**Nothing More to Tell** George Dila,2011 Fiction. NOTHING MORE TO TELL brings together short stories that reflect the combined effects of history, family, and society on the men and women of Michigan's small towns and big cities. Dila's prose presents us with a view of middle-aged, middle-class men that is at once ruthlessly honest and understanding. Their lives are tightly woven chains of successes and failures, which culminate in episodes that are occasionally comic, often catastrophic. The pieces in this collection will sometimes cause laughter, sometimes outrage; but they are unflinching in their demand for compassion.

**Working Stiffs** George Dila,2014-05-16 The stories in Working Stiffs are crafted with crisp language and buoyant dark humor that beautifully reveal unique and intense situations. George Dila shows us what it's like out there, making our way, every day, against power-tripping bosses, dehumanizing military duties, the inexorable advance of old age. All of the characters in George Dila's stories compel us to believe and invest in their lives; although they may be at the mercy of uncompromising bosses and impossible situations, they still stand up and wage their own battles. These working stiffs grunt and sing, dodge and kill, betray and grant mercy. The impact of Dila's work is undeniable, and we're left imprinted by the generous raw emotion in every scene.

**Dila: (The Story of an Unknown Indian)** D. K. Saha,2015-11-12 Subsequent to division of India in 1945 into two Sovereign States of 'India' and 'Pakistan' (West and East Pakistan, East Pakistan subsequently became a new sovereign country of Bangladesh), devastating communal riots were engineered by 'Religious fanatics' causing greatest Human Migration across the borders of newly born twin states. Millions of Hindus and Muslims fled each others' borders leaving behind their hearth and homes. While fleeing, the joint family got fragmented and Dila's parents escaped to Calcutta (now Kolkata) of Sovereign India, but had extreme difficulties to survive. This book tells the story of effect of migration on a joint family, its break-up and ultimate survival of few of its members. Division of countries and human migrations caused same fate for many families at that time, this book reflects the story of one.

**Dila Ng Bayan** Isagani R. Medina,2005 On history of Philippine languages and culture.

**Where Rivers Go to Die** Dilman Dila,2023-03 A young teen, haunted by the ghost of his father, takes it upon himself to save his brother and his people from a warlord's marauding army. A frustrated detective is driven to the brink, confronting the vengeful spirit killing grooms on their wedding night. What happens when British colonials find Martians in Africa, a brash warrior battles his elders and ancient horrors in order to secure paradise for his people, or an exiled abiba is stolen away to find his true destiny? Emerging Africanfuturist writer/director, Dilman Dila, brings us Where Rivers Go to Die, a startling collection of eight wonderful tales full of imagination, wonder, sorrow, power, and hope that weave Uganda's wonderful myth and reality with its past, present, and possible future as only he can.

*Ancient Beliefs and Customs of the Tagalogs* Jean-Paul G. POTET,2017-11-18 This book is a provisional essay, followed by a vocabulary and an index, on the Tagalogs' world view in the Sixteenth Century. It is mainly based on the entries of the earliest dictionaries of the Tagalog language. These were written by Spanish lexicographers about half-a-century after the conquest of the Philippines (Cebu 1565, Manila 1571). Additional data are drawn from Spanish chronicles. Many of the

recorded beliefs and customs were already obsolete at the turn of the Seventeenth Century. Some are extremely surprising, starting from the primeval myth according to which the world had no solid land at its beginning, but only two fluids, water and air.

**Asian Yearbook of International Law, Volume 27 (2021)** , 2023-11-20 Launched in 1991, the Asian Yearbook of International Law is a major internationally-refereed yearbook dedicated to international legal issues as seen primarily from an Asian perspective. It is published under the auspices of the Foundation for the Development of International Law in Asia (DILA) in collaboration with DILA-Korea, the Secretariat of DILA, in South Korea. When it was launched, the Yearbook was the first publication of its kind, edited by a team of leading international law scholars from across Asia. It provides a forum for the publication of articles in the field of international law and other Asian international legal topics. The objectives of the Yearbook are two-fold: First, to promote research, study and writing in the field of international law in Asia; and second, to provide an intellectual platform for the discussion and dissemination of Asian views and practices on contemporary international legal issues. Each volume of the Yearbook contains articles and shorter notes; a section on Asian state practice; an overview of the Asian states' participation in multilateral treaties and succinct analysis of recent international legal developments in Asia; a bibliography that provides information on books, articles, notes, and other materials dealing with international law in Asia; as well as book reviews. This publication is important for anyone working on international law and international relations.

A Killing in the Sun Dilman Dila, 2014-09-23 'A Killing in the Sun' is a collection of speculative fiction from Africa. It draws from the rich oral culture of the author's childhood, to tell a wide variety of stories. Some of the stories are set in a futuristic Africa, where technology has transformed everyday life and a dark force rules. Others are set in the present day, with refugee aliens from outer space, ghosts haunting brides and grooms, evil scientists stalking villages, and greedy corporations creating apocalypses. There are murder mysteries, tales of reincarnation and of the walking dead, and alternative worlds whose themes any reader will identify with. This collection is deftly crafted, running along the thin boundary of speculative and literary genres.
