Moshe Meiselman

Gray Matter Chaim Jachter,Ezra Fraser,2008

Reason to Believe Chaim Jachter,2017 Rabbi Chaim Jachter's extraordinary blend of scholarship, talent and experience makes him uniquely qualified to have authored this essential volume. In Reason to Believe, Rabbi Jachter brings to bear vast Torah knowledge, decades as a master educator and sensitive personal insight as he tackles the critical questions of faith and belief that confront young and old in today's world. Readers of all backgrounds and outlooks throughout the Jewish community will be amazed and reassured as the author openly raises the very questions that they themselves have been asking and as he provides an array of profound, convincing responses to those questions. Book jacket.

Bridging Traditions: Demystifying Differences Between Sephardic and Ashkenazic Jews Haim Jachter,2022-01-10 As the rabbi of a Sephardic synagogue for over twenty years who is himself of Ashkenazic descent and trained in Ashkenazic yeshivot, Rabbi Haim Jachter has a unique vantage point from which to observe the differences in customs and halachot between Ashkenazim and

Sephardim. In *Bridging Traditions*, Rabbi Jachter applies his wide-ranging expertise to explicating an encyclopedic array of divergences between Ashkenazic and Sephardic halachic practice, while also capturing the diversity within different Sephardic communities. *Bridging Traditions* is essential reading for Jews of all origins who are interested in understanding their own practices and appreciating those of their brethren, and in seeing the kaleidoscope of halachic observance as a multi-faceted expression of an inner divine unity.

Gray Matter II Rabbi Chaim Jachter, 2019-08-25 Tough questions often yield different answers. Rabbi Chaim Jachter selects topics of relevance and interest to contemporary Jews and, in his characteristically clear and readable style, comprehensively surveys the issues and the varying views of contemporary scholars. Torah authorities from a broad spectrum of Jewry are included in these broad studies. Topics covered range from how and when to save lives on Shabbat including whether one may return from the hospital, the complex Agunah cases that emerged from the World Trade Center tragedy, when Halachah causes infertility, the use of lawyers in a Beit Din, and much more.

This book contains the first extensive English discussion of the contemporary theoretical and practical issues involved in building and maintaining Mikva'ot.

From David to Destruction Rabbi Chaim Jachter, 2019-08-05 In From David to Destruction, Rabbi Chaim Jachter offers new solutions to both classic and previously unaddressed issues in the study of Sefer Melachim and Tanach. Combining traditional commentaries with innovative interpretations, From David to Destruction provides key insights into the spiritual challenges faced by the Jewish leadership and nation during the First Temple period, and applies the narratives of Sefer Melachim to contemporary Hashkafic issues. From David to Destruction: Mining Essential Lessons from Sefer Melachim comprises an intensive study of Shlomo HaMelech, Yarav'am ben Nevat, Beit Achav, Eliyahu HaNavi, Elisha, Yeshayahu HaNavi, Achaz, Chizkiyahu, Menashe, Yoshiyahu, Yirmiyahu HaNavi, and more. ELIZABETH KRATZ, THE JEWISH LINK OF NEW JERSEY: Learning Tanach is a pleasure at any phase of life; gleaning the layered lessons of our great books and interpreting the struggles, challenges and decisions of our Nevi'im and Melachim seemingly becomes more relevant to

our own lives as we age. However, if at the age of 16 or 17 I had had the opportunity to learn Tanach with Rabbi Chaim Jachter, his teachings would certainly have carried me through these many years... How fortunate we are to now have the opportunity to both learn Tanach as adults, with all our varied life experiences in hand, and also sit, albeit vicariously, in Rabbi Jachter's class at TABC.... The book goes through Sefer Melachim chapter by chapter, combining both the main ideas of the Perakim with various questions, material points, commentaries and problems that came up during classroom discourse. In addition to quoting Chazal's explanations, it includes his students' thoughts and interpretations, as Rabbi Jachter has done in previous books. This book goes the extra step of adding Rabbi Jachter's own classroom thoughts and vignettes, often including modern examples of leadership choices and challenges similar to the ones faced by the protagonists of the Sefer.

