FIREBOAT Maira Kalman, 2002-08-05 * "A hundred years from now, when people want to know what we told our children about 9/11, Kalman's book should be among the first answers."—Booklist, starred review * "Intelligently conveys those unfathomable events in a way that a picture book audience can comprehend. . . . With this inspiring book, Kalman sensitively handles a difficult subject in an age-appropriate manner."—Publishers Weekly, starred review * "Fireboat does many things. It sets forth an adventure, helps commemorate an anniversary, offers an interesting bit of history, celebrates the underdog, and honors the fire-fighting profession. Children and adults will respond to it in as many ways."—School Library Journal, starred review * "Exciting, uplifting, and child-sensitive. . . . Revisits the tragedy without the terror and conveys pride without preachiness.—The Bulletin of the Center for Children's Books, starred review * "Quintessential New York artist Kalman gives us an idiosyncratic but informative look at a Big Apple institution. . . . Kalman's use of the events of September 11 is honest and honorable, and rarely is she as straightforward as she is here."—The Horn Book, starred review This is the inspiring true story of the John J. Harvey—a retired New York City fireboat reinstated on September 11, 2001. Originally launched in 1931, the Harvey was the most powerful fireboat of her time. After the September 11 attacks, with fire hydrants at Ground Zero inoperable and the Hudson River's water supply critical to fighting the blaze, the fire department called on the Harvey for help. There were adjustments—forcing water into hoses by jamming soda bottles and wood into nozzles with a sledgehammer—and then the fireboat's volunteer crew pumped much-needed water to the disaster site. The John J. Harvey proved she was still one of New York's Bravest! Maira Kalman brings a New York City icon to life, celebrating the energy, vitality and hope of a place and its people.

Harvey, 2006-08-22 When the maritime village of Bareneed is beset by mythic sea creatures, a bizarre suffocating plague, and other strange events, divorced father Joseph Blackwood works against time to save his only daughter.

Thomas Clayton Randy J. Harvey, 2013 Thomas Clayton Gurley loses his mother, father, and sister to a tragic car accident when he is only fifteen. With no family to care for him, he's forced to live with the dreaded Bastard Boats, his father's half brother. Boats seems to have a vendetta against young T. C., and it goes back to T. C.'s parents, although T. C. isn't sure why. In a new town, at a new school, under a hostile roof, T. C. has to fight to survive. He joins up with the high school football team just to get out of the house. He makes friends and begins to experience new things—notably drugs, music, and girls. All the time, though, Boats is on his back. There's a light at the end of the tunnel when T. C. is taken in by Buck and Rosie Hagan, a local foreman and his wife. Even so, T. C. is haunted by the loss of his family and the oppressive Boats. Something criminal is going down in their tiny Oklahoma town, and Boats is at the center of it. As T. C. grows into a man, he begins to realize the danger Boats could bring upon the Hagans and T. C.'s group of friends. Boats's involvement with a corrupt business cartel could cost lives, and T. C.—once an innocent—will have to stand strong to protect the people he has come to love.

Civilized Oppression Jean Harvey, 1999 Silenced, discredited, stripped of powers of moral appeal, and deprived of the interpersonal conditions necessary for maintaining self-respect, many people suffer from serious but subtle forms of oppression involving neither physical violence nor the use of law. In *Civilized Oppression* J. Harvey forcefully argues for the crucial

role of morally distorted relationships in such oppression. While uncovering a set of underlying moral principles that account for the immorality of civilized oppression, Harvey's analyses provide frameworks for identifying morally problematic situations and relationships, criteria for evaluating them, and guidelines for appropriate responses. This book will be essential for both graduates and undergraduates in ethics, social theory, theory of justice, and feminist and race studies.

The Everlasting Encore Abigail J. Harvey, 2012-12-20 I believe that Jesus died on the cross for the forgiveness of my sins and yours because He loves us. There are some things you have to do repeatedly for someone to show them your love. However, what Christ did for us on the cross He had to do only once. His undying love for us was displayed for eternity. He has given us An Everlasting Encore. The inspirational poems are written as praise and worship to God for all that He has done and continue to in all of our lives. They are thank you notes for His unfailing and undying love. He alone has done more than we could ever imagine. I am so glad He loves us. His love and mercy towards us are new every morning, despite where we are from, who we are, how we look and what we've done. He loves us more than we will ever comprehend. The inspirational poems tell of a past, present and future relationship with God. God is truly amazing. He's The Everlasting Encore!

