Frosty Inc. Trinity Blacio, 2023-11-09 Everyone believed the story that Mr. and Mrs. Frosty had lived happily ever after, but it was all a bunch of ice snowballs, a story that had been created by none other than Santa himself, his brother-in-law. It's true that Frosty had been married, but he had caught shifters Dancer and Donner taking his wife for some wild rides. No, Frosty had divorced his wife, started his business, Frosty Inc. while burying himself in work. With those striking blue eyes, he had plenty of interested women, but it wasn't until she stepped into his office to see his replacement

assistant that Frosty realized what he'd been missing. Holly Berry, a full-figured, curvy woman with dark red-brown hair and the biggest doe-like brown eyes he had ever seen, came into his office and inserted Christmas all throughout the building, bringing treats for all, including him. Could he get over the hurt of the past and embrace Holly's gift or would she flee him as Christmas spirit had every year?

Later, when Cami goes to his office to discuss the proposal, her blood runs cold. She finds Frosty dead, and the very snow globe she sold him earlier that day lies in sparkling shards on his carpet—along with a large diamond. Does the snow globe—which features a peculiar tableau of an armed man and three menacing bears—hold a clue to Frosty’s demise? One way or another, it’s up to Cami to shake things up before the killer’s trail goes cold... Snow globe-making projects and tips included!

Frosty My Spirit Guide Bethany-Elizabeth Faye Hansen, 2011-10-31 FOREWORD

Where does the word death come from anyway? Why do we call it death and what makes people dead? They are more alive than we are. We've all heard the expression, "It was like hugging a dead tree." Well, some people who are living are dead—or seem like they are. Why are we so afraid of death? Is it the word death—the way it feels on our tongue or the way the word death feels to us? Why are we not able to celebrate our loved ones' transition into a higher level of being? Is it only because we think we are being separated from them—that they are being ripped away from us? But just because we think they are—does that mean that they actually are? Joy is for the living, and transitioning into spirit is euphoric with joy. This book is about connecting with those that we love. It's about realizing that we are still connected and always can be. It's about believing in our loved ones' love for us, and that they have transitioned to help us and to teach us about being more in our hearts. All we have to do is stop—just stop, and listen, using our hearts instead of our minds. Just stop, then listen.... Can you hear them...?
