Beautiful Liars Kylie Adams,2012-03-01 The rich and glamorous never need to sleep alone. At least, that's the theory. Gorgeous, successful, and pampered women like Emma Ronson and Simone Williams, the hosts of TV's hottest new daily talk show, The Beehive, seem to have New York--and all of the men in it--at their feet. But behind the scenes, it's a much different story. . . Emma left a career in serious journalism for daytime popularity, and now she's interviewing barely literate reality stars as she watches her credibility slip away. Even worse, she's also sharing the Beehive couch with Sutton, an aging news diva who's doesn't miss a chance to stick her claws into Emma for stealing her media mogul boyfriend. Simone, a Black American Princess and former teen model, is drowning in debt that her Beehive salary can't begin to cover, and her famous ex has just crossed the line from stalker to psycho. Caught up in a wild mix of cheating boyfriends, scheming rivals, velvet-rope catfights, backstabbing exes, and bloodthirsty gossip columnists, the city's most beautiful people are about to discover just how ugly life at the top can get. . . Kylie Adams is the author of Ex-Girlfriends, Fly Me to the Moon, Baby, Baby, and the USA Today bestsellers The Only Thing Better than Chocolate (with Janet Dailey and Sandra Steffen) and Santa Baby (with Lisa Jackson, Elaine Coffman, and Lisa Plumley). She is a contributing editor to The South, a regional bimonthly magazine that features her pop culture/humor column, Kylie Says. She lives in Brandon, Mississippi, where she is currently at work on her next novel.

NYPD Red 3 James Patterson,Marshall Karp,2015-03-16 In James Patterson's sensational mystery, NYPD Red discovers a chilling conspiracy that terrifies the city's most powerful. NYPD Red is the elite, highly trained task force assigned to protect the rich, the famous, and the connected. And Detective Zach Jordan and his partner Kylie MacDonald-the woman who broke his heart at the police academy-are the best of the best, brilliant and tireless investigators who will stop at nothing to deliver justice. Zach and Kylie's New Year's celebrations are cut short when they're called to the home of billionaire businessman Hunter Alden, Jr. after he makes a grisly discovery in his townhouse garage. When Alden's teenage son goes missing soon afterwards, and his father seems oddly reluctant to find him, Zach and Kylie find themselves in the middle of a chilling conspiracy that threatens everyone in its wake-especially their city's most powerful citizens. NYPD Red 3 is the next sensational novel in James Patterson's explosive new series, a thriller that goes behind the closed doors of New York high society and into the depths of depravity.

Bloody Mary for the AERA Attendee's Soul Daniel H. Robinson,2022-05-01 This book is intended to be sort of a Chicken Soup for the educational academic's soul. But, in the spirit of the annual meeting of the American Educational Research Association (AERA), this book is more of a Bloody Mary for the AERA attendee's soul. As you likely know, one of the many suggested cures for a hangover is a Bloody Mary (it may not cure the hangover and could make it worse - but it seems like a good idea). The AERA conference experience for the uninformed amateur is similar to a hangover - symptoms may include confusion, nausea, headache, fatigue, etc., but without the alcohol. This book has two goals. One is to help you to get more out of the annual experience most of us refer to simply as "AERA," and less of the negative experiences. The second is to help the beginning academic to avoid the pitfalls the author has experienced and hopefully be more successful. To do this, chapters go back and forth between telling an academic story and providing academic advice.

The NYPD Red Novels, Volumes 1-3 James Patterson,Marshall Karp,2019-05-07 NYPD Red is a special task force charged with protecting the interests of Manhattan's wealthiest and most powerful citizens. Discover the first three books in the New York Times bestselling detective series, from the world's #1 writer. NYPD Red 1 introduces Detectives First Grade Zach Jordan and Kylie MacDonald, new task-force partners and recent romantic exes. Their first assignment is to cover a Manhattan film festival called Hollywood on the Hudson. A Molotov cocktail explodes at a movie premiere, announcing the presence of a killer lurking on set, scripting an explosive finale that will level New York and Hollywood. Zach and Kylie are called in NYPD Red 2 to Central Park, where a carousel is spinning a murder victim, a woman of vast wealth and even greater connections. Her death is the fourth in a string of shocking murders that has the city on edge, and political and personal secrets of the highest order hanging in the resolution of these scandalous crimes. NYPD Red 3 opens in the townhouse garage of Hunter Alden Jr., where the billionaire businessman makes a grisly discovery. When Alden's teenage son goes missing soon afterward, and his father seems oddly reluctant to find him, Detectives Zach Jordan and Kylie MacDonald find themselves behind the closed doors of New York high society and in the depths of depravity.

