**GABRIELLE A Historical Fiction Novel of Six Consecutive Granddaughters** Gabrielle de Courten Myers,2023-08-30 GABRIELLE means God is strong; it is what six related Gabrielles relied on during their life journeys. Their fictional stories are told from cradle to grave spanning four centuries using personal and historical facts. All belonged to the French aristocracy; related privilege afforded them education and wealth but did not prevent them from confronting formidable obstacles and much pain. Thus, all experienced the abyss of losing children and they had to adjust to the death or loss of their

spouse, often at a young age, or of parents while still being children themselves. These are female destinies presented by a female author-also a Gabrielle in the same bloodline-who hopes that how these Gabrielles dealt with adversity may be helpful to readers in their own struggles.

Captain Jean Bouclaire has finally decided to settle down and he knows the right woman to ask. On his way to join Gabrielle he is challenged to a deadly duel that results in his exile from the Louisiana Territory. Now a fugitive, he must decide whether to flee the colony or risk his life for one last glimpse of his dark Acadian beauty.
