Evelyn Evelyn Doyle,2011-12-30 Told through the eyes of his daughter Evelyn, this is the true story of a father's fight to reclaim his children from the Irish government in the 1950s, now a major film. Desmond Doyle, 29, a painter and decorator, is married with six children and living in the infamous Fatima Mansions in Dublin in 1953. One day he comes home to find his wife has left him. He decides to go to England to find work and is advised to put his children into the state Industrial Schools system for a short time until he returns. When he returns he is told to his horror that the children have been consigned to the state until they are 16. This is the story of how Desmond Doyle fought the Irish legal system to change the law and win back his family.

The Seven Husbands of Evelyn Hugo Taylor Jenkins Reid,2017-06-13 The epic adventures Evelyn creates over the course of a lifetime will leave every reader mesmerized. This wildly addictive journey of a reclusive Hollywood starlet and her tumultuous Tinseltown journey comes with unexpected twists and the most satisfying of drama.

Adam and Evelyn Ingo Schulze,2011-11-08 From one of Germany's finest writers comes a wonderfully light and humorous novel set during the tumultuous events of 1989. A wobbling Hungary has just opened its borders to Austria enabling a flood of refugees to escape, the Berlin Wall is on the cusp of falling, and, yet, seemingly sheltered from this onrushing new world in their idyllic East German home are Adam, a tailor and dressmaker who enjoys a life of dressing (and undressing) his appreciative clientele, and Evelyn, Adam's restless girlfriend. Having just unexpectedly quit her job as a waitress, Evelyn returns home one day to find Adam sleeping with one of his customers. Calmly, but quickly, Evelyn packs her belongings and runs off to Hungary on a vacation she had originally planned to take with Adam. Accompanying Evelyn on her journey is her friend Simone and Michael, Simone's West German cousin. In hot pursuit, however, to everyone's surprise or dismay, is Adam. Following the group in his family's rickety 1961 Communist-made automobile, Adam chases after Evelyn, banishing himself from his Garden of Eden as she pursues her very own idea of heaven. As Adam and Evelyn are swept out on a Western tide of new freedoms—helping refugees and helping themselves to impetuous trysts with others along the way—they find themselves forced to adjust to life in a world forever changed. Paradise regained? Perhaps not. Upending our expectations from the start, Adam and Evelyn is a deceptively simple love story that will enthrall longtime readers and those new to the delights of Ingo Schulze's stories alike.

Three Kisses, One Midnight Roshani Chokshi,Sandhya Menon,Evelyn Skye,2022-08-30 New York Times bestselling authors Roshani Chokshi, Evelyn Skye, and Sandhya Menon craft a spellbinding novel about discovering the magic of true love on one fateful, magical night in Three Kisses, One Midnight. The town of Moon Ridge was founded 400 years ago and everyone born and raised there knows the legend of the young woman who perished at the stroke of twelve that very same night, losing the life she was set to embark on with her dearest love. Every century since, one day a year, the Lady of Moon Ridge descends from the stars to walk among the townsfolk, conjuring an aura upon those willing to follow their hearts' desires. "To summon joy and love in another's soul For a connection that makes two people whole For laughter and a smile that one can never miss Sealed before midnight with a truehearted kiss." This year at Moon Ridge High, a group of friends known as The Coven will weave art, science, and magic during a masquerade ball unlike any other. Onny, True, and Ash believe everything is in alignment to bring them the affection, acceptance, and healing that can only come from romance—with a little help from Onny's grandmother's love potion. But nothing is as simple as it first seems. And as midnight approaches, The Coven learn that it will take more than a spell to recognize those who offer their love and to embrace all the magic that follows.

Memoir & Letters of Capt. W. G. Evelyn William Evelyn,2009-03

Evelyn, After Victoria Helen Stone,2016 Evelyn Tester is sleepwalking through her suburban life—until a late-night phone call startles her awake. Her husband, a prestigious psychiatrist, has been in an accident. And he isn't alone. Suddenly Evelyn's world isn't as tidy as she thought. And in the midst of it all is Juliette, not only her husband's secret lover but also his patient. If news of the affair were to get out, it would ruin more than just Evelyn's marriage. Although it's a bitter pill for Evelyn to swallow,

protecting her family means staying silent--even if, as she begins to discover, the night of the accident has consequences far more dangerous than the unmasking of an affair. But the more Evelyn learns about Juliette's picture-perfect life--complete with a handsome, unsuspecting husband--the more she yearns for revenge ... and satisfaction. Her growing obsession fuels her rage, burning away her complacency. What will be left of her after it flames out?-- Page [4] of cover.

The prayers were carefully selected and include quotes from a variety of theologians and writers in Christian spirituality, as well as her own very rich, metaphorical and theologically deep prayers. These collections are now available for the first time.

Four lives in all, spanning three continents, are now bound together in an unfathomable way—and they tell a powerful story about love in all its incarnations, filial and amorous, healing and destructive.

Evelyn Del Rey Is Moving Away Meg Medina,2020-09-08 From Newbery Medalist Meg Medina comes the bittersweet story of two girls who will always be each other's número uno, even though one is moving away. A big truck with its mouth wide open is parked at the curb, ready to gobble up Evelyn's mirror with the stickers around the edge . . . and the sofa that we bounce on to get to the moon. Evelyn Del Rey is Daniela's best friend. They do everything together and even live in twin apartments across the street from each other: Daniela with her mami and hamster, and Evelyn with her mami, papi, and cat. But not after today—not after Evelyn moves away. Until then, the girls play amid the moving boxes until it's time to say goodbye, making promises to keep in touch, because

they know that their friendship will always be special. The tenderness of Meg Medina's beautifully written story about friendship and change is balanced by Sonia Sánchez's colorful and vibrant depictions of the girls' urban neighborhood.

Live and Let Live Evelyn M. Perry, 2016-12-22 We are in a bind, writes Evelyn M. Perry. While conventional wisdom asserts that residential racial and economic integration holds great promise for reducing inequality in the United States, Americans are demonstrably not very good at living with difference. Perry's analysis of the multiethnic, mixed-income Milwaukee community of Riverwest, where residents maintain relative stability without insisting on conformity, advances our understanding of why and how neighborhoods matter. In response to the myriad urban quantitative assessments, Perry examines the impacts of neighborhood diversity using more than three years of ethnographic fieldwork and interviews. Her in-depth examination of life on the block expands our understanding of the mechanisms by which neighborhoods shape the perceptions, behaviors, and opportunities of those who live in them. Perry challenges researchers' assumptions about what good communities look like and what well-regulated communities want. *Live and Let Live* shifts the conventional scholarly focus from What can integration do? to How is integration done?

The Intuitive Eating Workbook offers a comprehensive, evidence-based program to help you develop a healthy relationship with food, pay attention to cues of hunger and satisfaction, and cultivate a profound connection with your mind and body. Have you tried fad diet after fad diet, only to gain weight back? Maybe you've tried the protein diet only to move on to vegetables only?
