Jack Wynns, Jerry Drennan

Shortness James Marsh Sternberg MD,2021-11-25 This book is about only one thing. Shortness, singletons or voids. It's impossible to overestimate the value distribution plays in bidding accuracy. High cards are nice; anybody can bid games and slams when the high cards are falling out of their hands onto the table. But usually those results don't get you very far. It's usually an average or maybe just above. You don't win bridge tournaments that way. The pairs who bid games and slams on less and who accurately stay out of bad games and slams, those are the winners. When the 'room' is in 3NT scoring +460 or +490 and you are in six diamonds scoring +920, then come and tell me about it. I've tried to cover the different ways a player can ask or tell about shortness. The book is divided into chapters on offense and defense. There are different ways to do things in bridge. I've presented a system I've learned from some of the best. You may prefer something else. Whatever works, great. I want to give you some things to think about and suggest solutions. There are lots of ways to do things in bridge. This is one way. I hope you find it helpful at the table. James Marsh Sternberg, MD Palm Beach Gardens, FL

*Bridge the Gap to Better Bidding* Jack Wynns, Jerry Drennan, 2022-08-26 This book is intended for intermediate and advanced players and is designed along the lines of a convention card. Each subject (No Trump, Majors, Weak Two Bids, etc.) gets its own chapter. Within each chapter each topic gets a page of text along with examples and a quiz. Most intermediate players have a working, but incomplete, knowledge of the various topics. This book will fill in the blanks, add new ideas to your bidding arsenal and significantly improve your bidding skills.

THE CASEY TWO OVER ONE BRIDGE BIDDING SYSTEM Ken Casey, 2024-01-17 This book contains an innovation that makes it much easier to bid slams. This innovation will enable the bridge community to dramatically increase its bidding of grand slams. This book incorporates the 2/1 Game Force bidding system for major suit opening. This book also expands the Game Force system to partners holding 5 spades and an opening hand. The forcing response when R has 6-12p and a spade response is modified to show if O has 3-card spade support. The traditional 2/1 system is modified by the mechanics of a fast arrival convention to show game-level points. In addition, a simple worthless suit convention using a single bid is employed to show a worthless suit as opposed to the more complicated control system used in traditional 2/1. For minor suit openings, the book presents a simple method for using reverses. The book also shows how to use the Jacoby Transfer mechanism to show R's 5-card major. The book then shows how R can effectively use inverted minors to hamper the opponents' bidding. The book next shows how to bid overcalls of a 4-card heart suit to hamper the opponents from finding their spade suit. The book outlines the Kantar slam bids and shows how to locate the trump Queen after a 4NT bid. Finally, the book shows how to improve slam bidding using the Minorwood convention. Ken has published 5 core books on how to play bridge: "Beginning Bridge" (5th ed. 2023), "Tournament Bridge for Intermediate Players (5th ed. 2021), "Advanced Bridge" (4th ed. 2021), "Bridge Defense" (4th ed. 2020) and "Bridge for Notrump Contracts" (4th ed. 2020). Ken served as a Russian interpreter during the Vietnam War and then spent over 30 years practicing as a tax attorney. Ken also has an MBA in accounting and a CPA.

*Tournament Bridge Tips on Defense* Ken Casey, 2020-12-13 This book is designed to give a comprehensive and systematic view of the rules for defense. The various subjects contain rules for how to defend against a long suit, when and how to ruff, how to defend against a squeeze play or an endplay, when and how to duck, when to play 2nd hand high or 3rd hand low, how to play from E, when to underlead your Ace, how to discard and to deceive, how to defend against a Notrump contract, how to signal and how to lead. Under each subject, there are numerous examples of how to handle each rule of defense. Ken has published more than 15 bridge books. These books have now been consolidated into a series of 5 core tournament books as follows: Tournament Bridge for Beginning Players (4th ed. 2020), Tournament Bridge for Intermediate Players (4th ed. 2020), Tournament Bridge for Advanced Players (3rd ed. 2019), Tournament Bridge for Notrump Contracts (4th ed. 2020) and Tournament Bridge Tips on Defense (4th ed. 2020). The above 5 books have themselves been condensed into a two-volume set called The Complete Book of Bridge Hands, Volumes 1 and 2 (2d ed. 2019). In addition, Ken has published a book on bidding, called The Casey 2/1 Bridge Bidding System (4th Edition 2021).

Card Play Technique ,1971

**Tournament Bridge for Advanced Players** Ken Casey, 2021-06-20 This book is designed to give a comprehensive and systematic view of the hands an advanced player might expect to encounter in a tournament. The various categories of hands presented will teach you when and how to use the endplay, when and how to squeeze, how to handle a forcing defense and how to handle a 4-1 trump split. Ken has published more than 15 bridge books. These books have now been consolidated into a series of 5 core tournament books as follows: Tournament Bridge for Beginning Players (4th ed. 2020), Tournament Bridge for Intermediate Players (5th ed. 2021), Tournament Bridge for Advanced Players (4th ed. 2021), Tournament Bridge for Notrump Contracts (4th ed. 2020) and Tournament Bridge Tips on Defense (4th ed. 2020). These 5 core books have themselves been condensed into a two-volume set called The Complete Book of Bridge Hands, Volumes 1 and 2 (2nd ed. 2019). In addition, Ken has published two books on bidding, The Casey 2/1 Bridge Bidding System (4th ed. 2021) and The Casey Simplified Precision Club Bridge Bidding System (2nd ed. 2021). Ken served as a Russian interpreter during the Vietnam War and then spent over 30 years practicing as a tax attorney. Ken also has an MBA in accounting and a CPA.