Kylie Bray Shan R. K,2019-10-26 I had two great loves. The first had the power to weaken me. The second broke me. Vincent Stone was my addiction before he turned out to be my disease. Our love was forbidden, he was my stepbrother. But that wasn't the worst of it all. No, you see he was a made man and I was his muse. How could life tumble in turfs that are unravelling to the human mind , how could I succumb to this latitude of proportions that take me to this darkness. It's breaking me. I keep believing that the world is whole , that my mind isn't. Its like my soul is pushing me to the place I can't see, but my heart is taking me somewhere else , to a place where I can't fathom, how do I see it happening when my very existence is slipping from my fingers, when I look in the mirror I barely recognise myself. I am just empty, dying. I feel there are days where I want to end it, end this treachery of these unknown parts, I am scared. Oh god help me. This weight is beating me down, taking me in. I breathe every second, telling myself I am human, I should feel something , but I can't because every time I think, everytime I even consider it he goes and takes more lives, he says I am his muse , yet all I see in the mirror all I feel is a monster, a killer. He kills them in my name, he takes their lives because they took me. He makes me watch, he forces me to accept it. I know it's wrong, I know I should stop him, but when he touches me something awakens in me that I can't feel unless I am with him. They say to be strong is to face your weakness, but how do I face him when he is also my strength.

Long Dark Road Ricardo C. Ainslie,2009-07-21 On a long dark road in deep East Texas, James Byrd Jr. was dragged to his death behind a pickup truck one summer night in 1998. The brutal modern-day lynching stunned people across America and left everyone at a loss to explain how such a heinous crime could possibly happen in our more racially enlightened times. Many eventually found an answer in the fact that two of the three men convicted of the murder had ties to the white supremacist Confederate Knights of America. In the ex-convict ringleader, Bill King, whose body was covered in racist and satanic tattoos, people saw the ultimate monster, someone so inhuman that his crime could be easily explained as the act of a racist psychopath. Few, if any, asked or cared

what long dark road of life experiences had turned Bill King into someone capable of committing such a crime. In this gripping account of the murder and its aftermath, Ricardo Ainslie builds an unprecedented psychological profile of Bill King that provides the fullest possible explanation of how a man who was not raised in a racist family, who had African American friends in childhood, could end up on death row for viciously killing a black man. Ainslie draws on exclusive in-prison interviews with King, as well as with Shawn Berry (another of the perpetrators), King's father, Jasper residents, and law enforcement and judicial officials, to lay bare the psychological and social forces—as well as mere chance—that converged in a murder on that June night. Ainslie delves into the whole of King's life to discover how his unstable family relationships and emotional vulnerability made him especially susceptible to the white supremacist ideology he adopted while in jail for lesser crimes. With its depth of insight, Long Dark Road not only answers the question of why such a racially motivated murder happened in our time, but it also offers a frightening, cautionary tale of the urgent need to intervene in troubled young lives and to reform our violent, racist-breeding prisons. As Ainslie chillingly concludes, far from being an inhuman monster whom we can simply dismiss, Bill King may be more like the rest of us than we care to believe.

Mississippi Review ,2001

Rewind Terry England,2014-05-27 Mysterious but seemingly peaceful aliens visit Earth and give select people a miraculous and terrifying gift in this highly original sci-fi novel. “I am Aaron Lee Fairfax. I am forty-three years old. I am married to Janessa, but she wants a divorce. I work for Thagg, Morgan, and Edwards Brokerage Group in Kansas City, Missouri. I own a Maserati.” It all sounded so false, these big words coming out of a boy’s mouth. He sat alone, small in the adult-size chair, clad only in shortie pajamas with Peanuts characters rampant. His feet did not even reach the floor. “Why did you go on the Holn ship?” “Because I was curious.” “What happened in the Holn ship on June 10?” He stopped, stared at the floor. He took a breath, let it out. “They did something to us.”

The Philosopher King Heath Carpenter,2019-06-01 Texas-born T Bone Burnett is an award-winning musician, songwriter, and producer with over forty years of experience in the entertainment industry. In *The Philosopher King*, Heath Carpenter evaluates and positions Burnett as a major cultural catalyst by grounding his work, and that of others abiding by a similar “roots” ethic, in the American South. Carpenter examines select artistic productions created by Burnett to understand what they communicate about the South and southern identity. He also extends his analysis to artists, producers, and cultural tastemakers who operate by an ethic and aesthetic similar to Burnett’s, examining the interests behind the preservationist/heritage movement in contemporary roots music and how this community contributes to ongoing conversations regarding modern southern identity. *The Philosopher King* explores these artistic connections, the culture in which they reside, and most specifically the role T Bone Burnett plays in a contemporary cultural movement that seeks to represent a traditional American music ethos in distinctly Southern terms. Carpenter looks at films, songs, soundtracks, studio albums, fashion, and performances, each loaded with symbols, archetypes, and themes that illuminate the intersection between past and present issues of identity. By weaving together ethnographic interviews with cultural analysis, Carpenter investigates how relevant social issues are being negotiated, how complicated discussions of history, tradition, and heritage feed the ethic, and how the American South as a perceived distinct region factors into the equation.