Fireboat Maira Kalman, 2005-08-01 A fireboat, launched in 1931, is retired after many years of fighting fires along the Hudson River, but is saved from being scrapped and then called into service again on September 11, 2001.

Reinventing the Rose Kenneth J. Harvey, 2011-06-06 As a fatherless girl with a mother who persistently encouraged her daughter's artistic temperament, Anna Wells is highly sensitive to

the life developing in her when she discovers she is pregnant. Anna's gynecologist boyfriend, Kevin, considers the time just not right to have children, so Anna moves to a 100-year-old house in Bareneed, an abandoned cove in Newfoundland, where she takes comfort in renovating the interior of her new home and working on a series of paintings detailing roses. Paralleling Anna's own journey is a minutely detailed, day-by-day development of the embryo. All goes well until a car arrives delivering a court summons. Kevin has filed a statement of claim seeking the termination of the embryo as return of property. One night, while still in Bareneed and upset over the impending legal action, Anna discovers an abandoned little girl almost frozen to death in her front yard. Mysterious circumstances continue to surround the children in Bareneed as pro-choice and pro-life factions marshal their forces.

The Lost World of the Torah John H. Walton, J. Harvey Walton, 2019-02-26 Our handling of what we call biblical law veers between controversy and neglect. On the one hand, controversy arises when Old Testament laws seem either odd beyond comprehension (not eating lobster) or positively

reprehensible (executing children). On the other, neglect results when we consider the law obsolete, no longer carrying any normative power (tassels on clothing, making sacrifices). Even readers who do attempt to make use of the Old Testament law often find it either irrelevant, hopelessly laden with thou shalt nots, or simply so confusing that they throw up their hands in despair. Despite these extremes, people continue to propose moral principles from these laws as the biblical view and to garner proof texts to resolve issues that arise in society. The result is that both Christians and skeptics regularly abuse the Torah, and its true message often lies unheard. Walton and Walton offer in *The Lost World of the Torah* a restorative vision of the ancient genre of instruction for wisdom that makes up a significant portion of the Old Testament. In the ancient Near East, order was achieved through the wisdom of those who governed society. The objective of torah was to teach the Israelites to be wise about the kind of order needed to receive the blessings of God's favor and presence within the context of the covenant. Here readers will find fresh insight on this fundamental genre of the Old Testament canon. The books in the *Lost World Series* follow the pattern set by Bible scholar John H. Walton, bringing a fresh, close reading of the Hebrew text and knowledge of ancient Near Eastern literature to an accessible discussion of the biblical topic at hand using a series of logic-based propositions.

Organizational Game Revealed tells why your career might be slowing or has hit the glass ceiling. For the first time, the unwritten rules that define our system have been defined and written. Whether your definition of success is increased credibility in your current assignment or moving up the organizational ladder, this book will give you the knowledge to make the proper decisions to accomplish your goals. This book will, as never before, take you into the critical area of the unwritten rules that are so important in a successful career or life. You will, after reading this book, truly know how the system works and how the game should be played. If gaining empowerment or owning/controlling your career is an objective in your life, you must learn how the system works. This will allow your choices to be meaningful and productive. Without the information contained in this course, personal decisions will be hollow and careers will be left to the dictates of the system. After reading this book, events in your organizations will make sense; the advice from your mentor will be better understood; and even the evaluation of the evening news will take on new excitement simply because you understand the game. It is impossible to win any game if you do not know the rules. Mr. Coleman, in a simple and straight forward manner, gives us the rules we need to be successful. This book can level the playing field for any individual.

Immersed J Harvey Stone, 2020-05-03 *Immersed* is a one act play set in Depression era North Carolina. Inspired by the culture of Appalachia, author J. Harvey Stone, takes us through an important decision in Anna's life. Anna has recently moved to rural Jackson County because of the Depression. She finds herself torn between missing her family and pleasing her new community. Her new friendship with Ben is complicated by the seemingly limitless influence of Ben's father, Preacher Jackson. *Immersed* was the 2017 Best Original Play for the Virginia Theatre Association. It was also Virginia's official selection to SETC 2018. With strong lead characters and many

ensemble opportunities this play was written with young adult actors in mind. The script contains information for those interested in publishing the play onstage, via staged readings, or streaming. Harvey's storytelling shows an appreciation for Appalachian language and stories, while being approachable to anyone with or without the knowledge of Appalachia. I can't wait to have a published copy of *Immersed*. This is the kind of play that screams to be performed again and again. Preacher Jackson is a hauntingly real character.