Walking the Line Rabbi Chaim Jachter, 2020-08-09 Learning and mastering Hilchot Eruvin is a daunting challenge. *Walking the Line: Hilchot Eruvin from the Sources to the Streets* sets forth a practical path to conquer this challenge by bringing Hilchot Eruvin to life. The product of over thirty

years of experience helping communities design and maintain their eruvim, Rabbi Chaim Jachter demonstrates how the concepts of Hilchot Eruvin are applied in the field. This work is an indispensable guide for anyone interested in eruvim, whether they are learning the masechet, the Halachah, or are simply interested in helping their community create, expand, or maintain its eruv. This volume discusses: The Laws of Creating an Eruv Defining the Four Domains A List of Major Cities Highways, Railroads, & Overpasses Constructing the Tzurot Hapetach The Maximum Size of an Eruv Islands and Waterfronts Introduction to Karpeif, Eruv Chatzeirot, & Sechirat Reshut Karpeif and Bodies of Water Eruv Chatzeirot Considerations Demistifying Atu Rabim Eruvin Infrastructure A Lechi on Every Utility Pole? A Tree as a Lechi Lechi Strength Gud Achit Mechitzta and Lavud A Defense of the Top-side Wire The Use of Tachuv in Contemporary Community Eruvin Pitcha B'keren Zaviv Case Studies Sagging Wire in the Yeshiva University Eruv Mei'achorei Hakotel in Long Island The Boardwalk Railing in Long Branch, New Jersey The Stringency of the Tevu'ot Shor & the Yale New Haven Eruv The 'All-American' Eruv in Champaign-Urbana The Lechi Under the Cabin Eaves at Camp Ramah Darom The

Delatot of Canarsie, London, Mattersdorf, & Oakland Diversity in Eruvin Sephardic Standards for Defining a Reshut Harabim Eruv Standards According to Sephardic Measurements Chabad and Community Eruvin The Modi'in Eruv & Eruvin Standards in the Jewish State The Machmir & the Meikel Making Allowances for Each Other Fighting Price Gouging by Adopting a Lenient Opinion Eruv Maintenance A Community Model for Eruvin Maintenance in Sharon, MA Managing an Eruv Emergency in Cambridge, MA The Friday Afternoon the Rabbi Discovered the Eruv Was Broken Eruv Through the Storm The Proper Way to Challenge Authority During Eruv Inspection Eruv Inspections for Yom Tov Guidelines for Eruvin Maintenance Standards for Competent Inspection of Community Eruvin

Depths of Yonah Chaim Jachter, Rabbi Chaim & Binyamin Jachter, 2018-07-31 The Depths of Yonah is a fresh and thorough exploration of what is for many a highlight of the Yom Kippur service, the book of Yonah. This work is a beautiful blend of classic, contemporary and new insights into the beloved book of Yonah with an eye as to why Yonah cuts to the core of what we should be accomplishing on Yom Kippur. Readers of the Depths of Yonah will emerge with a deep appreciation

for the richness of the book of Yonah and invigorated for a more meaningful Yom Kippur.

The Halachic Haircutting Handbook Rabbi Chaim - Binyamin Jachter, 2021-09-30 Much confusion persists regarding the laws of pe'ot and electric shavers. Unanswered questions abound regarding these two areas of halachah. The product of thorough halachic and technological research, The Halachic Haircutting Handbook sets out to present what constitutes baseline halachah with respect to these issues. Included in this volume: - How far the pe'ot ha'rosh must extend - How short one may trim pe'ot ha'rosh - Shaving in halachah - The permissibility of electric shavers Breakdown of the types of electric shavers New evidence from Philips Norelco

Gray Matter Chaim Jachter, 2000

The Contemporary Eruv Yosef Gavriel Bechhofer, 2002 A comprehensive review of the complex laws of constructing and using an eruv, especially as are applicable to today's neighborhoods. Compiled from many quoted Talmudic and rabbinic sources. Presented in a clear, annotated format. A valuable book for both layman and scholar.

