Poems by Gabrielle Gabrielle,2018-09 Poems by Gabrielle is a book of poems for women of all ages. It's an expression of love, pain, happiness and the trials of life. It will inspire every woman that reads it to reach their goals and chase their dreams.

Gabrielle, Lost Lynn Case,2018-12-15 Gabrielle Grimaldi, the former party girl from Fears Revenge, thought she had finally found the right man, Frank, to settle down with. Her career in the fashion world was beginning to take off. That is, until she gets the opportunity to do some training in Italy and meets Giada Rosso, a wild Italian, fast driving, hot tempered fashion house maverick that would be her trainer. The two women have an instant connection. Then Gabrielle meets Antonio, Gia's brother and tensions begin to rise between the three of them. She finds herself reverting back to her wilder ways. Gabrielle soon discovers that her new found friends have a questionable family business on the dark side of the law. She soon discovers shipments in the family vineyard wine bottles hidden amongst fabrics for the fashion house. Soon she must decide between her boyfriend in America and her new friends in Italy. Confusion and tension rise as emotions continue to run high as kidnapping and sexual encounters ensue. Gabrielle then learns the connection between her boyfriend and her new friends in Italy.

Gabrielle's Prayer Kawanis Perryman,2011 Gabrielle Jordan is a 2nd grade student who loves her family. However, she is having some difficulties adjusting to her father, who is in the military, being away from her and her mommy. Every night, Gabrielle says her prayers and she prays for her father to come home. By the end of the story, Gabrielle is proud of her father for protecting their country and she sees him as her hero.

Everybody (Else) Is Perfect Gabrielle Korn,2021-01-26 From the former editor-in-chief of Nylon comes a provocative and intimate collection of personal and cultural essays featuring eye-opening explorations of hot button topics for modern women, including internet feminism, impossible beauty standards in social media, shifting ideals about sexuality, and much more. Gabrielle Korn starts her professional life with all the right credentials. Prestigious college degree? Check. A loving, accepting family? Check. Instagram-worthy offices and a tight-knit group of friends? Check, check. Gabrielle's life seems to reach the crescendo of perfect when she gets named the youngest editor-in-chief in the history of one of fashion's most influential publication. Suddenly she's invited to the world's most epic parties, comped beautiful clothes and shoes from trendy designers, and asked to weigh in on everything from gay rights to lip gloss on one of the most influential digital platforms. But behind the scenes, things are far from perfect. In fact, just a few months before landing her dream job, Gabrielle's health and wellbeing are on the line, and her promotion to editor-in-chief becomes the ultimate test of strength. In this collection of inspirational and searing essays, Gabrielle reveals exactly what it's truly like in the fashion world, trying to find love as a young lesbian in New York City, battling with anorexia, and trying not to lose herself in a mirage of women's empowerment and Instagram perfection. Through deeply personal essays, Gabrielle recounts her struggles to reconcile her long-held insecurities about her body while coming out in the era of The L Word, where swoon-worthy lesbians are portrayed as skinny, fashion-perfect, and power-hungry. She

takes us with her everywhere from New York Fashion Week to the doctor's office, revealing that the forces that try to keep women small are more pervasive than anyone wants to admit, especially in a world that's been newly branded as woke. From #MeToo to commercialized body positivity, Korn's biting, darkly funny analysis turns feminist commentary on its head. Both an in-your-face take on impossible beauty standards and entrenched media ideals and an inspiring call for personal authenticity, this powerful collection is ideal for fans of Roxane Gay and Rebecca Solnit.

When the Day Comes (Timeless Book #1) Gabrielle Meyer, 2022-05-03 How will she choose, knowing all she must sacrifice? Libby has been given a powerful gift: to live one life in 1774 Colonial Williamsburg and the other in 1914 Gilded Age New York City. When she falls asleep in one life, she wakes up in the other. While she's the same person at her core in both times, she's leading two vastly different lives. In Colonial Williamsburg, Libby is a public printer for the House of Burgesses and the Royal Governor, trying to provide for her family and support the Patriot cause. The man she loves, Henry Montgomery, has his own secrets. As the revolution draws near, both their lives--and any hope of love--are put in jeopardy. Libby's life in 1914 New York is filled with wealth, drawing room conversations, and bachelors. But the only work she cares about--women's suffrage--is discouraged, and her mother is intent on marrying her off to an English marquess. The growing talk of war in Europe only complicates matters. But Libby knows she's not destined to live two lives forever. On her twenty-first birthday, she must choose one path and forfeit the other--but how can she choose when she has so much to lose in each life?