All the Time in the World J. Harvey Haggard, 2011-05-01 The boy was tall and handsome and ... red. ... This boy, whom he had always thought of as his son. Excerpt Stephan Wentworth had not had such a good laugh for as long as he could remember. He had spent twenty arduous, triumphant years Nereid, fifteenth planet of the star Alpha Centauri. Some star-maps actually listed the little planet as Wentworths Planet because of huge land grants given him by the natives. The people of Nereid, though extremely generous in their traits, were naturally slothful. Stephan Wentworth had driven them to their tasks. He had hounded the migrant earthmen, equally lazy. Men hated him for accumulating such wealth and prestige on another planet - but this! Doc Lezen was a card all right. It was the tallest tale he'd heard in many a Nereidan moon. Coming naked from the germicidal mist-shower that ended the medical examination, Stephan Wentworth stood in a jet of warm drying air. He was a large man, big boned and heavy, but even at fifty-two this red-haired giant did not display the usual flabbiness of that age. He reached in the locker for his clothing, consisting of the silvery metaline tunic, breeches of planetary white, soft gravity slippers with cushion soles. Then the humor of it overcame him. He staggered around laughing, one foot in the breeches, the other out. An incredulous look transformed the usual severity of his strong face, making him appear younger than he actually was. Exertion in this thin rarefied air sent pain stabbing into his pleural regions, made him

gasp. Remembering his oxytank, the one he usually wore at all times, he saw it on a table. After a puzzled moment, Dr. Frank Lezen joined in the merriment. Old Frank was not huge like Stephan Wentworth. He was sixty-four. There would be a time, not long hence, when he would hang up his stethoscope forever and retire to one of the pleasure planets. Laughter racked and threatened to injure his frail body in its loose garb of sanitary white plasticloth. His thin face was crowned by tufts of white hair like quotation marks, underlined by a short but imposing beard. Now the face became a writhing morass of wrinkles as his mouth gaped open and his laughter emerged as a dry cackling. Sent a fleet of fifty ships to space yesterday! Stephan Wentworth had bragged. Everyone loaded to the hilt with cargo. We loaded them in three days and two nights and four hours and five minutes. That's a record, let me tell you, even for Stephan Wentworth. No doubt of his physical fitness bothered him. He could hardly remember the day he'd been sick.

God Said, "Live!" Harvey J. Morgan, 2021-10-14 Noticing an abnormal weakness in his body, author Harvey J. Morgan decided to seek medical attention. After blood work, the initial diagnosis confirmed his worst fear: a form of leukemia. He was an active pastor, father, and grandfather, raised dairy calves, and was known as a man of faith. While preparing to visit specialist doctors at a university hospital, Morgan felt impressed to cling to Ezekiel 16:6. After conferring with the medical team and given his sixty-four-year-old age and available treatment options, the future seemed unclear: five percent recovery rate with minimum life expectancy. Holding onto faith and leaning on the support of family and friends, he was unable to complete the prescribed

treatment, but God performed the improbable. God Said, "Live!" details Morgan's faith-filled battle through the dark days and nights of treatment and recovery. Seven years later, he continues to encourage others to trust God and hold onto His word. He relays his epic story of faith versus fear, hoping to inspire others to seek to overcome and live.

Stop Stumbling Over Yourself Ruby J. Harvey, 2022-09-13 The concept is to show that we should learn to take personal responsibility for all of our actions and reactions in our lives. As in the contents: 1. Resist thinking and speaking negative about yourself. 2. Not developing an Island Mentality, pulling away to not be bothered. 3. Putting up walls to block others out. 4. How we should strive to control our emotions on purpose. 5. Explains about the journey of fear. 6. How internalizing our problems can make us physically sick. The goal is to show these principles to the readers that don't know that there are better ways of handling our problems other than being Self Destructive.
