2014-03-16 Jason Townsend has issues with the older men in his life. His current boyfriend Jared is also his boss and, while the two get along wonderfully in the bedroom, their relationship at the office is tense and uncomfortable. Jason's relationship with his father is also strained -- they grew apart when Jason came out shortly after his parents divorced. The only person Jason has ever been able to rely on is his mother. So when she announces she's met Mr. Right, Jason is skeptical. When he meets her new boyfriend, handsome professor Paul Everett, he quickly realizes he and Paul have more in common than their connection to his mother. The two men had slept together the previous summer. Paul refuses to break things off with Jill, claiming he enjoys being with women and telling Jason their hook-up was a one-time thing that didn't mean much to him. Unwilling to tell his mother about his past with Paul, Jason stewes in silence as he watches his mother and Paul grow closer. At the same time, he finds himself becoming more and more attracted to Paul. When he can't stand it any longer, Jason makes a pass at his mother's boyfriend and is surprised his affections aren't spurned. Even though Jason finds himself falling in love with Paul, he knows he's betraying his mother and he hates himself for it. She's always been his staunchest ally, and sleeping with her boyfriend abuses the trust between them. Can Jason love a man who's also deceiving his mother? When he's forced to choose between Paul and his mother, the decision isn't as easy as it seems.

Daddy Issues Mia Clark,2017-08-21 Good girls get cuddled. Bad girls get spanked... then cuddled. FIONA I never knew my father. I've never called anyone Daddy before. So... when I did it for the first time as a joke to Grey, my best friend's older brother, it was like all of a sudden something clicked. It was hot. It was right. It made me crave more. I may be an eighteen year old virgin with no real experience to speak of, but I've got quite the imagination... And I've read plenty of romance novels to know exactly what I'd like to do with Grey. I know what I want him to do to me, too. Please, Daddy... I promise I'll be a good girl... GREY Why is my little sister's best friend waltzing around our house wearing the skimpiest outfit I've ever seen? Don't ask. Not that I'm complaining, either. She has a body that's just begging to be dominated, bent over my bed, while I tell her what a naughty girl she is. Fiona turns me on so much it hurts. I'm not putting up with this tease any longer. At first I rolled my eyes at her little joke but the more she calls me Daddy, the more perfect it feels. Daddy means more to her than I thought possible. It's not about being a father. It's not being a father figure, either. It's like being everything. Love, lust, and all that's in between. Why am I so tempted? Who knows, but I want to be her Daddy forever.

When Caleb gets the chance to step out from his father's shadow and shape the most public aspect of the family business, he makes every bad decision and watches his life fall apart. Is it too late to repair the harm? Are we forever doomed to make the same mistakes our parents did?

Daddy Issues Cole Brown, 2018-08-11 The phrase has become a cultural cliché and a punchline. But if your father was absent, abusive, or aloof, you know daddy issues are no laughing matter. Regardless of your gender, ethnicity, age, religion, or culture, the failures of our fathers wound us deeply - and those wounds do not simply go away with time. They follow us wherever we go. They impact our relationships with God and others. They influence how we view ourselves and our world. At times they seem to wield unshakeable control. Yet there is good news: God desires to heal your father wounds. He speaks truthfully and powerfully into each of them with the gospel of Jesus Christ, which alone has the power to close these festering wounds and free you from their control. Daddy Issues both diagnoses the wounds caused by absent, abusive and aloof fathers and dresses them with the healing power of God's words. Open the book and allow the Great Physician to do his work. To help leaders we have included a DISCUSSION GUIDE following each section.

Longing for Daddy Monique Robinson, 2009-01-20 Where Was Daddy When You Needed Him? The absence of fathers is an epidemic plaguing our society, affecting families from every corner of our world and from all walks of life. Whether our fathers left us entirely during our childhood or were physically present but emotionally distant, those who missed out on an affirming, intimate father-love continue to experience the devastating consequences of that loss. • Are you angry at the world and don't know why? • Do you inadvertently sabotage relationships or smother those closest to you? • Do you rarely take risks or step out on faith? • Is there an undercurrent of anxiety in most tasks you perform? • Do you struggle to connect with God? • Do you have little or no self-confidence—or minimal self-worth? For women who answer yes to these questions, the common denominator is often an absent father. Far too many daughters have been stripped of a healthy relationship with their earthly dad. But real healing is within your reach. Discover how the absence of your father has impacted your entire life—your attitude, your actions, your beliefs, your decisions, and your identity—and learn how you can stop resulting negative behaviors, break free, and experience a confidence-building, empowering love that will heal your hurts and fulfill your deepest longings.
