The Real Diana Lady Colin Campbell,2013-08-06 When I met Diana at a mutual friend's house in 1990, I was astonished by her conduct. Up to this point, the Diana I had encountered was a princess who had behaved very much in keeping with the forms and traditions of royalty. In social situations, she was as circumspect as the rest of them, as indeed all ladies are.... Now, however, she was the antithesis of circumspect. Throwing caution and reserve to the wind, she said that she wanted me to write the truth about her life 'because I feel as if the whole fairy tale is crushing whatever's left of the real me.... If you'd just write about the real Diana, it would make all the difference.' --Lady Colin Campbell Who was the real Diana? What was it like to be so privileged yet so anguished, so beloved yet so self-loathing, so spoiled yet so despairing? The Princess of Wales was all these things--far more complicated, conflicted, and intriguing a person than the wildly disparate saint or lunatic she is frequently

portrayed to be. Royal insider Lady Colin Campbell sets the record straight on many of the most controversial aspects of Diana's turbulent life: how Charles and Diana's engagement came to pass, though it seemed ill-advised to those closest to both of them; what their honeymoon was really like; the truth behind Diana's bulimia, her widely reported suicide attempts, and her obsession with Camilla Parker Bowles; Diana's search for love and fulfillment with numerous men before, during, and after her marriage; her brilliant manipulations of the press; and her relationship with Dodi Fayed. Lady Colin Campbell's New York Times bestselling biography *Diana in Private* was the first to expose the truth about Diana and her troubled marriage. In *The Real Diana*, she reveals that the reason she knew so much about what went on behind the palace gates was because Diana herself was the source. Drawing upon these confidences--as well as on conversations with countless people who knew Diana and with Diana herself in the final years of her life--Lady Colin Campbell combines true insight with true compassion to bring us the most intimate and revealing portrait of the Princess of Wales that we will ever have.

Diana Nicholas Davies, 2003 This explosive new book by best-selling royal author, Nicholas Davies, reveals the facts the world has been waiting for since Princess Diana's tragic death. Revealed for the first time will be the intimate details of Diana's many lovers, the truth about her son Harry and a dramatic detailed reconstruction of the planning, the organization and the execution of her killing. Without a doubt this stunning book will be the definitive Diana biography.

Diana Donald Spoto, Donald Spoto, M.A., Ph.D., 1998-08-18 Critically acclaimed, best-selling biographer Donald Spoto recounts all the pain, promise, and joy of the last year in the tragically short life of Diana, Princess of Wales. For those of us who loved and admired her, Diana's final year was in many ways the most fascinating and insightful of her life. It was a turbulent, amazing period in which she formally severed her marriage ties to the heir

to the British throne, fell passionately in love with Dodi al-Fayed, and truly began to come into her own after years of personal adversity. In *Diana: The Last Year*, Donald Spoto allows us to finally understand the complete story of this woman in conflict. Diana was driven by a philanthropic desire to relieve suffering and change the world, but she was also determined to make up for a youth that was taken from her, at the age of nineteen, when she became the wife of the future king of England. In Donald Spoto's elegant and richly satisfying book, Diana's last year is set before us in all of its triumph and glory.

Princess Diana Lara Antal, 2016-07-15 Princess Diana lived much of her life in the public eye and suffered for it. She should not be remembered only for her fashion choices and her uncomfortable celebrity, but for her activism and generosity. Students will learn more about this fascinating and inspiring leading lady in this text that explores Princess Diana's life and her social achievements.

Diana, Princess of Wales Sherry Beck Paprocki, 2009 Biography of Diana, Princess of Wales, who rose above personal difficulties to become a noted champion of humanitarian causes.

Diana Nicholas Davies, 1992 Focuses on Princess Diana's marriage to Prince Charles, based on interviews of friends, servants, and relatives.

Diana, William, and Harry James Patterson, Chris Mooney, 2022-08-15 Instant New York Times Bestseller! "She was the best mother in the world," said Princes William and Harry at Diana's 10-year memorial. "Entertaining and persuasive," (Publishers Weekly) this is the first big book about the private Diana, the mother of two princes. "Royal fans will devour this well-paced biography that gives new insight into the House of Windsor. You'll tear through it by sundown and walk away thinking about the Princess of Wales and her two sons with new perspective ." –Men's Journal From the moments William and Harry are born into the House of Windsor, they become their young mother's whole

world. I've got two very healthy, strong boys. I realize how incredibly lucky I am, Diana reminds herself every morning. But even the Princess of Wales questions, Am I a good mother? Diana's faced with a seemingly impossible challenge: one son destined to be King of England and another determined to find his own way. She teaches them to honor royal tradition, even while daring to break it. "Sometimes I'd like a time machine..." Diana says as William and Harry grow up, never imagining they'd have less than a lifetime together. Even after she's gone, her sons follow their mother's lead—and her heart. As the years pass and William and Harry grow into adulthood and form families of their own, they carry on Diana's name, her likeness, and her incomparable spirit. "James Patterson applies his writerly skills to real-life history with novelistic style" (People) in this deeply personal and revealing biography of the world's most storied family, from the world's #1 bestselling author.

The Way We Were Paul Burrell, 2010-10-19 Paul Burrell served Diana, Princess of Wales, as her faithful butler from 1987 until her death in 1997. He was much more than an employee: he was her right-hand man, confidant, and friend whom Diana herself described as the only man she ever trusted. Featuring previously unseen interior photographs and remarkably intimate details, *The Way We Were* flings open the doors to Kensington Palace, leading readers deep inside the private world of Princess Diana—room by room, memory by memory. Marking the tenth anniversary of the princess's death, Burrell has penned a faithful and poignant tribute to the boss—capturing as never before her vivacity and love of life, her style, her fashion, and her heart.
