**Jingle Bells** Susan Jeffers, 2022 Presents an illustrated version of the Christmas song with a girl, a boy, their pony, and their dog journeying to their Grandma's house.

**Jingle Bells** James Pierpont, 2018-10-01 Take a Ride in a One Horse Open Sleigh The classic Christmas carol comes to life in this beautifully illustrated edition of Jingle Bells. Originally written in 1857 for the Thanksgiving season, Jingle Bells has become a beloved Christmas song sung by young and old alike. In this edition, delicate watercolor images are paired with the text to bring the delight of the holiday season to young readers.

Jingle Bells, 2015-09-22 Celebrate Christmas in song and merriment with the popular carol, Jingle Bells. This innovative format features retro-inspired illustrations and actual jingle bells, making this a story and musical instrument all in one! As readers sing along, they can follow the characters while they dash through the snow toward a special Christmas tree-lighting ceremony, laughing all the way! With three shiny bells fastened tightly inside the book and thick, sturdy pages, Jingle Bells can be shaken year after year. Ring in the holidays with a new Christmas carol tradition!

**Jingle Bells** James Lord Pierpont, 2015-09-22 Sing along with this musical edition of the favorite Christmas song! Press the button to hear Jingle Bells as you follow an adorable bear family enjoying a festive sleigh ride. Pauline Siewert's gorgeous illustrations capture the magic of the holiday season, and with the lyrics on each page, children will love to sing along.

Jingle Bells John Harris, 2011 The unexpected story of the creation of a holiday classic - in the most unlikely of places. It is November 1857 in Savannah, Georgia, and the heat is stifling. Choir director James Lord Pierpont is busy writing a song for the children of the church to perform to usher in the holiday season. He is also worried. Many townspeople are angry because the congregation does not believe in slavery, and someone has thrown a brick through one of the church windows. As Mr. Pierpont sweeps up the glass from the broken window, he recalls his own Boston childhood, and he suddenly gets an idea. A few days later - with singing children, jingling bells, and bags of snow - Mr. Pierpont introduces the delighted churchgoers to the charms of a northern Christmas In this terrific match of John Harris's entertaining text and Adam Gustavson's endearing illustrations, readers learn about the unexpected origins of a Christmas classic that was written during a Savannah heat wave. Harris's story also includes many interesting connections with Savannah, Unitarians, and freed slaves all playing a role in the story behind the song.

**Jingle Bells** Kathleen N. Daly, 1964 Santa joins a sleigh full of animals and together they deliver gifts and attend a Christmas party. The words to the song, Jingle Bells, are woven into the story.

**Jingle Bells** Ron Berry, 2019-08-06 Jingle Bells, composed by James Pierpoint in 1857, is one of the most popular Christmas songs of all time. During the winter in pre-automobile days, a horse-drawn sleigh was the typical way to get around town. To avoid collisions at blind intersections, it was common to adorn horses' harnesses with straps that had bells attached. Inspired by this popular Christmas song, Jingle Bells will engage children's imaginations as they take a magical sleigh ride in the snow at Christmastime. Also, Jingle Bells features new verses that give meaning to the wonderful traditions of Christmas and a caroling choir that sings the favorite song.

*Sleigh Rides, Jingle Bells, and Silent Nights* Ronald D. Lankford, 2013-10-01 When Bing Crosby's White Christmas debuted in 1942, no one imagined that a

holiday song would top the charts year after year. One of the best-selling singles ever released, it remains on rotation at tree lighting ceremonies across the country, in crowded shopping malls on Black Friday, and at warm diners on lonely Christmas Eve nights. Over the years, other favorites have been added to America's annual playlist, including Elvis Presley's Blue Christmas, the King Cole Trio's The Christmas Song, Gene Autry's Rudolph the Red-Nosed Reindeer, Willie Nelson's Pretty Paper, and, of course, Elmo & Patsy's Grandma Got Run Over by a Reindeer. Viewing American holiday values through the filter of familiar Christmas songs, Ronald Lankford examines popular culture, consumerism, and the dynamics of the traditional American family. He surveys more than seventy-five years of songs and reveals that the "modern American Christmas" has carried a complex and sometimes contradictory set of meanings. Interpreting tunes against the backdrop of the eras in which they were first released, he identifies the repeated themes of nostalgia, commerce, holiday blues, carnival, and travesty that underscore so much beloved music. This first full-length analysis of the lyrics, images, and commercial forces inextricably linked to Yuletide music hits the heart of what many Americans think Christmas is--or should be.
