Finding My Place Elizabeth Pipko, 2020-08-25 She's been described by many as a rising star in the Conservative movement, but how did she get here? And more importantly, did she ever plan to? In *Finding My Place*, Elizabeth takes us back to the beginning. As the daughter of immigrants and a proud religious Jew, Elizabeth dives into the core of what drives her: the sacrifices of her parents and grandparents and all that they had to endure to make sure that she had the opportunity to live the American dream. With an emphasis on her faith and her upbringing, where she pinpoints the lessons and moments that she knew would dictate her future, Elizabeth takes us on a journey that started long before she was even born. From heartbreak and injury, to triumph

and recognition, to her start as a figure skater, a writer, a model, and eventually a political activist, Elizabeth takes us along on her journey of finding her place in the world of sports, fashion, Judaism, politics, and so much more. Finding My Place is the behind-the-scenes look at everything she has yet to tell the world.
