Whose Improv Is It Anyway? Amy E. Seham, 2009-10-20 On both sides of the stage improv-comedy's popularity has increased exponentially throughout the 1980s and '90s and into the new millennium. Presto! An original song is created out of thin air. With nothing but a suggestion from the audience, daring young improvisers working without a net or a script create hilarious characters, sketches, and songs. Thrilled by the danger, the immediacy, and the virtuosity of improv-comedy, spectators laugh and cheer. American improv-comedy burst onto the scene in the 1950s with Chicago's the Compass Players (best known for the brilliant comedy duo Mike Nichols and Elaine May) and the Second City, which launched the careers of many popular comedians, including Gilda Radner, John Belushi, and Mike Myers. Chicago continues to be a mecca for young performers who travel from faraway places to study improv. At the same time, the techniques of Chicago improv have infiltrated classrooms, workshops, rehearsals, and comedy clubs across North and South America, Europe, Australia, and Japan. Improv's influence is increasingly evident in contemporary films and in interactive entertainment on the internet. Drawing on the experiences of working improvisers, *Whose Improv Is It Anyway?* provides a never-before-published account of developments beyond Second City's mainstream approach to the genre. This fascinating history chronicles the origins of the Harold, a sophisticated new long-form style of improv developed in the '80s at ImprovOlympic and details the importance and pitfalls of ComedySports. Here also is a backstage glimpse at the Annoyance Theatre, best known on the national scene for its production of *The Real Live Brady Bunch*. Readers will get the scoop on the recent work of players who, feeling excluded by early improv's white guys in ties, created such independent groups as the Free Associates and the African American troupe *Oui Be Negroes*. There is far more to the art of improv than may be suggested by the sketches on *Saturday Night Live* or the games on *Whose Line Is It Anyway?* This history, an insider's look at the evolution of improv-comedy in Chicago, reveals the struggles, the laughter, and the ideals of mutual support, freedom, and openness that have inspired many performers. It explores the power games, the gender inequities, and the racial tensions that can emerge in improvised performance, and it shares the techniques and strategies veteran players use to combat these problems. Improv art is revealed to be an art of compromise, a fragile negotiation between the poles of process and product. The result, as shown here, can be exciting, shimmering, magical, and not exclusively the property of any troupe or actor.

Spiritual Warfare and the Discernment of Spirits Dan Burke, 2020-01-09 Satan is always at work breeding sadness and anxiety while providing obstacles that prevent souls from making spiritual progress. In this concise yet powerful book, author Dan Burke presents the venerable, time-tested wisdom of Catholic mystics to help you understand the influence of the Enemy on your mind and heart, and the tactics you need to combat him. With St. Ignatius as his guide, Burke presents here an indispensable, authoritative manual for engaging in daily battle with the Adversary—combat that is both inevitable and winnable. Burke will help you recognize the ebbs and flows of consolation and desolation, and distinguish between the voices of God and of Satan. Best of all, you'll come to see the spiritual life not as a science to be learned, but as an intuitive art to be practiced as you move with increasing success from habitual sin to sanctity. The battle for our souls is unavoidable. The saints won theirs by learning how to be spiritual warrior

Light at the Edge of the World Wade Davis, 2009-12-01 For more than 30 years, renowned anthropologist Wade Davis has traveled the globe, studying the mysteries of sacred plants and celebrating the world's traditional cultures. His passion as an ethnobotanist has brought him to the very center of indigenous life

in places as remote and diverse as the Canadian Arctic, the deserts of North Africa, the rain forests of Borneo, the mountains of Tibet, and the surreal cultural landscape of Haiti. In *Light at the Edge of the World*, Davis explores the idea that these distinct cultures represent unique visions of life itself and have much to teach the rest of the world about different ways of living and thinking. As he investigates the dark undercurrents tearing people from their past and propelling them into an uncertain future, Davis reiterates that the threats faced by indigenous cultures endanger and diminish all cultures.

2 Corinthians Dane C. Ortlund, 2016-07-18 The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) reflection questions help readers engage the text at a deeper level; (2) Gospel Glimpses highlight the gospel of grace throughout the book; (3) Whole-Bible Connections show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) Theological Soundings identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on every page of the Bible. In his second letter to the church at Corinth, the apostle Paul defends the authenticity of his authority and teaching, helping his readers see that the gospel is full of seemingly paradoxical truths—strength from weakness, life through death, and comfort in affliction. Highlighting how the gospel confronts our own culture's expectations and drawing implications for all of life, Dane C. Ortlund helps us discover the truth that the gospel humbles the powerful while strengthening the weak
