On the Ecology of Australia's Arid Zone Hans Lambers,2018-08-21 This book will appeal to an international audience as well as be irresistible to local readers. Anyone working or with an interest in Australia's arid zone should need ready access to this book. There is no equivalent publication out there at the moment, and this book has many authoritative chapters, richly illustrated with colourful material. The challenge of this book was to assemble current knowledge on particular topics and concepts, and principles relating to them. It is also forward-looking by identifying where there are gaps or inadequacies in knowledge, and where future research needs to be directed. Lead authors were encouraged to take such an approach; they had the opportunity to involve any author they considered appropriate. The final product should be a fabulous resource, also for university courses, especially at MSc level.

Guardian Last Jordan MacLean,2013-08 Byrandia. The land of Syon's ancestors. Land unseen for millennia. Powerful. Unreachable. Renda of Brannagh is in her element again but at a terrible cost. She has seen everything she fought to protect, everything she loved, destroyed in the space of a season. Despite the crippling loss, she knows she will have to sacrifice more, for the only way to win this new war against those who destroyed her home is to hunt them all the way back to theirs: Byrandia. Chul is tired of gods playing with him, tired of no longer knowing what to think and feel about everything he's learned--about his own people and those his people call Invaders. Of reconciling the forbidden knowledge and his people's history--and their future. Gikka wishes she had disobeyed Lady Renda's orders and fought at her side. Now she must rejoin the missing knights, but to have any chance against this mysterious enemy, she knows they must also find her wayward Dith. Dith's power is growing at a fantastic rate and getting harder and harder to control. With the terrible secrets he learned in Galorin's Keep, he knows he must reach Byrandia, no matter the cost. Daerwin is devastated by his losses at Brannagh. But his suspicions about the enemy they face are so terrifying that he cannot afford to face his heartache. He only hopes that with victory comes vengeance. And Trocu Damerien knows that the prophecy is progressing rapidly. The time to return to Byrandia has come.

Sword of Hemlock Jordan MacLean,2013-01-13 Renda, you miss the war like an old love, and in the missing, you forget the bad of it. The dead, the maimed. Sure you'd not take it all back. Would I not? For Renda of Brannagh, born and raised to be a knight, peace doesn't sit well. Gone is the confident commander in charge of an army. In her place is a woman crude and foreign, a knight in masque as a noblewoman. She wishes for nothing more than to return to battle. Until her seven year old niece goes missing, setting off a chain of events that leave Renda longing for the peace so ardently scorned. The gods bound and chained. Plague. Magic. Prophecy. Renda and her knights fight to save the kingdom from a faceless enemy bent on the ruination of Syon. But through it all, she struggles to combine Renda the knight and Renda the maid, to learn what she lacks, in order to come into her own. For prophecy is a delicate thing.

L'attesa e la speranza Eugenio Borgna,2010-10-18T00:00:00+02:00 La lettura di questo nuovo libro di Eugenio Borgna ci conduce in un territorio fin qui solo suggerito nei suoi precedenti lavori, ma che tutti sembra contenerli e aprirli a una luce più intensa e a una comprensione più profonda: la dimensione del tempo. Del tempo non astratto o misuratore, ma del tempo vissuto e delle sue figurazioni nell'anima. Del tempo dell'attesa e della speranza come strutture portanti della condizione umana, ma anche del tempo della noia e della malinconia, della maternità e della giovinezza, dell'angoscia e delle esperienze psicotiche. La dimensione temporale delle esperienze, e non solo di quelle psicopatologiche, contribuisce a fare riemergere gli elementi profondi della vita interiore e della vita emozionale e, in particolare, a coglierne il senso nella sofferenza, quando il tempo vissuto si frantuma e non ci sono più attese e speranze. Il libro si apre su un intenso ricordo autobiografico, sul racconto emozionante di un giovane medico al suo primo ingresso nel vecchio ospedale psichiatrico, all'incontro con un'amica della prima giovinezza qui rinchiusa, alla scelta di una vita. Si snoda in un discorso ai confini della psichiatria clinica, nel cuore di una psichiatria dell'interiorità che rivendica fondamenti comuni alla vita psicotica e non psicotica, recuperando e ricostruendo, in un ininterrotto colloquio con l'arte, la poesia, la grande narrativa e la parola dei pazienti, gli elementi psicologici e umani della follia, al di là di ogni elemento clinico. Nell'ultima parte del libro, l'insieme delle riflessioni e delle esperienze man mano delineate confluiscono nella psicoterapia, in cui la dimensione dell'attesa e della speranza diventano una componente essenziale del dialogo tra chi cura e chi è curato..
