**Esperanza** Trish J. MacGregor, 2011-06-28 Tess Livingston met Ian Ritter at a roadside stop high in the Andes, waiting for a bus to the mysterious town of Esperanza. Their meeting will change their lives forever. They hold the key in a mystical war between spirits of the dead and hungry ghosts who live only to possess living human bodies and return, however briefly, to life.

**Esperanza and Hope** Esperanza Snyder, 2018-09-04 Lots of hope

**Esperanza and All My Hope** Carlos Garcia, 2015-03-13 There he goes again, driving with his head down every chance he has. He's going through something, but every year, nothing ever seems to change. School is going to start again in a couple of days, and he has no new clothes for his boys. The clothes they have are worn out with gravel and sweat entangled within the cloth. Their feet keep growing, but they'll only get laces after the old ones wear out and finally break. We must learn from our mistakes. And know that it's okay to make mistakes, but to ignore them is to repeat them, and if we repeat them, this cycle will never end. There he goes again driving,

wondering what type of man would let his children walk into a classroom with that feeling of failure stamped to their future before they cross in the classroom door. He's counting his money to see if he can at least buy some soap before turning into the grocery store. After counting the change in his hand, his eyes turn red. He wants to cry. He wants to hit something. It needs to come out. It will come out. He hides his face from his sons who are wondering why the car is not moving. It's hard to be a full-grown man and to have that feeling of hopelessness that you can't take care of your own children. In their eyes, there's nothing that you can't do, but you know the difference. Don't see me cry. I can't break down right now. Why can't I do it? Why can't I make it through the week? Why do I have to beg? But I will beg for my children's sake. They deserve better. I'll keep looking for that job, start that business my wife and I always want and always talk about, tired of just talking about it though. Ten years together. Two children we have brought into this world. We've got to stop driving in circles for our children sake. We can do amazing things for our children. And, children, learn from our mistakes. We don't want you to struggle, but if you do struggle, know it will get easier in time and that your family always loves you. There he goes again driving, thinking which road looks the best. He can't afford to turn down the wrong road. But how does one know which path will lead to prosperity? His children beg him to go while his wife touches his hand reassuring him that wherever they go, they go together. Slowly the brake pedal releases and the car starts to

move even as he's not sure which direction to turn the wheel. And there he goes. God bless. Your mother and I know that feeling. Sometimes you just have to push the gas pedal and see where God takes you.

**Esperanza** Jaime Hernandez, 2011-08-17 In this batch of "Locas" stories by Jaime Hernandez from the pages of Love and Rockets Volume II (picking up where 2010's Penny Century collection left off), an older and wiser Maggie faces down her old demons and the "Ghost of Hoppers" in a full-length graphic novel (which also introduces one of Jaime's greatest recent characters, Vivian the "Frogmouth," the near-psychotic bombshell). Meanwhile, the ever-feisty but maturing Hopey (her Spanish birth name giving this collection its title) transitions from tending bar to teaching kindergarten (while still juggling a complex love life), and the final quarter of the book shows Maggie's lovable ex Ray Dominguez being dragged into the aftermath of a grisly murder thanks to his falling for the Frogmouth.

**The House on Mango Street** Sandra Cisneros, 2013-04-30 NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. "Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to

lift off the page. She is not only a gifted writer, but an absolutely essential one.” –The New York Times Book Review The House on Mango Street is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. “In English my name means hope,” she says. “In Spanish it means too many letters. It means sadness, it means waiting. Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros’s masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis’s Main Street or Toni Morrison’s Sula, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one’s story and of being proud of where you’re from.

*Soul Food Sunday* Winsome Bingham, 2021-11-16 Granny teaches her grandson to cook the family meal in this loving celebration of food, traditions, and gathering together at the table □A 2022 Coretta Scott King Book Award Illustrator Honor Book On Sundays, everyone gathers at Granny's for Soul Food. But today, I don't go to the backyard or the great room. I follow Granny instead. "You're a big boy now," Granny says. "Time for you to learn." At Granny's, Sunday isn't Sunday without a big family gathering over a lovingly prepared meal. Old enough now, our narrator is finally invited to help cook the dishes for the first time: He joins Granny in

grating the cheese, cleaning the greens, and priming the meat for Roscoe Ray's grill. But just when Granny says they're finished, her grandson makes his own contribution, sweetening this Sunday gathering—and the many more to come. Evocatively written and vividly illustrated, this mouthwatering story is a warm celebration of tradition and coming together at a table filled with love and delicious food.

**Esperanza Means Hope** Wanda Homen, 2016-04-13

Esperanza's difficulties with learning the English language have been a real handicap for her. Even her little daughter, Rosy, finds it difficult to cheer her up. Students from 12 and above will find this book not only entertaining but also a great help in learning what techniques to use when people confuse them with words having more than one meaning.

**The Esperanza Fire** John N. MacLean, 2013-02-01

When a jury returns to a packed courtroom to announce its verdict in a capital murder case every noise, even a scraped chair or an opening door, resonates like a high-tension cable snap. Spectators stop rustling in their seats; prosecution and defense lawyers and the accused stiffen into attitudes of wariness; and the judge looks on owlishly. In that atmosphere of heightened expectation the jury entered a Riverside County Superior Court room in southern California to render a decision in the trial of Raymond Oyler, charged with murder for setting the Esperanza Fire of 2006, which killed a five-man Forest Service engine crew sent to fight the blaze. Today, wildland fire is everybody's business, from the White House to the fireground. Wildfires have grown bigger, more intense, more destructive—and more expensive. Federal taxpayers, for example, footed most of the \$16 million bill for fighting the Esperanza Fire. But the highest cost was the lives of the five-man crew of Engine 57, the first wildland engine crew ever to be wiped out by flames. They were caught in an area ignition, which in seconds covered three-quarters of a mile and swept the house they were defending on a dry ridge face, where human dwellings chew into previously wild and still unforgiving territory. John Maclean, award-winning author of three previous books on wildfire disasters, spent more than five years researching the Esperanza Fire and covering the trial of Raymond Oyler. Maclean offers an insider's second-by-second account of the fire and the capture and prosecution of Oyler, the first person ever to be

found guilty of murder for setting a wildland fire.

**Gloria and Esperanza** Julie Bovasso, 1969 A poet one day takes a draft that transports him over the rainbow into the land of chimeras and wicked wizards. In the real world he leaves behind, he is victimized by his vulgar mistress who steals his materials and sells them to the mailman. Then a landlord cuts himself in on the action, and finally an internal revenue man. Many people live high off the hog of the writer's back. Meanwhile, the poet confronts a psychiatrist who is obsessed with penes as though with God and who measures genius by them. He escapes from him, only to end up in the looney bin where he meets Sts. Anthony (a nut for flagellation), Augustine, Teresa (a male, and later stripper), and even the Prince of Darkness himself. Now his job is to escape from the Prince. All of this becomes the subject of his latest secret book, which then becomes a means of even more money for the parasites who steal from him.--Publisher.