The Oxford Handbook of Judaism and Economics Aaron Levine, 2010-11-12

The interaction of Judaism and economics encompasses many different dimensions. Much of this interaction can be explored through the way in which Jewish law accommodates and even enhances commercial practice today and in past societies. From this context, *The Oxford Handbook of Judaism and Economics* explores how Judaism as a religion and Jews as a people relate to the economic sphere of life in modern society as well as in the past. Bringing together an astonishingly strong group of top scholars, the volume approaches the subject from a variety of angles, providing one of the most comprehensive, well-rounded, and authoritative accounts of the intersections of Judaism and economics yet produced. Aaron Levine first offers a brief overview of the nature and development of Jewish law as a legal system, then presents essays from a variety of angles and areas of expertise. The book offers contributions on economic theory in the bible and in the Talmud; on the interaction between Jewish law, ethics, modern society, and public policy; then presents illuminating explorations of Judaism throughout economic history and the ways in which economics has influenced Jewish history. The

Oxford Handbook of Judaism and Economics at last offers an extensive and welcome resource by leading scholars and economists on the vast and delightfully complex relationship between economics and Judaism.

Contemporary Halakhic Problems J. David Bleich, 1977

Federal Trade Commission Decisions United States. Federal Trade Commission, 1967

The Shabbat Elevator and other Sabbath Subterfuges Alan Dundes, 2002-01-21 There are literally hundreds if not thousands of books written about Judaism and Jews, but this book is unlike any previously published. It focuses on the topic of 'circumventing custom' with special emphasis on the ingenious ways Orthodox (and other) Jews have devised to avoid breaking the extensive list of activities forbidden on the Sabbath. After examining the sources of Sabbath observance as set forth in the Old Testament, the New Testament, and rabbinical writings, some of the most salient forms of circumvention are described. These include: riding a special Shabbat elevator, unscrewing the lightbulb in the refrigerator, constructing an eruv (a space extending one's domicile so that objects may be

carried outside the home), and relying on the services of the so-called 'Shabbes Goy,' among others. Dundes respectfully analyzes such facets of Jewish characteristics as an undue concern with purity, and a long-established tradition of indulging in nit-picking and argumentation. The resultant picture of Jewish character is drawn from an unusual mixture of religious written texts and oral tradition (jokes and proverbs). The sources range from ancient Israel to works from the twenty-first century. In many ways, it is an authentic and striking Jewish self-portrait that is painted for the very first time in this fascinating volume.

Jewish Action, 2001

The Halachic Haircutting Handbook Binyamin Jachter, Rabbi Chaim Jachter, 2021-06-25 Much confusion persists regarding the laws of pe'ot and electric shavers. Unanswered questions abound regarding these two areas of halachah. The product of thorough halachic and technological research, The Halachic Haircutting Handbook sets out to present what constitutes baseline halachah with

respect to these issues. Included in this volume: How far the pe'ot ha'rosh must extend How short one may trim pe'ot ha'rosh Shaving in halachah The permissibility of electric shavers Breakdown of the types of electric shavers New evidence from Philips Norelco

Mentor of Generations Zev Eleff, 2008

Federal Register , 1967-03

Torah, Chazal and Science Moshe Meiselman, 2013-11 The religious person in the modern world, especially the academic world, lives under fire. In every area his views are assailed as outmoded and anachronistic. In the scientific arena, in particular, new discoveries and theories constantly call into question traditional notions. In response, a new literary genre has arisen offering innovative approaches to issues of religion and science. Jewish writers have not been left behind. Torah, Chazal & Science is a unique contribution to this discussion in its emphasis on faithfulness to the Mesorah - the system of beliefs passed down from generation to generation - and on appreciation for the profundity of Chazal (the sages of the Talmud). The author's thesis is that valid solutions can come

only from within the Torah's own framework. Moreover, remaining true to the classic sources is the best way to let the Torah's light shine forth. Authentic Torah sells itself. Through this book the reader will gain a new appreciation for the Torah's truth and beauty.

Immerse yourself in heartwarming tales of love and emotion with Explore Love with is touching creation, Tender Moments: Hjachter . This emotionally charged ebook, available for download in a PDF format (Download in PDF: *), is a celebration of love in all its forms.
