**Kila Kila** John W. Troutman,2016-02-16 Since the nineteenth century, the distinct tones of k&299;k&257; kila, the Hawaiian steel guitar, have defined the island sound. Here historian and steel guitarist John W. Troutman offers the instrument's definitive history, from its discovery by a young Hawaiian royalist named Joseph Kekuku to its revolutionary influence on American and world music. During the early twentieth century, Hawaiian musicians traveled the globe, from tent shows in the Mississippi Delta, where they shaped the new sounds of country and the blues, to regal theaters and vaudeville stages in New York, Berlin, Kolkata, and beyond. In the process, Hawaiian guitarists recast the role of the guitar in modern life. But as Troutman explains, by the 1970s the instrument's embrace and adoption overseas also worked to challenge its cultural legitimacy in the eyes of a new generation of Hawaiian musicians. As a consequence, the indigenous instrument nearly disappeared in its homeland. Using rich musical and historical sources, including interviews with musicians and their descendants, Troutman provides the complete story of how this Native Hawaiian instrument transformed not only American music but the sounds of modern music throughout the world.

Performance Improvement Plan for Kika Klarakova is the management memo of a bureaucratic stalker. However, her world transforms when she attempts to write a performance review of her enigmatic employee, Kika Klarakova, a woman who scorns convention and the bureaucratic world of social work. As her obsession grows, Rose Chan surreptitiously documents the personal life of her employee, wondering how the one person who might truly understand her is the same person who wants nothing to do with her. Who is Kika Klarakova? And why is Rose Chan drawn so close to her? In her lonely world of Sudoku puzzles and empty parking lots, Rose faces metaphysical questions about herself and her report. Our Time of Day Kika Markham,2014-09-08 'I remember thinking if life had been different, I might have liked to have ended up with that man.' Our Time of Day was inspired by Corin's revelation that after suffering brain damage he could remember little of his marriage - despite the fact that for over thirty happy, passionate and turbulent years he and Kika had shared their love of acting, family and left-wing politics with ceaseless energy and commitment. With great empathy and wit, Kika records their lives on and off stage - two great actors from two theatrical families. She draws upon

intimate records of the thoughts and feelings that they had both expressed in personal diaries, writing with often brutal honesty. Finally she charts the poignant trajectory of Corin's illness, from the moment he suffered a near-fatal heart attack during a speech on behalf of the Dale Farm gypsies, to severe memory loss, cancer and his eventual death from an aneurysm in the brain. Throughout these troubled years both continued acting in plays and films, as well as strenuously pursuing the human rights causes they held so dear.
