The Gentlemen's Club Gary M. Douglas,2014-11-10 In The Gentlemen's Club, Gary Douglas, the founder of Access Consciousness(R), and a diverse group of men talk candidly about women, relationships, sex, sexual energy, masturbation, and being a man in this reality. Their wide-ranging conversations are in turn, funny, moving, outrageous, raunchy, and profound. Douglas offers ground-breaking Access Consciousness tools and processes, insightful revelations, and incredible information about how to talk to a woman, how to stimulate her body, how to create orgasms by expansion rather than contraction, and how to create sex and relationship from an awareness of what is rather than a fixed point of view about what they are supposed to be. Speaking of relationships, he says, Sometimes people say to me, 'You don't like relationships.' No. It's that I don't like bad relationships. I see no reason for there to ever be a bad relationship. If you have a relationship, it should be something that adds to your life and makes it greater and better and more fun. If a relationship doesn't do that, why be in one? Douglas also talks about trusting yourself as a man, creating a sense of partnership with other men, and discovering what it is that would make you thrilled with your life. Praise from Gentlemen's Club Participant: I'm so grateful for The Gentlemen's Club. For the first time in my life, I'm happy about being a man and being in a man's body. Praise from Gentlemen's Club Participant's wife: Thank you so much for doing these classes. I've got back the man that I fell in love with.

Divorceless Relationships Gary M. Douglas,Dain Heer,2013 What if you don't have to divorce you in order to create an intimate relationship? Most of us spend a lot of time divorcing parts and pieces of ourselves in order to care for someone else. For example, you like to go jogging but instead of jogging, you spend that time with your partner to show him or her that you really care. I love you so much that I would give up this thing that is valuable to me so I can be with you. This is one of the ways you divorce you to create an intimate relationship. How often does divorcing you really work in the long run? When you give up any part of yourself, you give up what was so attractive about you to that other person in the first place and pretty soon the other person doesn't want to be with you anymore. A divorceless relationship is one where you don't have to divorce any part of you in order to be in a relationship with someone else. It is a place where everyone and everything you are in a relationship with can become greater as a result of the relationship. Divorceless Relationship contains tools, exercises and processes you can use to: * Create divorceless relationships * Discover what you would like as a relationship * Discover what is true for you * Use energy to attract the person you're interested in * Know when it's time to leave a relationship * Renew and recreate your relationship with your partner * Bring sex back into your relationship * Turn your lover on

Money Isn't the Problem, You are Gary M. Douglas,2012 The authors share processes, tools, and points of view that can be used to change the way money flows into one's life. What a person is unwilling to receive creates the limitation of what he or she can have.

Relationship. Are You Sure You Want One? Simone Milasas,Brendon Watt,2018-11 Have you ever stopped to ask yourself if you really want a relationship? And if you do, what would you really like to create? RELATIONSHIP. Are you sure you want one? This is not your average relationship book. There is no 'sugar coating, ' just practical tips and tools written from the authors, Simone and Brendon, so you can have both the male and female perspective. Warning: you might not like what you hear! Ladies, the man in your life didn't ask you to come along and change him into what you have decided is the perfect man for you. Brendon Watt Refreshingly honest, the book talks about: - Why there is no perfect relationship - Why you are the valuable product - The keys to intimacy - Choosing for you - Why gratitude is the key to letting go of judgement Relationship. Are you sure you want one? Is a totally different way of looking at relationships. To me, relationship is about two different people who have chosen to be together for a space to create something that is far greater than each of them could create alone. Simone Milasas If you would like to have a great relationship, whether it is with someone else or with yourself, then this book might just be for you. relationshipareyousureyouwantone.com

Joy of Business Simone Milasas,2012 What if BUSINESS was JOYFUL and FUN? What if it was so much more than you ever perceived possible? If you were creating your business from the JOY of it - what would you choose? What would you change? What would you choose if you knew you could not fail? Business is JOY, it's creation, it's generative. It can be the adventure of LIVING. Australia's Simone Milasas is a dynamic business leader with a difference. She is the worldwide coordinator of Access Consciousness (www.accessconsciousness.com), the founder of Good Vibes For You (www.goodvibesforyou.com), and the creative spark that ignited The Joy of Business (www.accessjoyofbusiness.com). I LOVED reading this book. It has changed so many things for me. I see the places in business where I stuck only one toe in the water rather than choosing the adventure of immersing my whole body and being. I have also become more aware of how to communicate with people whose style of communication is different from mine. Holy moly, that is huge! Thank you, Simone,

for reminding me of how differently I do business and that anything is possible-no matter what anyone else says.' -Diva Diaz, Australia.

Sex Is Not a Four Letter Word Gary Douglas,Dain Heer,2013-08-15 This is a sharp and refreshing departure from conventional books about sex and relationship that are based on psychological theories and principles. If those really worked, writes Gary Douglas, wouldn't you have been free, expansive and joyful in your relationship a long time ago? Funny, frank, and delightfully irreverent, Sex Is Not a Four Letter Word but Relationship Often Is, offers readers an entirely fresh view of how to create great intimacy and exceptional sex, and provides answers to questions you may never have thought to ask.

Magic. You Are It. Be It. Gary M. Douglas,Dr Dain Heer,2012 The authors share processes, tools, and points of view that can be used to create consciousness and magicNand change one's life in unimaginable ways.

The Place Gary Douglas,2013-02 As Jake Rayne travels through Idaho in his classic '57 Thunderbird, a devastating accident is the catalyst for a journey he isn't expecting. Alone in the deep forest, with his body battered and broken, Jake calls out for help. And the help he finds changes not only his life but his whole reality. Jake is opened up to awareness' of possibilities. Possibilities that we have always known should be, but have not shown up. Are you willing to have a world where language is not a barrier and people communicate telepathically, where the ability to heal and nurture one another is not limited to the qualified few? What people say... This novel is so well written that it transported me to The Place and made me wish I was one of the characters and wonder how this world could be if that kind of stuff was possible? --Claudia This book gives a very different perspective on life and the possibilities presented. In a way i have been dreaming of this place, but I had no idea that someone else would have the same vision, so maybe this 'place' actually exists? That would be a dream come true beyond my wildest imagination! A great read that made me desire to read it again and again, and every time I did, there would be more things I would become aware of, that were hiding in the depth of the wonderful language presented in this book. --Suzy