GABRIELLE A Historical Fiction Novel of Six Consecutive Granddaughters Gabrielle de Courten Myers, 2023-08-30 GABRIELLE means God is strong; it is what six related Gabrielles relied on during their life journeys. Their fictional stories are told from cradle to grave spanning four centuries using personal and historical facts. All belonged to the French aristocracy; related privilege afforded them education and wealth but did not prevent them from confronting formidable obstacles and much pain. Thus, all experienced the abyss of losing children and they had to adjust to the death or loss of their spouse, often at a young age, or of parents while still being children themselves. These are female destinies presented by a female author--also a Gabrielle in the same bloodline--who hopes that how these Gabrielles dealt with adversity may be helpful to readers in their own struggles.

You Got Anything Stronger? Gabrielle Union, 2021-09-14 Included in Time's 100 Must Read Books of 2021 list * A New York Times Best Seller * One of Audible's Best of The Year * AV Club's Best Books to Buy "Funny, tender, and so good." – Mindy Kaling, #1 New York Times bestselling author of *Why Not Me?* Remember when we hit it off so well that we decided We're Going to Need More Wine? Well, this time you and I are going to turn to our friend the bartender and ask, You Got Anything Stronger? I promise to continue to make you laugh, but with this round, the stakes get higher as the conversation goes deeper.

So. Where were we? Right, you and I left off in October 2017, when my first book came out. The weeks before were filled with dreams of loss. Pets dying. My husband leaving me. Babies not being born. My therapist told me it was my soul preparing for my true self to emerge after letting go of my grief. I had finally spoken openly about my fertility journey. I was having second thoughts—in fact, so many thoughts they were organizing to go on strike. But I knew I had to be honest because I didn't want other women going through IVF to feel as alone as I did. I had suffered in isolation, having so many miscarriages that I could not give an exact number. Strangers shared their own journeys and heartbreak with me. I had led with the truth, and it opened the door to compassion. When I released *We're Going to Need More Wine*, the response was so great people asked when I would do a sequel. The New York Times even ran a headline reading "We're Going to Need More Gabrielle Union." Frankly, after being so open and honest in my writing, I wasn't sure there was more of me I was ready to share. But life happens with all its plot twists. And new stories demand to be told. This time, I need to be more vulnerable—not so much for me, but anyone who feels alone in what they're going through. A lot has changed in four years—I became a mom and I'm raising two amazing girls. My husband retired. My career has expanded so that I have the opportunity to lift up other voices that need to be heard. But the world has also shown us that we have a lot we still have to fight for—as women, as black women, as mothers, as aging women, as human beings, as friends. In *You Got Anything Stronger?*, I show you how this ever-changing life presents challenges, even as it gives me moments of pure joy. I take you on a girl's night at Chateau Marmont, and I also talk to Isis, my character from *Bring It On*. For the first time, I truly open up about my surrogacy journey and the birth of Kaavia James Union Wade. And I take on racist institutions and practices in the entertainment industry, asking for equality and real accountability. *You Got Anything Stronger?* is me at my most vulnerable. I have recently found true strength in that vulnerability, and I want to share that power with you here, through this book.

Father Gabrielle's Fairy. [A tale.] Mary Peckham, 1869

Gabrielle's Horn David Craig, 2020-09-30 Gabrielle Bossis is a voice well worth listening to. Both Jesus and the Father come through in her *He and I*, suffusing the book with love and mercy (Catherine of Siena's "pazzo d'amore"). Through her locutions, we feel Jesus more intimately than we do during most of our own more prosaic lives. These poems attempt to play off those two things: what we know against the splendor of what has been revealed to her. They seek to celebrate Who this marvelous He is.
