Take Her and Run Gabriella Grace,2018-06-15 After cutting the birth mother out of the girls lives, the father develops a relationship with a woman who falls in love with the two little girls. She has a special place in her heart for the one with special needs. Behaviors lead Veronica to suspect molestation, but for a long time, there is no evidence. Eventually, history comes to light, and after denials and confrontations, the family breaks up. The girls are first left with Veronica, but eventually, the father gains back custody of one and then both girls. When actual evidence of molestation presents itself, it is reported, but the father retains custody and cuts the only mom they know out of both girls lives. In this story, an opportunity arises for Veronica to kidnap the girl with developmental delay. She takes this opportunity to run and hide, making the long drive to the East Coast where she knows absolutely no one. Veronica disguises Dani as a boy, colors and perms her hair, gathers her pets, and sets out on a road trip to remember. The journey to the East Coast is overall a happy time but always with an underlying fear of exposure.

Gabriella's Return Patricia I I Catuto,2016-02-11 Gabriella's Return is a story about Gabriella Verducci and Marco Marino who were childhood sweethearts, Gabriella met Marco when she was twelve and made a bread delivery to his parent's Restaurant from her parent's Bakery. They became very good friends working in the same neighborhood called "Little Italy" where both their parent's owned their businesses. This was an area in Connecticut of a two mile strip of Italian Businesses where Generations of Italians had settled in the 1800's and families continued for generations after. These were all families who took care of one another so their children all grew up in a loving family community. Gabriella and Marco went all through school together and planned to get married after Marco finished Law School. Gabriella and Marco had been planning their wedding almost since they had met, and the night of their rehearsal dinner had finally arrived. Marco was driving in from New York where he had just gotten a job as an attorney at a Law Firm there. The weather was terribly foggy and rainy but Marco had driven this road many times before over the years. This time Marco would not make it home to his rehearsal dinner, so the marriage that they both had been waiting for since they were very young would never happen. Someone was making sure Marco never made it off that road, his car was hit from behind and driven off the road into the ravine. Now Gabriella and Marco would not get the life together that they had planned and Marco would never get to see his unborn daughter Gia. Gabriella would now have to raise their daughter alone, knowing someone had killed Marco on purpose, She may never know who or why. Did that mean

that Gabriella and her child were in danger from this person? At this time all Gabriella could think about was getting away from the tragedy and memories. Everything in Gabriella's life as she had known it had changed and not for the better.

The House of Gabriel Kristina Circelli,2017 Gabriella never felt like she belonged. At thirteen, she should have liked the same things as her friends: boys, the beach, and everything else that came with being a girl.But that's the problem - she doesn't feel like a girl.When she's shipped off to her grandma's for the summer, forced to attend therapy, Gabriella fears she'll never discover her true self. Her mom says she's confused. Her grandmother judges her short hair and boyish clothes. Only her great-great Uncle Louis, a retired priest, seems to understand that she feels like an imposter in a foreign body.Now she's stuck in a peculiar house filled with thousands of books, surrounded by a city of

strangers, with just one person to call a friend. Feeling entirely alone, Gabriella must learn to stand up for herself while navigating a new world she's no longer sheltered from. She's determined to make this summer mean something. It has to, because she can't go back to the way life used to be. She can't go back as Gabriella. Gabriella no longer exists. In her place is someone stronger, braver ... someone who belongs.
