**Looking for Jencey** Dorothy Diemer Hendry,Wickliffe B. Hendry,2007-05 This is a true story, a family saga, whose strong and resourceful heroine is Lizzie Elnora Murphy Casebolt. It tells of her lifelong search for her beautiful mother, Jencey, who died when Lizzie was seven, but who appeared to Lizzie many times in dreams and in unusual circumstances. Lizzie was adopted by a kindly judge and his wife, the Taylors. She grew up in the small Missouri town of Miami, where she found romance with one young man, but married another. Her life, through nearly ninety-one years of happiness and heartbreak, spanned the postA Civil War period and the aftermath of slavery, the tragedies of the two world wars, the suffrage movement, the hardships of the Depression, the births of her children and grandchildren and some of her great-grandchildren, and the exciting and sometimes difficult life she led with her beloved daughter, Myrtle, and Myrtle's husband, the educator George W. Diemer, including their travels to California, the Rockies, and New York City. The gentle determination and steady character of Lizzie shines through all of the events and people who were part of her life.

**I Am Raymond Washington** Zach Fortier,2014-12-29 I Am Raymond Washington is the only authorized biography of the undisputed founder of the Crips and provides an unprecedented look into Raymond Washington's life. If you're looking for stories of gang violence and crimes committed by gang members, that's been done before, and this book isn't for you. But if you're looking for a factual and intuitive look into what made Raymond Washington unique in the mean streets of Los Angeles, this is the book you want to read. Filled with stories, many never-before-seen photographs, as well as interviews and eyewitness accounts of those who knew Raymond, what he represented, and how and why the Crips were formed-and why his name is still spoken on the streets of Los Angeles today with hatred, fear, awe, and reverence. Entering the world of Raymond Washington with an open mind was difficult for me; however, the story of who Raymond Washington was as a leader, warrior, tactician, and mentor became clear. Learn why the gang was so successful and how an unremarkable fifteen-year-old kid in the fall of 1969 sat down with his best friend and formed what later became one of the most successful, and yet feared and hated gangs in the world-the Crips.

*The Connecticut Baby* Barry Oliver,2022-07-28 Delilah Perkins has a family secret that is about to be discovered. At 109 years of age and nearing the end of her time, Delilah's descendants number in the dozens. She lives in a home surrounded by photos of her memories spanning over a century. 21-year-old Zachary Perkins, one of Delilah's forty great-grandchildren, is just starting his life, only months away from his college graduation. While paying a final visit to the family matriarch, Zachary uncovers an old photograph that reveals Delilah's secret - a long-lost child, unknown to anyone in the Perkins family. What happens next is simply beyond Zachary's comprehension. He is transported back to Delilah's past where he experiences her family secret in the first person, incredibly as the very child same in the photograph. It is the Summer of 1922. The United States is crawling out of its post-war (World War I) recession. The 1920s are at last beginning to roar. Zachary discovers not only Delilah's long-lost child, but the long-lost life of a woman heretofore unknown to the Perkins family. He uncovers a lifetime buried on the distant side of a World War and the Great Depression; the lifetime of the beautiful and free-spirited Delilah Hayes at just 21 years, his own age in the present time. Over the course of the Summer, Zachary becomes more and more attached to Delilah's past. He falls in love with the coastal town of New Orchard, Connecticut, where Delilah got her start; along with the quirky people who inhabit his young great grandmother's life. Zachary begins to feel that Delilah's past, in fact, belongs to himself; that this is the life he was supposed to live. Zachary questions whether he is even in the past at all. He asks the question: would it be possible to abandon his future to remain in the year 1922? If he makes that fateful decision, what will become of the future Zachary Perkins living in the year 2010? More immediately, if he stays, what will become of the two-year-old boy who was Delilah's first child?

**Game of My Life Washington Commanders** Zachary Selby,2023-09-05 Several prominent players who have worn the legendary Commanders (previously known as the Redskins) helmet share their fondest single-game experience and memories. Sam Huff, Billy Kilmer, Larry Brown, Pat Fischer, Len Hauss, Mike Bass, Roy Jefferson, Ron McDole, Ken Houston, Diron Talbert, Don Bosseler, "Bullet" Bill Dudley, Joe Jacoby, Rick Walker, Joe Washington, Jeff Bostic, Joe Theismann, Ken Harvey, Mike Nelms, Doug Williams, and Dexter Manley are among the former players profiled in this unique book. It provides an in-depth look into the men and games that helped shape and build the legendary Washington football team's seventy-five-year franchise.

*No Place Like Home* Mary Higgins Clark,2011-11-29 Liza Barclay, aged 10, shot her mother while trying to protect her from her violent stepfather, ex-FBI agent Charley Foster. Despite her stepfather's claim that it was a deliberate act, the Juvenile Court ruled the death an accident. Many people, however, agreed with Foster and tabloids compared Liza to the infamous murderess, Lizzie Borden, pointing even to the similarity in name. Growing up with adoptive parents who tried to erase every trace of her past, her name is changed to Celia. Always, though, the fear hung over her and the family - that someday, her vengeful stepfather would reappear to harm her. Aged 25, a successful interior designer, she marries a childless sixty-year old widower and they have a son. Before their marriage, she had confided her earlier life to her husband. Two years on, on his deathbed, he tells her that he would want her to re-marry, but makes her swear never to reveal her past to anyone, so that their son would not carry the burden of this family tragedy - a promise that plunges her into a new cycle of violence. Three years later, happily re-married, Celia is shocked when her second husband presents her with a gift -- the house where she killed her mother. When the real estate agent who has made the sale recognises her and, soon after, is murdered, Celia is accused of the crime. Once again, she is home -- the place where she is stamped as a murderess.

**A Rope from the Sky** Zach Vertin,2019-01-01 The untold story of America's attempt to forge a nation from scratch, from euphoric birth to heart-wrenching collapse. South Sudan's independence was celebrated around the world—a triumph for global justice and an end to one of the world's most devastating wars. But the party would not last long: South Sudan's freedom fighters soon plunged their new nation into chaos, shattering the promise of liberation and exposing the hubris of their foreign backers. Chronicling extraordinary stories of hope, identity, and survival, *A Rope from the Sky* journeys inside an epic tale of paradise won and then lost. This character-driven narrative is first a story of power, promise, greed, compassion, violence, and redemption from the world's most neglected patch of territory. But it is also a story about the best and worst of America—both its big-hearted ideals and its difficult reckoning with the limits of American power amid a changing global landscape. Zach's Vertin's firsthand accounts, from deadly war zones to the halls of Washington power, brings readers inside this remarkable episode—an unprecedented experiment in state-building and a cautionary tale. It is brilliant and breathtaking, a moder-day Greek tragedy that will challenge our perspectives on global politics.

*Uncensored* Zachary R. Wood,2019-04-16 Drawing upon his own powerful personal story, Zachary R. Wood shares his perspective on free speech, race, and dissenting opinions—in a world that sorely needs to learn to listen. As the former president of the student group Uncomfortable Learning at his alma mater, Williams College, Zachary Wood knows from experience about intellectual controversy. At school and beyond, there's no one Zach refuses to engage with simply because he disagrees with their beliefs—sometimes vehemently so—and this view has given him a unique platform in the media. But Zach has never shared the details of his own personal story. In *Uncensored*, he reveals for the first time how he grew up poor and black in Washington, DC, where the only way to survive was by resisting the urge to write people off because of their backgrounds and perspectives. By sharing his troubled upbringing—from a difficult early childhood to the struggles of code switching between his home and his elite private school—Zach makes a compelling argument for a new way of interacting with others and presents a new outlook on society's most difficult conversations.
